MANEUVER BUILDING METHODS

QTR IV, 1978

	NAMING VICTORY CIRCLE	NAMING MANEUVER ARENAS	WRITING MANEUVER EVENT	INSURING MANEUVER EXECUTION
METHOD	<ul style="list-style-type: none"> * Clarifying victory's target * Discussing advantages and vulnerabilities * Anticipating the Contradictions * Guarding the flanks 	<ul style="list-style-type: none"> * Individually listing the 10 do's * Intuiting the maneuver gestalt * Creating poetic titles and the imaginal chart * Selecting the transrational actions 	<ul style="list-style-type: none"> * Corporately talking through each maneuver arena * Clarifying intent and actions * Envisioning the implementation * Writing maneuver paragraphs 	<ul style="list-style-type: none"> * Clarifying launching decisions * Determining timing * Focusing troop needs * Envisioning future recommendations
QUESTIONS	<ul style="list-style-type: none"> * What is the circle of victory in which we will stand? * What are our current advantages in relation to the victory circle? * Where vulnerability? Where do we have the potential to be our own worst enemy? * Where will we run into the contradiction? (Face of the enemy?) * Where are our defenses thin? 	<ul style="list-style-type: none"> * What are the 10 specifics to be done to insure this victory? Read all. * What arenas emerge as major foci of action? * Split into two groups 1) What poetic titles hold these arenas? Create chart. * What are the 4 key actions in each arena? (not necessarily tied together) 	<ul style="list-style-type: none"> * Assign scribe for each arena talk through * What is the intent of this arena? * What are the 4 key actions that will do this maneuver? (coordinate additions) * How will this maneuver be implemented? * Scribe summarizes corporate discussion while 2nd scribe writes 1st draft. 	<ul style="list-style-type: none"> * What decisions are required to launch these maneuvers? * What is the sequence of events necessary in each arena? * Whose time and talent will be needed?
