

A BALM IN GILEAD

Refrain
There is a balm in Gilead
To make the wounded whole.
There is a balm in Gilead
To heal the sin-sick soul.

Sometimes I feel discouraged
And think my work in vain,
But then the Holy Spirit
Revives my soul again.

If you cannot sing like angels,
If you cannot preach like Paul,
You can tell of the love of Jesus
And say he died for all.

A BRAND NEW DAY

A brand new day is here; yes, it is here to stay.
The ones who care across the world are on the way.
It's time for everyone to see for a fact
A global servant force is ready to act.

The dream's reality comes true before their eyes;
The spirit of community is on the rise.
What a moment, give a cheer (They'll never believe it!)
That a brand new day is here.

A CANDLE FLAME

If your life's a candle flame
A fragile glow of hope
Nameless ‘tween the ages.

You will see within the light
The stones of ages past
Placed there by hands long ashes.

Now beneath the silent arch
You hear the crowd's loud cry
And you to catch on fire

Burn with new life always on--never still
Hope leaps once more in the midst of the
darkness

If your life's a candle flame
Though gusts of death blow cold
Tomorrow lives.

A CHARGE TO KEEP I HAVE

A charge to keep I have.
A God to glorify;
A never-dying soul to save,
And fit it for the sky.

To serve the present age.
My calling to fulfill;
O may it all my powers engage.
To do my Master's will.

Arm me with jealous care.
As in thy sight to live;
And O, thy servant, Lord, prepare.
A strict account to give!

Help me to watch and pray,
And on thyself rely;
Assured, if I my trust betray,
I shall forever die

A LIGHT IS NOW BREAKING

A light is now breaking, showing the secret that meaning is everywhere in life,
And I am the bearer of the light
A peace is now present, hopes are banished, and care's all gone and nothing's to hate
And self is the only war to fight.

What powerful light, it blinds, it dazzles me. I'm spun in a wildly crashing whirl
Aware that I'm sent for all the world.
And finding the terror peace, I'm silent as never before, I encounter the calm
Of knowing that's held before my eyes.

A wild kind of joy bursts forth, a singing that's free, a dancing on sea:
My life's transformed, bliss unknown before
I'll never live more than each moment in history.

A joy is now leaping forth in ecstasy and gratitude's now the way of life
By happiness struck and all's worthwhile
My death is now here a painful reality. I find myself new, impelled into life
Victorious for eternity.

What rapturous joy, it swells, it consumes me, I'm breathless in throbbing ecstasy
Aware I can die, what rhapsody.
And finding a cry released, I'm free from death, as never before, I'm one with the world
I dive in the endless sea, awhirl.

A wild kind of joy bursts forth, a singing that's free, a dancing on sea:
My life's transformed, bliss unknown before
I'll never live more than each moment in history.

A MIGHTY FORTRESS IS OUR GOD

A mighty fortress is our God, a bulwark never failing;
Our helper He amid the flood of mortal ills prevailing;
For still our ancient foe cloth seek to work us woe;
His craft and power are great, and, armed with cruel hate, on earth is not his equal.

Did we in our own strength confide, our striving would be losing;
Were not the right Man on our side, the Man of God's own choosing;
Dost ask who that may be? Christ Jesus, it is he,
Lord Sabaoth, his name, from age to age the same, and he must win the battle.

And though this world, with devils filled, should threaten to undo us;
We will not fear, for God hath willed His truth to triumph through us;
The prince of darkness grim, we tremble not for him;
His rage we can endure, for lo! his doom is sure, one little word shall fell him

That word above all earthly powers, no thanks to them, abideth;
The Spirit and the gifts are ours through Him who with us sideth;
Let goods and kindred go, this mortal life also;
The they may kill: God's truth abideth still, His kingdom is forever.

A NEW DAY

I can see a new day, a new day soon to be.
When the storm clouds are all gone, and the sun shines on a world that is free.

I can see a new church, a new church, in history
Where the Word is at the center, and the future ever shall be.

I can see a new man, a new man standing tall
With his head high and his heart proud, and afraid of nothing at all.

I can see a new woman. a new woman breathing awe
In her eyes light. and her heart strong. and consumed with a love for the all.

I can see a new world, a new world coming fast.
Where all men are brothers, and hatred is forgotten at last.

I can see a new day, a new day soon to be
When the storm clouds are all gone, and the sun shines on a world that is free.

A NEW DAY ARISING

I see a new day arising,
I see Cusick on its way.
I see a lot of good surprises,
I think that Cusick's here to stay.

Don't give up the fight,
Our future is in sight.
There's a new day on the rise.
Don't give up the fight,
We're about to see the light.
There's a new day on the rise.

Hope you've got it all together,
Hope you've come prepared to win.
Looks like we're in for sunny weather.
Cusick is going to live again.

Don't give up the fight,

A NEW EARTH ALIVE

Hidden, hidden yet appearing
Earth is risen into view
Come of age.

Changing, transformed life remaining
This world's vision born anew
Now in its time.
See it, oh, oh, believe it, oh, oh, oh, be it.
A new earth alive.
Passions, passions focused onward
Toward the century yet to be
So near at hand.
Caring, daring ones in every land,
Wondering where next to stand
Now to decide.
See it, oh, oh, believe it, oh, oh, oh, be it.
A new earth alive.
Serving, serving all the world in care
Sensing new hope everywhere
As never before.
Standing, side by side demanding
Courage born now of the Way
Shared by all.
See it, oh, oh, believe it, oh, oh, oh, be it.
A people alive.

A NEW WAY

Chorus:

Spinning my life a new story
Giving a face to the pain
Seeing through all of the weakness
Filling my whole life with passion
Filling the future with glory
Surging within me, a new Way.

The world is on my shoulders, it weighs too much to bear.
Still, cries of suffering expose my wounded care,
Boundlessly claiming from me, taking more than I had offered.

Life's complications plague me, nothing is easily done,
Each new frustration driving deeper the resolve.
So easy to give up, but only over my dead body.

My life slips through my fingers, I share the sense of doom.
My longing finds a home in setting spirit free,
Living beyond the border, meaning bleeding from each moment.

A PLACE IN THE CHOIR

Bill Staines, an American folk musician

CHORUS:
All God's creatures
Got a place in the choir
Some sing low and some sing higher,
Some sing out loud on a telephone wire,
Some just clap their hands, or paws, or anything they've got now

Listen to the top where the little bird sings
On the melodies and the high notes ringing,
And the hoot owl cries over everything
And the blackbird disagrees.

Singing in the night time, singing in the day,
When little duck quacks, and he's on his way.
And the otter hasn't got much to say
And the porcupine talks to himself

CHORUS

The dogs and the cats they take up the middle
While the honeybee hums and the cricket fiddles,
The donkey brays and the pony neighs
And the old gray badger sighs...

Listen to the bass, it's the one on the bottom
Where the bullfrog croaks and the hippopotamus
Moans and groans with a big t'do
And the old cow just goes moo.

CHORUS

It's a simple song a little song everywhere
By the ox and the fox and the grizzly bear,
The dopey alligator and the hawk above,
The sly old weasel and the turtle dove.

CHORUS (twice)

All God's creatures got a place in the choir.

A PLACE OF GOLD

When he landed on our shore, Captain Cook soon learned the lore,
Of the black men there alone.
White settlers soon arrived and they began to thrive,
And claimed it for their own.
Railroad tracks and gold and grazing soon filled the whole land
Carving pathways to the future, a pioneer band.

Chorus:
With the new and the old
We'll create a place of gold,
In the State of New South Wales.

Now the migrants came galore, bringing riches from their shore
Of ethnic gifts from distant lands.
British, Europeans, Asians, bringing hope from many nations
To help us come alive.
No, we are not isolated, the world comes to call,
Every past is celebrated, a future for all.
Chorus

From the Harbour to the Hill, the Murray to the Tweed
Communities are breaking free
Where the steel mills are a-rolling, the stockmen are patrolling,
There care is sure to be,
Where the housewife and the miner are moving as one,
Where the gifts of all the people will shine in the sun.

O God, the world is waiting for resurgence, every heart is waiting for You.
The hopes of man, the spirit deeps are crying. Now, O God, the time is come!

O God, old men are dreaming dreams of future, and young men see visions of hope.
The prophecy from daughters all is rising. Now, O God, the time is come!

O God, pour out a portion of Your spirit, give a sign of what is to come,
Send down the fire of power and repentance. Now, O God, the time is come!

O God, be with us on our journey always, as we serve the anguish of men,

A SONG IN THE NIGHT

From Natchex to Mobile, from Memphis to Saint Jo, wherever the four winds blow
I’ve lived in some big towns; I’ve heard me some big talk. But when the sweet talk is done
A circuit is lonely, and a worrisome thing that’ll lead you to sing a song in the night.

Now the rains are fallin’; hear the train a-callin’; Move it! (from Natchez to Mobile)
Hear that lonely whistle blowin’ across the trestle; Move it! (from Memphis to Saint Jo)
A-move it, a-move it! Clickety clack comes echoin’ back a song in the night.

From Brooklyn to East Bronx, from Harlem to Jones Beach, wherever the sun shines in
I’ve walked on the pavement and travelled in subways. I’m really set up to win.
But circuits are lonely, and they’re worrisome things that’ll lead you to sing a song in the night.

Now the smog is fallin’; hear the sirens squallin’. Move it! (from Brooklyn to East Bronx)
Hear that lonely cryin’. It’s ole Hudson sighin’. Move it! (from Harlem to Jones Beach)
A-move it, a-move it! A cloppity clop, and don’t let it stop, a song in the night.

From Red Deer to Moose Jaw, Vancouver to Churchill, wherever the snow lies deep
I’ve covered the whole ground, the big and the small towns. It’s called “The Forum Sweep”
The circuits are lonely, they’re worrisome things that’ll lead you to sing a song in the night.

Hear the winds a-blown’. See the blizzards snowin’. Move it! (from Red Deer to Moose Jaw)
Hear the wolves a-howlin’ and the bears a-growlin’. Move it” (Vancouver to Churchill)
A-move it! A-move it! A dummety dumm, the tires they hum a song in the night.

From Boise to L.A, from Vegas to Lame Deer, wherever the mountains show
I’ve travelled the desert for days and for long nights. I’m always on the go.
A circuit is lonely, and a worrisome thing that’ll lead you to sing a song in the night.

Now the heat is growin’, hear the rivers flowin’. Move it! (from Boise to L.A.)
Now the sky is clearin’. Oooh – the pavement’s searin’. Move it! (from Vegas to Lame Deer)
A-move it! A-move it! A doobity doo, I’ll sing it to you, a song in the night.

From Windsor to St. John, Noranda to Gaspé, we hold down the whole East Side
Community Forum is what we can offer in French and English besides
But circuits are lonely, they’re worrisome things that’ll lead you to sing a song in the night.

It’s the same response. Vive la difference! Move it! (from Windsor to St. John)
Wave the fleur de lys around the circuitry. Move it! (Noranda to Gaspé)
A-move it! A-move it! A dingety ding, the circuiters sing chansons dans la nuit.

From Green Bay to Cinnci, Peoria to Big Chi, wherever the Great Lakes flow
I visited farm towns, the ghettos and suburbs where Mid-America grows
A circuit is lonely, and a worrisome thing that’ll lead you to sing a song in the night.

Where the grain is blowin’, paddle wheelers smokin’. Move it! (from Green Bay to Cinnci)
Hear the cities cryin’. They’re not keen on dyin’. Move it! (Peoria to Big Chi)
A-move it! A-move it! A clackety clack, crawl in my sack with this song in the night.

A STRANGE GLADNESS

Shocking! My life's anew, vict'ry! Shocking! It's certitude, trembling!
Illumination. Light within, without: I am that light, there's meaning everywhere
And it is shocking! It's all come clear, it is—the other world the other world, the other world.

Nothing to hate now and nothing to fear within the human pain
Oh, it's the other world, my friend, come lay your burdens down.
Moments of rapture and seizures of bliss within the human woes
Oh, it's the other world, my friend, come, live triumphantly.

The other world is in this world
It's part of every life for those who have the eyes to see and choose it.
Living my life and embracing my death within the human way
Oh, it's the other world, my friend, come, dance a happy death!

Shocking! My life's a new vict'ry! Shocking! It's certitude, trembling!
Illumination, Light within, without: I am that light, there's meaning everywhere
And it is shocking! It's all come clear, it is—the other world, the other world, the other world.

ACROSS THE WORLD IN EVERY LAND

Chorus:

Across the world, in every land,
Now the local people stand,
Heart to heart and hand in hand
To create a better day.
Across the world, in every land,
Human hope is near at hand,
Human care the one demand
On the people of the way.

They’re black, and yellow, tan and white,
Brown and red—a strange new light,
A gleam of hope in the world’s dark night,
Something new has come to birth.
Local people everywhere
Finding ways to build and share
Finding ways to act their care
For the future of the earth.

Chorus

To build the future’s hard and tough,
The future’s way is long and rough,
You never seem to do enough
But you can’t escape the call,
For what you reap is what you sow
Is still the truth of life, you know,
Have to build the way to go
For tomorrow for us all.

Chorus

You can’t look back once you’ve begun,
You know the task is never done,
The victory is never won
‘Til everybody sees
That all the earth belongs to all
‘Til every place has heard this call,
And everybody, great and small
Can live proud and strong and free.

Chorus: It ain't gonna rain no more, No more
 It ain't gonna rain no more.
 How in the heck can I wash my neck?
 If it ain't gonna rain no more?

Make up a verse like:

Mary had a little lamb
He father shot it dead
Now she takes it to school each day
Between two hunks of bread.

Or

There was a peanut on the track
Its heart was all a flutter
The "859" was comin' back,
TOOT! TOOT! Peanut butter!

And especially

I woke up Sunday mornin'
I looked up on the wall
I saw a gang of roaches

The score was 21 to 1
The roaches were ahead

ALAS! AND DID MY SAVIOR BLEED

Alas! And did my Savior bleed,
And did my Sovereign die?
Would he devote that sacred Head
For sinners such as I?

Was it for sin that I had done
He groaned upon the tree?
Amazing pity, grace unknown,
And love beyond degree.

Well might the sun in darkness hide,
And shut his glories in,
When Christ, the mighty Maker, died
For man, the creature's sin.

Thus might I hide my blushing face,
While his dear Cross appears;
Dissolve my heart in thankfulness,
And melt mine eyes to tears.

But drops of grief can ne'er repay
The debt of love I owe,
Here, Lord, I give myself away;
'Tis all that I can do.

And thou, most kind and gentle death, waiting to hush our latest breath, O praise him. Alleluia!
Thou leadest home the child of God, and Christ our Lord the way hath trod.
O praise him, O praise him! Alleluia! Alleluia! Alleluia!

Let all things their Creator bless, and worship him in humbleness, O praise him! Alleluia!

ALL HAIL THE POWER OF JESUS’ NAME

All hail the power of Jesus' name,
Let angels prostrate fall;
Bring forth the royal diadem
And crown him Lord of all.
(Repeat last two lines)

Ye chosen seed of Israel's race
Ye ransomed from the fall.
Hail him who saves you by his grace
And crown him Lord of all.
(Repeat last two lines)

Let every kindred, every tribe
On this terrestrial ball
To him all majesty ascribe
And crown him Lord of all.
(Repeat last two lines)

O that with yonder sacred throng
We at his feet may fall!
We'll join the everlasting
And crown him Lord of all.

ALL LIFE IS OPEN

All life is open,
Embrace the future with vision,
Die your death for the living,
The mystery has received a.

Our knowledge falters and crumbles,
Our thoughts turn banal and senseless,
Our feelings food n to drown us,
Our hearts cry out, "Push no further!"
But don't stop now, lead us onward
To what we know yet cannot see.

The real word bursts in upon us,
Our cares are ruthlessly tromped on,
Yet our desires are unceasing,
The power pushes us further.
Is there no end to this chaos?
Must separation be final?

Illusions trap us and bind us,
We can't endure endless struggle,
We need our promise of greatness,
Or must withdraw isolated.
Then life demands we embrace a,
That a s good and accepted.

We see our linkage to history,
We see the duty demanded,
Our cares unite n the power,
All life is served in obedience.
We give our minds, hearts, and spirits
To forge the free deed in history.

But we alone can do nothing,
We stumble on in our weakness,
Till we unite in the mission
And structure human endeavors,
For we belong to the movement
That lays its life down for all men.

ALL PEOPLE ON EARTH DO DWELL

All people that on earth do dwell, sing to the Lord with cheerful voice;
Him serve with mirth. his praise forth tell come ye before him and rejoice.

Know that the Lord is God indeed; without our aid he did us make;
We are his flock he cloth us feed and for his sheep he cloth us take.

O enter then his gates with praise; approach with joy his courts unto;
Praise, laud and bless his Name always, for it is seemly so to do.

For why? the Lord our God is good. His mercy is forever sure;
His truth at all times firmly stood, and shall from age to age endure.

To Father, Son, and Holy Ghost, the God whom heaven and earth adore.

ALL THE WAY

When somebody loves you it's no good unless he loves you
All the way.
Happy to be near you when you need someone to cheer you
All the way.
Taller than the tallest tree is, that's how it's got to feel:
Deeper than the deep blue sea is, that's how deep it goes if it's real.
When somebody needs you it's no good unless he needs you
All the way.
Through the good or lean years and for all the in between years.
Come what may.
Who knows where the road will lead us? Only a fool would say.
But if you let me love you it's for sure I'm gonna love you

ALL THE WORLD IS LOOKING FOR A SIGN

Chorus:
Who will dare create the new future?
Who will dare respond to the need?
All the world looks 'round for a new sign
The cry for one to risk the deed.

I know that people are responding
Across the villages and towns
They're making claims and new decisions
That turn despair around.

I see men and women working.
Youth and children by their side.
A sense of hope is now emerging.
No way to stop the swelling tide.

I see communities deciding
The future does belong to them.
By corporate effort they are striving
To build the world again.

Final Chorus:
Who will dare create the new future?
Who will dare respond to the need?
All the world looks 'round for a new sign
So come along with me
Pick up this destiny
So come along and build the sign.

AMAZING GRACE

Amazing grace how sweet the sound that saved a wretch like me
I once was lost, but now am found was blind, but now I see.
'Twas grace that taught my heart to fear and grace my fears relieved.
How precious did that grace appear, the hour I first believed.

Through many dangers, toils and snares I have already come.
'Tis grace that brought me safe thus far, and grace will lead me home.

When we've been there ten thousand years bright shining as the sun.
We've no less days to sing God's praise then when we'd first begun.

This world is not my home. I am a stranger here: I've seen amidst this world the other world appear
My life is now transformed, though earthly as before, and I can't feel at home in this world anymore.

Refrain:

Amazing world, the Land of Mystery, of consciousness and care and wild tranquillity
My life is now transformed, though earthly as before,
and I can't feel at home in this world anymore.

A land of mystery assaults on every side, where death is waiting all, and there's no place to hide
A yearning floods my life, more lonely than before, and I can't feel at home in this world anymore.
A mighty river flows of consciousness in me, a willing child of fate, I live creatively
My life's a precious gift that I must answer for, and I can't feel at home in this world anymore.
A mountain's weight of care, seems strangely light to me, embracing this world's woe, I live responsibly
Proclaiming man's true home I lead them to the door, and I can't feel at home in this world anymore.
The sea is tranquil now' it's wild in ecstasy, refusing my own life, my only enemy
And joyfully I see that I am weak and poor, and I can't feel at home in this world anymore.

AMERICA

Porto Rico, my heart's devotion
Let it sink back in the ocean,
Always the hurricane blowing,
Always the population growing,
And the money owing
And the sunlight streaming
And the natives steaming.
I like the island Manhattan,
I know you do,
Smoke on your pipe and put that in,

I like to be in America,
Okay by me in America,
Everything free in America,
For a small fee in America.

Buying on credit is so nice,
One look at us and they charge twice,
I have my own washing machine,
What will you have though to keep clean.

Got separate room in America,
Automobiles zoom in America,
Industry boom in America,
Twelve in a room in America.

Lots of new housing with more space,
Lots of door slamming in our face,
I'll get a terrace apartment,
Better get rid of your accent.

Life can be bright in America,
If you can fight in America,
Life is alright in America
If you're all white in America.

Here you are free and you have pride
Long as you stay on your own side
Free to be anything you choose
Free to wait tables and shine shoes.

Everywhere grime in America,
Organised crime in America,
Terrible time in America,
You forget I'm in America.

I think I go back to San Juan
I know what boat you can get on
Everyone there will give big cheer,
Everyone here will have no tear.

AT THE CENTER

AT THE CENTER

Tune: Try to Remember

When you encounter the light at the center, the final dawn of worlds converging,
When life's illumined by light at the center, assured by wisdom's swift emerging,
When knowing's ended in light at the center, and life's sacred meaning is in you surging,
Then at the center, in blinding encounter you be it.

When you encounter the peace at the center where earthly hopes are all transcended,
When life's unburdened with peace at the center where worldly cares are all suspended,
When you're delivered to peace at the center and for mortal foes your hatred's ended,
Then at the center, where no problems enter you be it.

When you encounter the joy at the center, your tingling deeps in animation,
When you're possessed by the joy at the center, all things received with affirmation,
When you are speechless in joy at the center, and each moment brimming with wild vibration,
Then at the center, in wonder-filled rapture you be it.

When you encounter the life at the center, condemned to be a dead man waking, When you
are boundless with life at the center, compelled to live on water waltzing, When you are risen
to life at the center, and fmd you are ageless with hist'ry walking, Then at the center, while
dancing forever you be it.

No enemies no earthly foes, and I, I am the struggle at the center tranquil.

Pulsing exhilaration, everything's become a blessing

Bloody Mary:
Most people live on a lonely island,
Lost in the middle of a foggy sea.
Most people long for another island,
One where they know they will like to be.

Bali Ha'i may call you,
Any night, any day,
In your heart, you'll hear it call you:
"Come away...Come away."

Bali Ha'i will whisper
On the wind of the sea:
"Here am I, your special island!
Come to me, come to me!"

Your own special hopes,
Your own special dreams,
Bloom on the hillside
And shine in the streams.
If you try, you'll find me
Where the sky meets the sea.
"Here am I your special island
Come to me, Come to me."

BALLAD OF IRON MAN

When Iron Man was a little baby,
Sitting on his daddy's knee,
He picked up a model and a little wedge of steel,
Said, "This model gonna be the death of me, Lord, Lord;
This model gonna be the death of me!"

Iron Man said to Mr. Charley,
A Black man's got to be a man,
And before I'll let you keep me back,
I'll die with my model in my hand, Lord, Lord;
I'll die with my model in my hand.

Iron man said to Fifth City
Fifth City, why don't you sing?
Cause I've got Black Power here to move my wedge,
Just listen to that cold steel ring, Lord, Lord;
Just listen to that cold steel ring.

There's a man they call Mr. Bourgeois,
He thinks he's mighty fine,
But before I'll let his life-style mow me down,
I'll go out and change the world with mine, Lord, Lord;
Go out and change the world with mine!

Iron Man hammered out his model,
His wedge was strikin' fire,
He built Fifth City for the sake of the world,
But it took away his life, and he died, Lord, Lord
It took away his life and he died.

So they took Iron Man to the graveyard
And they buried him in the ground,
But he rose straight up, and he shouted to the world
You can never keep an Iron Man down, Lord, Lord;
Never keep an Iron Man dowl

Now the Iron Man of Fifth City,
Is known across this land;
Can't stop a dead man when he's changing the world,
A model and a wedgeblade in his hand, Lord, Lord;
A model and a wedgeblade in his hand!

BATTLE HYMN OF THE REVOLUTIONARY

When there needs be changes made, there rise up a people
Who respond to history by giving up their lives.
Doubt rightness or doubt goodness, as they move on ahead.
Just some die for the living and some die for the dead.

Chorus:
Our Father who are in Heaven, give us our daily Bread
Jesus our Saviour our leaven, I've heard your're not really dead.

Troubles and complaining soon dominate the scene
And through the few remaining a small band carry on.
We struggle, fight and laugh and cry and get on with the task,
'Cause God don't want no misery, our lives are all he asks.

Chorus:

God does what he wants to do, you cannot force his hand.
He gives just what he wants to give - We've nothing to demand
Doubt rightness or doubt goodness, as we move on ahead.
Just some die for the living and some die for the dead.

BE MY LOVE

Be my love, for no one else can end this yearning;
This need that you and you alone create.
Just fill my arms the way you've filled my dreams,
The dreams that you inspire with ev'ry sweet desire.
Be my love, and with your kisses set me burning;
One kiss is all that I need to seal my fate,
And, hand-in-hand, we'll find love's promised land.
There'll be no one but you for me, eternally,
If you will be my love.

Be thou my Vision. O Lord of my heart;
Naught be all else to me, save that thou art;
Thou my best thought by day or by night,
Waking or sleeping, thy presence my light.

Be thou my Wisdom, and thou my true Word;
I ever with thee and thou with me, Lord;
Thou my great Father, and I thy true son,
Thou in me dwelling, and I with thee one.

Riches I heed not, nor man's empty praise;
Thou mine inheritance, now and always.
Thou and thou only first in my heart,
High King of heaven, my treasure thou art.

High King of heaven, my victory won'

BEFORE JEHOVAH'S AWFUL THRONE

Before Jehovah's awful throne, ye nations, bow with sacred joy;
Know that the Lord is God alone; he can create, and he destroy.

His sovereign power, without our aid, made us of clay and formed us men;
And. when like wandering sheep we strayed, He brought us to his fold again.

We'll crowd the gates with thankful songs, high as the heavens our voices raise;
And earth with her ten thousand tongues,. shall fill thy courts with sounding praise.

Wide as the world is the command; vast as eternity thy love;
Firm as a rock the truth shall stand, when rolling years shall cease to move.

BEING

My life is as Fast as the sea No boundaries no Floor beneath me.	I see then as Never before The secrets of heaven my store.	Then I act seeing Action is vain And accomplishments Never as gain.	Then the Lord through My life prays a prayer And my being is Filled being there.
Yet as I look Within No man has greater In. I am the least of all Daily fall.	With wisdom twice my age My life an open page Though with each insight Gain a deeper pain.	To only do is less Than forming humanness So mission I must be To set men free.	I can invent anew what All the saints once knew By being who I am I create man.
But it's then when Doubt that I can choose to be Nothing For man.	Yet I live with the Lord on my side And wild intuition My guide.	Called to burn as an Undying flame Each word and each Gesture the Name.	And it's no longer I who is seen But the Lord standing There in between.
No die is my lot live as if not With Paul merge with all.	I'm sent as a sign The bread and the wine My form And virgin born.	I must through life- loss An exalted cross My place Reveal his face	Finished as I die Held there between Sky and sod To save our God.

Yes, it's there on the limbs of the worm-eaten tree where the All and the Nothing can BE.

BEING KIND

Written by Nimesh Patel

This song was created by a volunteer intercontinental crew working out of their living rooms during the 21-Day Kindness Challenge launched September 11,2013, in 98 countries with 6000 people participating. (Tune: <http://www.karmatube.org/videos.php?id=4472>)

(Verse 1)
Well my heart starts sinkin'
And I'm thinkin whats the reason
Why we holding back from being kind
What's the disease, but then I sense

We are fine, it'll all happen
One small step at a time

When the world is full of violence
And it needs a little kindness
I just sit in pray in silence
And God shows me the signs

Open my eyes, realize,
We are fine, one small act at a time

Last night I'm walking home
And a homeless man says 'hello'
With a smile to let me know
That he's gotta lotta hope

He says have faith, young man, we are fine
The world is kind, one small act at a time

Small acts we do together
Even though we be alone
Changes the world for the better
So we can call it home

And this is life as we know
When our hearts are aligned
The magic that unfolds
One small act at a time

(Chorus 1)
Throw your hearts up
Let it fly high
Let your love for all the world

Spread through the skies
Let it drop down
Let it all go
Spreading kindness to every
Single living soul

Can you see your love ... for me shining through
Cuz what you see in me, I can see in you
And soon enough, you and me ... we'll be outta time
And kindness ... will be all we can leave behind

(Verse 2)
Feeling grateful today, Never thought this day would come
Where I would feel it and say,
That each and everyone one of us,
Has paved the way doing good
And now we're all just moving up
When I'm kind to you, you pay-it-forward,
This is how we build trust

Never had faith, but now I'm seeing you eye to eye
Wanna gift you my life, wanna spread love before I die,
Thank you God ... for finally letting me realize
When I serve man, I'm really serving you in disguise

Smiles everywhere, cuz now everybody's got the bug
Ain't no life, without the love, if it is, it ain't no fun,
What we gonna do now, just grab a friend give a hug
Spread it out real wide, so everyone can be touched

(Repeat Chorus 1)

Oohhh ... All we can leave behind,
For you and I kindness is all we can leave behind
All we can leave behind
For you and I kindness is all we can leave behind
Ohhh ... Behind, Behind, When all is said and done,
Kindness is all we can leave behind

About Nimesh 'Patel' At the pinnacle of his career, Indo-American rapper Nimo had an unshakeable sense of emptiness. In his mid-20s, he abandoned the limelight and meditating in the foothills of the Himalayas an inner voice nudged him to radically simplify his life and find his purpose in service of others. He moved to the Gandhi Ashram in India and dedicated himself to children in surrounding slums. In April 2012: Nimo and a dance troupe of sixteen of "his kids" toured the world with "Ekatva" -- a performance whose ultimate message was Oneness.

BELIEVE

Chorus:

Believe that the time has come.
This world's going to iive as one
And people are ready now
To create a new way.
New Spirit alive
New dream on the r~se
One world together
Create the new day.

Everybody can see
A new way that it can be,
But so many things just seem to get in the way.

The chains that bind us are strong.
The road to liberty long
Toward one world together
New earth, a new day.
Listen and you will hear
The future is coming clear
And everybody alive
has something to say.
We share a bit of the load,
Walking down the same road,
Working together,
New earth, a new day.

BENEATH THE CROSS OF JESUS

Beneath the Cross of Jesus,
 I fain would take my stand;
The shadow of a mighty rock
 Within a weary land;
A home within a wilderness,
 A rest upon the way,
From the burning of the noontide heat
 And burdens of the day.

Upon that Cross of Jesus,
 Mine eye at times can see
The very dying form of One
 Who suffered there for me;
And from my smitten heart, with tears,
 Two wonders I confess:
The wonder of his glorious love,
 And my unworthiness.

I take, O Cross, thy shadow,
 For my abiding place;
I ask no other sunshine than
 The sunshine of his face:
Content to let the world go by,
 To know no gain nor loss,
My sinful self my only shame,
 My glory all, the Cross.

BITTER WAS THE NIGHT

Bitter was the night,
Thought the cock would crow for ever.
Bitter was the night
Before the break of day.

Jesus He came by
But I said I didn't know Him.
Bitter was the night
Before the break of day.

Told them all a lie,
And I said it three times over.
Bitter was the night,
Before the break of day.

What did Judas do?
Sold Him for a bag of silver,
Bitter was the night
Before the break of day.

Judas died of shame,
Hanged himself upon an alder.
Bitter was the night
Before the break of day.

Thought I'd do the same
Thought the night would last forever.
Bitter was the night
Before the break of day.

Bitter was the night
Thought there'd never be a morning,
Bitter was the night
Before the break of day.

Thought the cock would crow forever.

BOTH SIDES NOW

Bows and flows of angel hair
And ice cream castles in the air
And feather canyons everywhere
I've looked at *clouds* that way

But now they only block the sun
They rain and snow on everyone
So many things I could have done
But clouds got in the way

I've looked at clouds from both sides now
From up and down and still somehow
It's clouds' illusions I recall. I really don't know clouds at all.

Moons and Junes and ferris wheels
The dirty dancing way you feel
As every fairy tale comes real
I've looked at *love* that way.

But now it's just another show
You leave 'em laughin' as you go
And if you care don't let them know
Don't give yourself away.

I've looked at clouds from both sides now
From in and out and still somehow
It's loves' illusions I recall. I really don't know love at all.

Tears and fears and feelin' proud
To say "I love you" right out loud
Dreams and schemes and circus crowds
I've looked at *life* that way.

But now old friends are acting strange
They shake their heads, they say I've changed
Well, somethin's lost, but somethin's gained
From livin' every day

I've looked at life from both sides now
From win and lose and still somehow
It's life's illusions I recall. I really don't know life at all

BY THE POWER OF EVERY LOCAL ONE

Chorus:

By the power of every local one
There will be new community to stand in every land.

When the troubled teeming masses lift their voices in a cry,
I am beckoned out of mercy and must care for all humanity relentlessly,
Through the avenues of hopelessness, the earth demands a sign
My life is claimed by everyone, a symbol of fulfillment in our time.

Chorus

I find myself confronted by the givenness of life,
Embracing it I stand before humanity in freedom and lucidity.
In every situation I see possibility
Of releasing a decision
To create the world society for everyone.

Chorus

The community with passion lays its life upon the line
As it builds the caring structures that allow new humanness to be defined.
Showing local people that they have full possibility
To catalyze engagement
And release the gifts of everyone to be the sign.

BYE BY BLACKBIRD

Pack up all my care and woe
Here I go singing low
Bye Bye Blackbird.
Where somebody waits for me
Sugar's sweet so is she
Bye bye blackbird.

No one here can love and understand me
Oh what hard luck stories they all hand me
Make my bed and light the light.
I'll arrive late tonight
Blackbird, Bye-bye.

CALIFORNIA: THIS STATE OF OURS

I have dined in L.A. sailed the great San Francisco Bay,
Headed my van down the stretch of I-5,
I have swung on old cable cars, followed the movie stars,
Seen Golden State people with light in their eyes.

From the grand Golden Gateway to the sands of Mojave,
Cross the valleys and the lakes to the trails of the Sierra,
From the Big Sur out in the West, up to My Shasta’s crest,
Something to sing about, this State of ours.

I’ve spent many fine days in the sunshine of Monterey,
Followed its heat up the long Napa road,
Seen it climb up the vines making sweet California wines,
Gleaming on hills making everything gold.

CHORUS

I have seen mountain snow give its water to the land below,
Down the long aqueduct and through desert pipe,
Filling peaches and apricots, fig trees and artichokes,
Feeding the world, giving everyone life.

CHORUS

I have seen fog that rests on the places the Spanish blessed,
Carmel, Eureka and Escondido
Names like Del Ray and Beverly, Fair Play and Joshua Tree,
Campsites of pioneers that made hist’ry grow.

CHORUS

I’ve been dazzled by orange trees, awed by Yosemite,
Treated my toes to the sweet morning dew,
While the cool summer breeze kissed the leaves of the Redwood trees,
Singing this song that I’m singing to you.

CHORUS

Yes, there’s something to sing about, tune up a string about,
Call out in chorus, or quietly hum,
Of a State that’s still young, with a ballad that’s still unsung,
Telling the promise of great things to come.

CALL OF THE EARTH

Planet of our birth. Lovely planet green and blue,
Calling now to me, to you. Calling for our care.

Refrain:
Come love the earth! Come spread the word!
Till everyone has heard and done their part,
Boundaries must go. Find new ways to learn and grow.
Rejoicing in our varied life. The heart will make it so!

People of my choice. Those who are the first to know,
You are those I trust to show all the world its voice.

CALLED TO CARE

Journey, all life is journey,
Or is it only turning round and round and round?
Dawning, it happens now and then
Suffering is revealed and
Opening gates to spirit s realm.

Chorus:
Yet here we are, living life anew.
Dark Night is seen through
And those who care are blessed again.
So here we go,
We live our life brand new

And as we do
We move as one
For we've been called to care
Living, we're fully living
Or are we all upon the sea of dreams alone?
Endless, it all is so absurd
For though we're so alive
It feels we only fight the wind.

Chorus

Myst'ry, it's all a myst'ry
For we are all engulfed in caring for this world. . .
Silence, enclosed in Being's arms,
Dying's now our life,
Because we give it all in faith.

Last chorus adds:
We move as one
For we've been called to care.

CALLED TO WALK IN THE WAY

CALLED TO WALK IN THE WAY
Tune; Put Your Hand in the Hand

Called to walk in the way of the man who stilled the water; Called to walk in the way of the man who calmed the sea; Called to live in the Word and be free to live for others; Called to walk in the way of the man from Galilee.

Hear the Word that's the Word that's been said for all God's creatures; Hear the Word that's the Word that's been said for you and me;
It's the Word about life you are called to give to your brother;
It's the Word that will give him his possibility.

Well, a voice comes, I hear it saying all too clearly; "You are my Son, with you I am well pleased!
Got a job to be done and life must needs be given,
Can't promise rewards and your pain will be increased."

Then the Spirit came and said, "Go into the desert!
There's a power-old Satan-he's the one you've got to meet." Forty days without food out there as a solitary;
Had to decide old Satan was the one that had to be beat.

Got the Word, can't hold it, have to say it-it is the gospel; The time has come! The kingdom it has arrived!
you must change your hearts and minds and believe this good news; It's the Word from which the future must be derived." .

Heal the sick, chase the demons, say the Word that says "forgiveness;" Take away all excuses for a life to be lived as dead.
Help each man you meet to make a new decision-
To pick up the past, live the future with all its dread.

There'll be betrayal and despair and denial-you'll be left all alone; And you'll wonder if the God who has called has gone away.
There'll be taunts and a hill and a cross all prepared for you,
Then the spear, flowing blood, final words ... has death won the day?

Feel the dankness and the darkness and the quietness of this closed-up tomb! Feel the relief that old death has prepared for you and me!
But the Lord calls again-look! The stone! **It** has been rolled away! Time to walk with the pain through the avenues of history.

Ha que fazer campos novos
Con beleza e loucania

Velha Ordem de Cister
Deixou-nos belas imagens
E o eco ainda ressoa
Por estas lindas paragens

Lamego, grande cidade
No passado e no presente
Com certeza no futuro
Vai, vai mesmo para a frente

Queremos ver em cada terra
Um bom Centro Social
Avante, que o de Lemego
Fara de mola real

Subamos as nossas serras

Para vermos novas terras

CARE IS EVERYWHERE

Refrain:
Care is everywhere, I see it
You are all that you can be,
Come on and be it.
Life is given, you receive it.
Come and be engaged with me.

Open yourself to the great celebration,
Offer your life to its joy and pain.
Life is the fruit of your own creation,
Everything you birth is hope regained.

Taking my life from the golden prairie,
All of nature's gifts there for you and me.
Guardians of the land we have chosen to be,
Sharing the fruits with humanity.

Circuit the globe like a flying stallion,
Race with the sun to the edge of night.
Wear your tools like a gold medallion,
Dance in the circle of its searing light.

Sing again twice

CAROL OF THE BELLS

Hark how the bells, sweet silver bells
All seem to say, throw cares away
Christmas is here, bringing good cheer
To young and old, meek and the bold

Ding dong ding dong, that is their song
With joyful ring, all carolling
One seems to hear, words of good cheer
From every where, filling the air

(up one tone)
Oh how they sound, show peace around
O’er hill and vale, telling their tale

(Change tune)
Gaily they ring, while people sing
Songs of good cheer, Christmas is here

Merry, merry, merry Christmas
Merry, merry, merry Christmas

(original tune)
On, on they send, on without end
Their joyful tone, to every home

Merry, merry, merry Christmas
Merry, merry, merry Christmas

(Quieter)
Hark how the bells, sweet silver bells
All seem to say, throw cares away

Bing bong, bing bong
Boom!

Mass rural mobilization
Catalyzed with replication
It is the sign of hope for
Building the earth together.

Kamweleni, Mugumoini bring about
New human vision
Kamweleni paves the way
For building the earth.

No matter what the cost
Our war will not be lost
Colleagues with history
Village leaders build he movement.

First the impact, then the training
Then come the circuit teams
Come join the spirit march
And build the new earth.

CEASELESSLY DRAWN

From the day we came to care
We have ceaselessly been drawn
To be the homeless ones
Standing presence of the dawn
The New Hope, the New World
Like ghosts around us whirl
Our lives have been captured
By this awesome swirl.

A rocky path in the fog
This march before us lies
Step by step our weary feet
Are answering the cries
The New Hope, the New World
They beckon to us still
And we are left perplexed
Fulfillment does not fulfill

In the darkness of our pain
There burns an awful light
And despite our humble weakness
We keep it in our sight
The New Hope, the New World
Our presence doth employ
And we are finally wordless
Before this final joy

CHLO-E

Chloe! Chloe!
Someone calling, no reply,
Night shades falling, hear him sigh,
Chloe! Chloe!
Empty spaces meet his eyes,
Empty arms outstretched, he's crying,

Through the black of night, I got to go where you are.
If it's wrong or right, I got to go where you are.
I'll roam through the dismal swampland searching for you
'Cause if you are lost there, let me be there too.

Through the smoke and flame, I got to go where you are
For no place could be too far where you are.
Ain't no chains can bind you, if you live, I'll find you,
Love is calling me, I got to go where you are.

CHURCH’S ONE FOUNDATION, THE

The Church’s one foundation
Is Jesus Christ her Lord,
She is his new creation
By water and the Word,
From heaven he came and sought her
To be his holy bride,
With his own blood he bought her,
And for her life he died.

Elect from every nation,
Yet one o’er all the earth,
Her charter of salvation,
One Lord, one Faith, one Birth;
One holy Name she blesses,
Partakes one holy food,
And to one hope she presses,
With every grace endued.

Mid toil and tribulation,
And tumult of her war,
She waits the consummation
Of Peace for evermore;
Till with the vision glorious,
Her longing eyes are blest,
And the great Church victorious
Shall be the Church at rest.

Yet she on earth hath union
With God the Three in One
And mystic sweet communion
With those whose rest is won:
O happy ones and holy!
Lord, give us grace that we,
Like them the meek and lowly,
On high may dwell with thee.

CITIZENS SONG

CITIZEN’S SONG

Tune: *Prinz Eugen*

Whether given high position
Born to rank or the condition
Of the poorest of the poor
Whether wearing clothes of fashion
Or old rags you couldn't cash in
These things, these things don't endure.

If we work hard, gain high placement
Or for years toil in the basement
Or we have no work that's sure
Even if we turn out lazy
Damned by all the world as crazy
These things, these things don't endure.

Whether gladly into battle
We march forth, or more like cattle
We are driven to the war
Even if we think we're victim
If the outcome is we've licked 'em
These things, these things don't endure.

But if we build new tomorrows
Gladly taking on the sorrows
Which accompany the cure
Or if all we do is chatter
'Bout ideals that just don't matter
These things, these things do endure.

Whether we are implementers
Social pioneers, inventors
Future vision to ensure
Or if we take the position
That it is another's mission
These things, these things do endure.

If we dare act out our passion
For those left out and to fashion
Ways their gifts can be assured
Or if like a sheltered flower
Frightened in a hole we cower
These things, these things do endure.

Therefore colleagues in our caring
Launch the journey with your daring
With your hearts and spirits pure
Join your hands with one another
Every human's now your brother
These things, these things will endure.

City 5 is a great place to be
In L.A. between the mountains and the sea,
We are one with world community
Living the style of humanity.

I live in the city – that’s Global City 5 –
And it’s a place that’s really come alive.
Red men, yellow men, black men and white
All work together to show their might.

The people who live in Global City Five
Have the task of creating the new life.
Building the patterns to set men free.
To live their lives in one community.

Global City 5 has folks from every land
Celebrating life that we have on our hands.

CLEMENTINE

In a cavern, in a canyon,
Excavating for a mine,
Dwelt a miner, forty-niner
And his daughter - Clementine

CHORUS:
Oh my Darling, Oh my Darling,
Oh my Darling Clementine.
Thou art lost and gone forever,
Dreadful sorry, Clementine.

Light she was and like a fairy,
And her shoes were number nine,
Herring boxes without topses
Sandals were for Clementine

Drove she ducklings to the water
Every morning just at nine,
Hit her foot against a splinter
Fell into the foaming brine.

Ruby lips above the water,
Blowing bubbles soft and fine,
But alas, I was no swimmer,
So I lost my Clementine

How I missed her! How I missed her!
How I missed my Clementine,
But I kissed her little sister,
And forgot my Clementine.

COCKEYED OPTIMIST

Sung by Mary Martin in “South Pacific”

When the sky is a bright canary yellow
I forget ev'ry cloud I've ever seen
So they call me a cockeyed optimist,
Immature and incurable green!

I have heard people
Rant and rave and bellow
That we're done;
And we might as well be dead.
But I'm only a cockeyed optimist
And I can't get it into my head.

I hear the human race is falling on its face
And hasn't very far to go.
But ev'ry whip-poor-will is selling me a bill
And telling me it just ain't so.

I could say life is just a bowl of jello,
And appear more intelligent and smart
But I'm stuck (like a dope!)
With a thing called hope;
And I can't get it out of my heart.
Not this heart.

COLORS OF MY LIFE

The colors of my life
Are bountiful and bold,
The purple glow of indigo,
The gleam of green and gold.
The splendor of the sunrise,
The dazzle of a flame,
The glory of a rainbow,
I'd put 'em all to shame.
No quiet browns and grays,
I'll take my days instead
And fill them till they overflow
With rose and cherry red!
And should this sunlit world
Grow dark one day,
The colors of my life
Will leave a shining light
To show the way...
No quiet browns and grays,

Sing all ye citizens of heaven above;

leaving their flocks, draw nigh with lowly fear
we too will thither hend our joyful footsteps;

COME BUILD A FUTURE

Come, build a future
Caring and free,
Working together, to build community.
Problems around us as far as eyes can see,
But every problem that co
mes along is opportunity
For us to
Move on together
To realize our dream:
Education, jobs for all and water that is clean.
Our Bay County can be a great sign to see
Of things that can be done.

COME FROM THE HEART

By Michael Masser and Linda Creed, 1977 Chorus is taken from an Irish blessing.

When I was a young girl, my daddy told me
A lesson he learned a long time ago
If you want to have someone to hold onto
You're gonna have to learn to let go.

Chorus:
You got to sing
Like you don't need the money
Love like you'll never get hurt.
You got to dance
Like nobody's watchin'
It's gotta come from the heart
If you want it to work.

Now here is the one thing I keep forgettin'
When everything is fallin' apart
In life as in love
You know I need to remember
There's such a thing as trying too hard.

COME MARCH ALONG

Come march along and we'll sing a new song
Come salute the Way of the dawning day
And death shall have no dominion here
Though clouds grow dark and the sun disappears
Though the wind blows cold we shall rise to

Call forth new children. new women. and new men
Call forth new families' together we shall see
That death shall have no dominion here
Though flames grow dark and hopes disappear
Though love blows cold we shall rise to

Bring forth the tired and sick' the restless and the meek
Bring forth new warriors who care, to build the earth
And death shall have no dominion here
Though times grow dark and vision disappears
Though trends blow cold we shall rise' so

Come march along and we'll sing a new song
Come salute the Way of the dawning day
And death shall have no dominion here.

You know that I would be a liar

Try to set the night on fire

The time to hesitate is through
No time to wallow in the mire
Try now we can only lose
And our love become a funeral pyre

COME THOU ALMIGHTY KING

Come, Thou almighty King,
Help us Thy Name to sing, help us to praise!
Father all glorious, o’er all victorious,
Come and reign over us, Ancient of Days!
Jesus, our Lord, arise,
Scatter our enemies, and make them fall;
Let Thine almighty aid our sure defense be made,
Souls on Thee be stayed; Lord, hear our call.
Come, Thou incarnate Word,
Gird on Thy mighty sword, our prayer attend!
Come, and Thy people bless, and give Thy Word success,
Spirit of holiness, on us descend!
Come, holy Comforter,
Thy sacred witness bear in this glad hour;
Thou Who almighty art, now rule in every heart,
And ne’er from us depart, Spirit of pow’r!
To Thee, great One in Three,
Eternal praises be, hence, evermore;
Thy sov’rein majesty may we in glory see,
And to eternity love and adore!

COME THOU FOUNT

Come, thou fount of every blessing, tune my heart to sing thy grace:
Streams of mercy, never ceasing call for songs of loudest praise,
Teach me some melodious sonnet, sung by flaming tongues above:
Praise the mount - I'm fixed upon it,. mount of thy redeeming love.

Here I raise mine Ebenezer; hither by thy help I'm come:
And I hope. by thy good pleasure. safely to arrive at home,
Jesus sought me when a stranger wandering from the fold of God;
He, to rescue me from danger. interposed his precious blood

O to grace how great a debtor daily I'm constrained to be!
Let thy goodness like a fetter. bind my wandering heart to thee:
Prone to wonder, Lord I feel it. prone to leave the God I love:
Here's my heart, O take and seal it: seal it for the courts above

Come to God's own temple. come. Raise the song of harvest home.

All the world is God's own field, fruit unto his praise to yield;
Wheat and tares together sown. unto joy or sorrow grown,
First the blade and then the ear. then the full corn shall appear:
Lord of harvest, grant that we wholesome grain and pure may be.

Even so, Lord, quickly come, bring thy final harvest home.

COMING HOME NEW JERSEY

Coming home New Jersey
From lands far away
Waves on distant shorelines
Beckon me to stay

 Gazing over farmlands
 Over forest peaks
 Walking through the cities
 Along the crowded streets

Ghosts of gentle giants
Pioneers of the land
Call me to New Jersey
To build my rainbow’s end

 Though I’m prone to wander
 Deep within I know
 Life could be no better
 Anywhere else I’d go

Coming home New Jersey
Beginning a new day
New worlds right inside me
Beckon me to stay

 Caring for new faces
 Sharing all my dreams
 Hoping in new places
 New community

Coming home New Jersey
Coming home to stay
Vision of tomorrow
See I’ve found my way

COMMON THREAD

Chorus:
We will rise like the ocean, we will rise like the sun,
We will rise all together, we will rise.
*In our many colored fabrics, made from strands of common thread
We will rise all together, we will rise.

In a many colored garden we are rising side by side,
We will rise all together, we will rise.
With the sun and rain upon us, not a row will be denied,
We will rise all together, we will rise.

Chorus

We can feed our grain to cattle and the rich man will be fed.
We will rise all together, we will rise.
Or we'll feed our grain to people so that millions will have bread.
We will rise all together, we will rise.

*Chorus, line 3: *No more will there be hunger in these strands of common thread.*

We'll defy the threat of violence, we'll no longer live in fright.
We will rise all together, we will rise.
With our arms around our neighbors we will walk into the light.
We will rise all together, we will rise.

*Chorus, line 3: *We will weave a freedom fabric from these strands of common thread*

From our children to our aged, we will rise, we will rise.
We will rise from all nations, we will rise.
We will build a global family made from strands of common thread.
We will rise all together, we will rise.

Consider yourself well in
Consider yourself part of the furniture
There isn't a lot to spare
Who cares?..What ever we've got, we share!

If it should chance to be we should see
Some harder days
Empty larder days, Why grouse?
Alsyas a-chance we'll meet
Somebody to foot the bill
Then the drinks are on the house!

Consider yourself our mate
We don't want to have no fuss,
For after some consideration, we can state
Consider yourself, one of us!

CONTEMPLATION

When in the midst of strife The other strikes my life	And in my past I find The fatefulness of time	And the Not-yet I see Is cut from under me	And deep within I see The fact that I just be
And that encounter Will not let me flee	But then a transfor- mation comes to me	So fast it comes as Possibility	And unrepeatably This one this self
It's then I honor him Though he be foe or friend	I then begin my poem In mystery alone	Then my reality Is change externally	Free passion then I live My depthless life I give
And I become the All that is not me.	And I am Adam In all History	And I become the All of yet to be	I find that I be Being in myself.

When the covered wagons hit the trail for Oregon
Men were going to the moon.

CREATE THE NEW WAY

Winds of change are whirling round and round
And a new world dawns; let everyone take heed.
Winds of change are whirling round and round
And they call for all to risk a deed.

All the past is but a stepping stone on the trek into this present day
But the future cries for something more, cries to all: create the new Way.
Winds of change are whirling round and round'
And I choose with those upon the Way.

What shall be, somehow, depends on me
What I am, have been and now decide to be
And all those of Way become my we
And this we becomes the larger me.

We the Way in time have ever been, with our now we march toward yet to be,
Ever on, to forge the ever new for mankind in all history
What shall be, somehow, depends on me,
And I'm one with those upon the Way.

Winds of change are whirling round and round
And a new world dawns, let everyone take heed.
Winds of change are whirling round and round
And they call for all to risk a deed.

CREATION

A time to set forth a new demand,
A time to look into the past,
For without "what has been," there is no "yet to be;"
Nothing that we do then could last.

Refrain:
We stand beyond our life and see,
We stand beyond our death and really see,
What's required of men who give their death to history;
And it is now that we must do
What other ones must always seek to be,
To discover what's required of us
To set men free.
No more must men live in poverty,
No more in strife-and disarray,
For when all the men create all the earth,
That shall be the new day.

Refrain
In those who choose to be all there is
Pain and misery are lost,
Transformed because they bring forth human life;
New life never comes but from a cross.

Refrain
The global task now has claimed our lives,
Who knows where our bodies they shall find?
But with us, anew, now the mystery appears,
The meaning of the life of all Mankind.

CRIES OF THE EARTH

There is—a people
Born of—new spirit
Hope is emerging—cries of the earth

Hear them—awakened
See them—engaging
Know them a people—called forth to serve

Hunger is everywhere
Rootless and wrapped in fear
Millions in search of something more; a new hope.

Old forms are swept away
Structures are in decay
Suffering invades every life; a new hope

NOW HEAR! GRASP THE VISION!

There is determination
Hope is the proclamation
Humanness the one creation
Unity the demonstration

BUILD THE NEW EARTH!

Hearing, we choose to heed the cry

Cusick, you can count on me,
 'til the sun dries up the sea.
Until then I'll always be
 Devoted to you.

I will care through endless time,
 I'll declare you're in your prime.
Guess by now you know that I'm
 Devoted to you.

Other towns see you, others believe
 Others will walk the way.
Your journey taken is all we know
 How to create a new tomorrow.

 Like the river, it will flow.

DARK NIGHT—LONG MARCH

La la la . . .

When Dark Night assaults my soul and nothing's presence fills the All,
And when the Fire burns out my love, I suffer Death (before I die)

I am marching through the Night, silence and stillness, blackened light,
Trusting that Heav'n will come at last and vanquish Hell.

Wounded so deep by Awe I swoon, oppressive weakness seals my doom,
No place to hide, no will to live, I suffer death (before I die)

I am marching through the Night, silence and stillness, searing light,
Myst'ry has won the war in me. I melt away.

I hear a Voice, "You are my Son, you are well-pleasing, Blessed one,"
I am the one who's come to life, born of the Fire (before I die)

I am marching through the Night, silence and stillness, filled with light.
Assured that Heav'n has made its shrine in darkest Hell.

And now Dark Night and I are friends. I'll trust the Long March never ends.
For now I see by Fire of Love. I've found the Way (before I die)

I am marching through the Night, silence and stillness, blazing light.
Leaping as one consumed by Fire. my passion born.

DAWNING

Longing for the life in a memory
For the joy of a past day
When the future was clear.
Was it a dream, or was life easier then
When the New Day seemed so near?

Restless for the end of this struggle,
For a vision of victory
For a moment of peace.
My life is driven by the suffering world.
Will this heartache never cease?

Darkest night, barely pale moonlight
There's no time to wait for the morning.
Hearts are burning and faces yearning
For a declaration of dawning.

Passion is a love beyond reason,
Is a truth beyond wisdom in a night without words.
Dreaming a dream that is beyond what we see,
For the New Day has begun.

DAWNS THE WORLD

Dawns the world of awful wonder, chained to my contingency.
All protection torn asunder. shame and weakness wounding me.
Then there groans a re-creation, born anew - within recast.
In unfolding transformation pains a passion unsurpassed.

Dawns the world of man's awareness, self-transcending liberty
Shaping self and world in boldness, sign for all humanity.
Then in lonely free creation, with no map of good or ill,
I decide in obligation. I surrender all my will.

Dawns the world of deep compassion yoked to life's strange harmony
Unrelenting in my mission doomed to die for history.
Bearing every time's long hour, every brother's agony.
I am strangely filled with power wondrous deeds are done through me.

Dawns the world of joyful living, shocked by truth's absurdity,
Earthly hopes and dreams forsaking, I am blessed with victory.
And in raptured self-denying, dancing in the arms of strife,
I perceive in final dying bleeds the glorious endless life.

Building the new city like ne’er before.

My desert is waiting,
Dear, come there with me.
I'm longing to teach you
Love's sweet melody.

Painting a picture for two:

Blue heaven and you and I,
And sand kissing a moonlit sky.
A desert breeze whisp'ring a
lullaby,
Only stars above you
To see I love you.

Oh, give me that night divine
And let my arms in yours entwine.
The desert song, calling,
It's voice enthralling

Will make you mine.

Das alles sind rein vergeblinche Werke.
Denn meine Gedanken zerreißen die Schranken
Und Mauern entzwei: die Gedanken sind frei!

Drum will ich auf immer den Sorgen entsagen
Und will mich auch nimmer mit Grillen mehr plagen.
Denn meine Gedanken zerreißen die Schranken
Und Mauern entzwei: die Gedanken sind frei!

DIE KREUZBERG OST LATERNEN

Vor der Kascrne.
Vor dem Schles'scilell Tor.
Standen Laterncn.
Und steh'n sie noch davor.
So woll’n wir uns da wiederseh'n
Bei den Laternen wolln wir steh'n,
In unser'm Kreuzberg Ost,
In unser'm Kreuzberg Ost

Unsere vielen Sichatten
Seh'n wle emer aus.
Dass wir so heb uns hatten,
Das sah man glelch daraus.
Und alle Leute soll'n es seh'n
Wenn wir bei den Laternen stehn,
In Unser'nl Krewbeig Ost,
In unser'm Kreuzberg Ost

Aus dem stiller Raume,
Aus der Erde Grund.
Hebt mich wie im Traumc
Nachbarn fest im Bund
Wenn sich die spaeten Nebel drehtn
Werd'n wir bei den Laternen stehtn,
In unser'm Krewberg Ost.
In unser'm Krewberg Ost.

DOOP SONG

Chorus: We meet as stakes
 Then as village, O,
 Then our guilds meet
 Village leaders meetings
 Through the steps of DOOP
 The village moves ahead now.

All the stakes, care for the people
All the stakes, gather the wisdom
Let us plan together, to have our plans to do.

All the village, decides the victories
All the village, creates the plan
If you don't believe it, come and please join us.

All the guilds, work for the village
All the guilds, have a winning plan
If you don't know what to do, come with your jembe.

All the leaders, claim the victories
All the leaders, remove the blocks
With a "yes" the village, moves into the future.

DREADFUL AWARENESS

Constantly conscious of dreadful awareness I plumb the abyss evermore.
With knowing intent, my own self I invent and I'm empty as never before,
Bound to my state. I am cast here by fate and excuse has no use anymore.
Man creates the world's design and I become man's sign.
Free, I will to be the self I am in history.

Free from the maze of conventional ways I decide for the right all alone.
My life's approved and my chains are removed, to this world I am mission I know.
I'm anchored fast in my true home at last, and the gods of this world now have flown.
I can feel my burdens lightened though I bear the world.
Free, I will to be the self I am in history.

Constantly conscious of dreadful awareness I plumb the abyss evermore.
Bound to my state, I am cast here by fate, and excuse has no use anymore.
My life's approved and my chains are removed. to this world I am mission I know.

DREAM OF EARTH

Listening to wind and tasting the rain
Questing on sacred plain
Ancestors beckon beyond life’s despair
Guarding the path of harmony’s care
Come, come oh Spirit transpose our prayer
DREAMING THE DREAM OF EARTH

Deepening the heart, surrendered and still
Waiting to know life’s call
Lightstream of hope makes fragments now whole
Healing our spirits and waking our souls
Come, come oh child and seize your right birth
BEING THE DREAM OF EARTH

Dancing our dreams and singing our sighs
Joining creation’s cry
Gifting the bliss of Mystery’s fate
Learning to live that all might create
Come, oh beloved return to joy’s mirth
SHARING THE DREAM OF EARTH

Journeying through fear and future unknown
Struggling at times alone
Watching above an eagle circle high
Resting on air, showing the way
Come Rainbow Warriors circle the globe
TRUSTING THE DREAM OF EARTH

EARTH IS HOME

We have seen the universe
Unfolding slowly like a rose
Beyond a lonely vision of our lives
And filled with awesome mystery and power
This is home.

We have travelled o'er the seas
And walked beside both rich and poor
Beyond our given heritage and hope
We stand with all and summon all to care
For our home.

All of the past
All that will be
The pain and joy
We're part of it all

And we declare to all the world
That hope is hopeful in our time
And cal the people out from every land
To care for this, this precious orb of blue
This is home.

Fairest Lord Jesus, Ruler of all nature,
O Thou of God and man the Son,

Robed in the blooming garb of sprng:

FAR AWAY PLACES

Far away places with strange sounding names
Far away over the sea,
Those far away places with the strange sounding names
Are calling, calling me.

Going to China or maybe Siam
I want to see for myself
Those far away places
I've been reading about
In a book that I took from a shelf.

I start getting restless
Whenever I hear
The whistle of a train
I pray for the day
I can get underway
And look for those castles in Spain.

They call me a dreamer,
Well maybe I am,
But I know that I'm burning to see
Those far away places
With the strange sounding names calling, calling me.

FAREWELL TO NOVA SCOTIA

The sun was setting in the west.
The birds were singing on every tree,
All nature seemed inclined for rest.
But still there was no rest for me.

Farewell to Nova Scotia, the seabound coast!
Let your mountains dark and dreary be,
For when I am far away on the briny ocean tossed,
Will you ever heave a sigh and a wish for me?

I grieve to leave my native land
I grieve to leave my comrades all.
And my aged parents whom I held so dear,
And the bonny, bonny lass I do adore.

The drums they do beat and the wars do alarm
The captain calls, we must obey,
So farewell, farewell to Nova Scotia's charms,
For it's early in the morning I am far, far away.

I have three brothers and they are at rest,
Their arms are folded on their breast,
But a poor simple sailor just like me,
Must be tossed and driven on the deep blue sea.

FIFTH CITY LOVE SONG

And I love you so, that people ask me how,
How I've lived till now, I tell them I don't know.
People say I've changed. that they don't understand,
Ever since the day, the day I took your hand.

First refrain:
And yes, I know how lonely life can be.
The shadows follow me, and night won't set me free.
But I don't let the evening get me down,
Now that you're around me.

And you love me too; your thoughts are just for me.
You make my heart alive and set my spirit free.
The book of life is brief, but once a page is read
All of love is there; this is my belief.

Repeat first refrain

You are City Five, Chicago's old Westside,
Where Iron Men first were born to build a global sign.
Oh yes I know you've changed, and some do not believe
This world has a new day since courage set you free.

Second refrain
And yes, we've known this world's great agony,
The billions still denied their hopes and destiny.
But we will go wherever they may be,
Till all communities live free.

I've lived with you so long, no other love have I,
Your pain is all my own, your buildings, streets and cries.
Soon I may pass away, but love will still remain,
The Iron Man standing tall, that all the world may gain.

FINISH OUR WORK

We are one body with the race of men.
All who are, will be. and e'er have been.
"You must not die," the dead cry out within,
"Finish our work! Finish our work!"

We choose to hear the cries from history,
Of pioneers in responsibility,
Who struggled for a world they did not see,
"Finish our work! Finish our work!"

We hear the voices of the saints of old
Of martyrs monks and churchmen who were bold
Who gave their lives the historic church to mold'
"Finish our work! Finish our work!"

We hear the coming generation
Demand we will the new formation
Of every local congregation

FLASHDANCE

First there was nothing but a slow, flowing dream.
That your fear seems to hide deep inside your mind.
All alone you have cried silent tears full of pride
In a world made of steal, made of stone.

But then you hear the music, close your yese, feel the rhythm
Wrap around, take a hold of your heart.

Chorus:
What a feeling when you're believing
Keeps revealing more than a feeling,
You can have it all, you are dancing for your life.

Take your passion, know what you're crying for
Make it happen, make it worth dying for
If you put on your shoes, you can dance right through your life.

Then at times when the road seems too long, seems too cold
And there's no one who cares quite like you do inside.
You have known from the start that you chose with your heart
With a passion that can't be denied.

FOOTPRINTS OF SIKAAKWA

Footprints of Sikaakwa
journeyed lakeshore sands,
creatures spinning stories
in winds haunting the land,
swimming, creeping, crawling—they came;
flying, walking, stalking—they gamed;
hunters, warriors, growers—they remained,
living lightly on the earth of Sikaakwa.

Footprints of Sikaakwa
turned rivers, changed terrain,
paving trails and forging rails,
farm ways to factory days—
exploring, trading, supplanting—they came;
building, inventing, investing—they gamed,
arts, industry, politics—they remained,
sculpting rising skyline peaks of Chicago.

Footprints of Sikaakwa
converged from all directions,
cultures clashed and merged,
stewing desire and introspection—
lab of urban life—they came;
center of courage and strife—they gamed;
movements calling for justice—they remained,
stirring brewing cauldron hope of Chicago.

Footprints of Sikaakwa
blaze new community,
people working together
to thrive sustainably—
welcoming young and old—they came;
joining the gifts of all—they gamed;
waking to Earth’s vision—they remained,
living boldly a real dream of Chicago,
living lightly on the earth of Sikaakwa,
living boldly a real dream of Chicago

FOR ALL THE SAINTS

For all the saints, who from their labors rest, who thee by faith before the world
confessed.
Thy name. O Jesus. be forever blest. Alleluia. Alleluia!

Thou wast their rock, their fortress. and their might: thou, Lord, their captain in the well-
fought fight: Thou. in the darkness drear, their one true light. Alleluia. Alleluia.

O may thy soldiers, faithful. true and bold. tight as the saints who nobly fought of old.
And win with them the victor's crown of gold. Alleluia. Alleluia!

O blest communion, Fellowship divine! We feebly struggle, they in glory shine:
Yet all are one in thee. for all are shine. Alleluia. Alleluia!

And when the strife is fierce. the warfare long. steals on the ear the distant triumph song,
And hearts are brave again. and arms are strong. Alleluia Alleluia!

But lo! there breaks a yet more glorious day,. the saints triumphant rise in bright array:
The king of glory passes on this way Alleluia. Alleluia!

From earth's wide bounds. from ocean's farthest coast,
through gates of pearl streams in the countless host
Singing to Father, Son. and Holy Ghost. Alleluia. Alleluia!

FOUR STRONG WINDS

Four strong winds that blow lonely,
Seven seas that run high,
All those things that don't change come what may.
But our good times are all gone,
And I'm bound for moving on,
I'll look for you if I'm ever back this way.

Think I'll go out to Alberta
Weather's good there in the fall
Got some friends that I can go to working for,

Still I wish you'd change your mind,
If I asked you one more time
But we've been through that a hundred times or more

If I get there before the snow flies,
And if things are going good,
You could meet me if I sent you down the fare.

But by then it would be winter;
Not too much for you to do,
And those winds sure can blow cold. away out there.

Shaping who man is, and the man who will be. I'm now becoming, endlessly.

Free am I. Fated to life and dying; there is naught to blame, life's a gift to receive
Feeling all men's woes and creating the future, I'm final measure. endlessly.

Free am I now beyond good and evil deciding the right and surrendering the deed
Ever smiled upon by the mercy of Being. I'm then commissioned, endlessly.

Free am I, coming home on the journey, putting gods to flight with the bend of the knee
Heavy burdens light, all life's cares made easy. I'm under judgment, endlessly.

FREEDOM

Our freedom lies in obedience
Of choosing the necessity,
And nothing can deliver us
From dreadful responsibility.

Refrain:
No recourse to the law,
No justification or righteousness,
No way to defend our deeds,
But we offer them up to the Mystery.

Now deed and self stand naked here
We own whatever we've brought to be.
No rules to rescue, no course to clear
From dreadful responsibility

FRIDAY MORNING

FRIDAY MORNING

It was on a Friday morning
That they took me from the cell,
And I saw they had a carpenter
To crucify as well.
You can blame it on to Pilate
You can blame it on the Jews,
You can blame it one the Devil,
It's God I accuse.
It's God they ought to crucify
Instead of you and me,
I said to the carpenter
A-hanging on the tree.

You can blame it on to Adam
You can blame it on to Eve
You can blame it on the apple,
But that I can't believe.
It was God that made the Devil
And the Woman and the Man,
And there wouldn't be an Apple
If it wasn't in the plan.
It's God they ought to crucify
Instead of you and me,
I said to the carpenter
A-hanging on the tree.

Now Barrabas was a killer,
And they let Barrabas go.
But you are being crucified
For nothing, here below.
But God is up in heaven
And he doesn't do a thing:
With a million angels watching,
And they never move a wing.
It's God they ought to crucify
Instead of you and me,
I said to the carpenter
A-hanging on the tree.

To hell with Jehovah,
To the carpenter I said,
I wish that a carpenter
Had made the world instead.
Goodbye and good luck to you,
Our ways will soon divide.
Remember me in heaven,
The man you hung beside.
It's God they ought to crucify
Instead of you and me,
I said to the carpenter
A-hanging on the tree.

FROM LITTLE THINGS BIG THINGS GROW

Gather round people let me tell you're a story
An eight year long story of power and pride
British Lord Vestey and Vincent Lingiarri
Were opposite men on opposite sides

Vestey was fat with money and muscle
Beef was his business, broad was his door
Vincent was lean and spoke very little
He had no bank balance, hard dirt was his floor

From little things big things grow
From little things big things grow

Gurindji were working for nothing but rations
Where once they had gathered the wealth of the land
Daily the pressure got tighter and tighter
Gurindji decided they must make a stand

They picked up their swags and started off walking
At Wattle Creek they sat themselves down
Now it don't sound like much but it sure got tongues talking
Back at the homestead and then in the town

From little things big things grow
From little things big things grow

Vestey man said I'll double your wages
Seven quid a week you'll have in your hand
Vincent said uh, uh we're not talking about wages
We're sitting right here till we get our land
Vestey man roared and Vestey man thundered
You don't stand the chance of a cinder in snow
Vince said if we fall others are rising

From little things big things grow
From little things big things grow

Then Vincent Lingiarri boarded an aeroplane
Landed in Sydney, big city of lights
And daily he went round softly speaking his story
To all kinds of men from all walks of life

And Vincent sat down with big politicians
This affair they told him is a matter of state
Let us sort it out, your people are hungry
Vincent said no thanks, we know how to wait

From little things big things grow
From little things big things grow

Then Vincent Lingiarri returned in an aeroplane
Back to his country once more to sit down
And he told his people let the stars keep on turning
We have friends in the south, in the cities and towns

Eight years went by, eight long years of waiting
Till one day a tall stranger appeared in the land
And he came with lawyers and he came with great ceremony
And through Vincent's fingers poured a handful of sand

From little things big things grow
From little things big things grow

That was the story of Vincent Lingairri
But this is the story of something much more
How power and privilege can not move a people
Who know where they stand and stand in the law

FUTURE OF KINNEY, THE

Beneath the swirl of dust and sand,
The Iron formation once began,
Centuries, creation of the Iron.

A lightning bolt that scorched the land,
A deep red vein that ran and ran,
The Giant lay sleeping on and on.

Chorus:
Made from the swirl of many centuries,
The Lightning Bolt of Iron.
Called from the towns of many nations,
The people made of iron.
Gathered in service to the whole world,
Kinney will mark her fame,
The Iron Range,
Sign to the World,
A future to be claimed.

Called from the towns of foreign lands,
The miners came in family bands,
Iron Men, they battled with the ore.

They dug the pits so vast and deep,
The Iron awoke from ancient sleep,
The ore that built our century.

Chorus

Today the stories still are told,
Of mighty Iron Men of old,
Who dreamed of new communities.

The Dream remembered from a few,
The Iron Men will start anew,
With visions of new vitality.

GAEA

Gaea is the living Earth, the ground where we stand.
Gaea is a part of us and we’re in her hand.
We are all one family of life and the Earth,
Wild ones, people, plants and rocks and water, air and land.

We can’t buy or sell the sky, the warmth of the land,
We don’t own the air, it isn’t ours to command.
Every part of Earth is sacred, each sandy shore,
Every humming insect, every bird that does soar.

Emblazon on your memory this beautiful Earth.
Remember you are part of her, she gave you your birth.
Her air shares its spirit with your life till you die.
The wind that gave your first breath will receive your last sigh.

Come and join the love and ecstasy of the dance.
Let your heart and body move, your life to enhance.
We don’t weave the web of life, we’re merely a strand.
Come, let’s sing and dance together, give me your hand

GENEVA CROSSROADS

From our ancient fathers our wisdom grows and grows,
Taking their past insight to build a brand new world.
NSV created, on behalf of all.
Iron Men create the future
For all men.

Refrain:
To Geneva Crossroads 400 people came
Francis, Paul and Luther, Kennedy and King
All of the earth belongs to every man.
Iron Men create the future
For all men.

Iron men are molded through exercise and games.
Healthy minds and bodies, become one and the same
Terrible Tummy Twister, Iron Man Handstand,
Iron Men create the future
For all men.

Refrain

Heads upon the water glide over the abyss,
Walking in the water, waiting for the sun.
Still the rain keeps falling, clouds will not disperse,
Iron Men create the future,
For all men.

GEORGE FOX

There's a light that is shining in the heart of a man,
It's the light that was shining when the world began.
There's a light that is shining in the Turk and the Jew
And a light that is shining, friend, in me and in you.

Old Leather Breeches
Shaggy, shaggy locks
(Music or repeat words)

With your old leather breeches
And your shaggy, shaggy locks
You are pulling down the pillars
Of the world. George Fox!

With a book and a steeple, with a bell and a key
They would bind it forever, but they can't, said he.
Oh, the book it will perish and steeple will fall
But the light will be shining at the end of it all!
Chorus.

"If we give you a pistol will you fight for the Lord?"
"You can't kill the devil with a gun or a sword".
"Will you swear on the Bible?" "I will not", said he
"For the truth is as holy as the Book to me".
Chorus.

There's an ocean of darkness and I drowned in the night
Till I came through the darkness to the ocean of light.
And the light is for ever and the light will be free,
And I'll walk in the glory of the light said he.

GIBSON TOWN LOVE SONG

GIBSON TOWN LOVE SONG

Tune: Lyda Rose

Tune: Sweet and Low sing
simultaneously

Gibson Town, our small southern town
What is the future that you hold?
Railroad town. once hustlin' around
With pioneers so bold.

What's in store,
For the world as you come alive.
And people see
You can make your dreams arrive

Oh, Gibson Town. with new plans
abound.
A vision grounded in the pain
Stories told. and people made bold.

A leader once again
We will build
A rural town for Mankind to see.

We will fill
A special role in history.
Oh, Gibson Town, we're making a
pledge
To work together more and more.

To build you up. make you shine.

The future's open door.
So here is our love song.
And isn't it tine.
Imagine it!
Gibson, a sign.
And people keen to strive,
To fill the pot. to better their lot,

Gibson Town, Gibson Town.
People are waiting,
The world around.
Are you ready?
Oh, Yes we're ready
To build a new town
So all the world can see
A new tomorrow.

Gibson Town, Gibson Town,
People are watching.
The world around.
Are you ready'!
Oh. yes we're ready
To build a new town
Right now!

Some people say that Europe is awakening,
And so do I, and so do I.
Some others say he role is now a-changing,
And so do I, and so do I.
The past is now converging with the future,
The times declare, the times declare.
All people shall be called to new adventure,
It's everywhere, it's everywhere.

Choreus:

Lands of Europe,
New world form the old
Future beckons,
Communities stand boldly
With new vision and new unity, new caring and new hope.

The nations of the world are calling Europe
To care fore all, to care for all.
To demonstrate the power of corporate action.
To work for all, to work for all.
The cultures of the world are here together,
To build for all, to build for all.
And demonstrate the hope for global village,
A sign for all, a sign for all.

GIVE THANKS
Tune: Wendy

Praise be to God the Father Almighty, praise be to God who came to
this earth.

Praise be to God the Spirit eternal, praise be to God forever.

Give thanks for the mystery that man cannot know or see;
The final reality whom we embrace, whom we embrace.

Give thanks that all life is good: give thanks that we are received;
Give thanks that the past's approved and the future is open, and the
future is open.

Give thanks that all men are free to live life responsibly;
Observe, judge, and weigh the fact, decide and act, decide and act.

Give thanks for the will to be the Church in all history;
To care for society and die our deaths, and die our deaths.

GOD

It is God that is always driving man to care about the coming day.
And yet God is the mystery who takes each man's security away.
It is God that makes man seek happiness. but does not allow his joy to stay.
It is God who gives every man his life, and God who takes his life away.

It is God that drives man to search for love, and yet man is constantly pursued.
By that force which finally casts each one out into loneliness and solitude.
It is God that drives man to knowledge and truth, but always denies him certitude.
It is God who drives every man his life, and God who takes his life away.

It is God that gives the desire to achieve, and yet death leaves man's work undone.
It is God that summons man to do good, and neglect his duty to none.
And yet God is the voice that pronounces guilt, for man's war with self is never won.
It is God who gives every man his life, and God who takes his life away.

Lo! the hosts of evil 'round us,
Scorn Thy Christ, assail His ways.
From the fears that long have bound us,
Free our hearts to faith and praise.
Grant us wisdom, grant us courage,
For the living of these days,
For the living of these days.

Cure Thy children's warring madness,
Bend our pride to Thy control.
Shame our wanton selfish gladness,
Rich in things and poor in soul.
Grant us wisdom, grant us courage,
Lest we miss Thy kingdom's goal,
Lest we miss Thy kingdom's goal.

Set our feet on lofty places,
Gird our lives that they may be,
Armored with all Christ-like graces,
In the fight to set men free.
Grant us wisdom, grant us courage,

GOING DOWN THE ROAD

Going down the road
Where it leads nobody knows
Dark and long the trail like
The subways of my mind
I walk the narrow line
Fear and trembling all the time

Crossing days and years
Bridges gone, cannot repair
Nameless as the sands
Of the hourglass of my mind
Walking in death's bind
Tears and laughter all the time

Carrying a heavy load
Wondering how long my strength will go
Ever struggling and stumbling
Down the detours of my mind
Yet somehow I still find
Joy and peace all the time

Loving all I see
Strange hope dances within me
Creation sighs and shouts
From the rooftops of my mind
Caring for humankind
Silence, stillness all the time

GRACE

“Where sin abounded, grace did all the more abound." Paul said.
The state of our whole life is this, that we are separated.
Separated from life’s aim and its origin;
Separated from ourselves and from other men.

Grace strikes when we are estranged from life's mystery.
From its greatness and its depth. its source and destiny.
Grace strikes when we are in great restlessness and pain.
And when all of life itself seems meaningless and vain.

Grace strikes when we are estranged from another life;
When relationships become tilled with human strife.
Grace strikes when we deeply feel this separation,
Because another life we've harmed through what we have done.

Grace strikes when in our self-hate we are in despair;
And the failures of our lives become too hard to bear.
Grace strikes when, year after year, the longed-for life does not appear
And all joy is gone away and courage turned to tear.

Sometimes at that moment while separated
A light breaks through, a word is said. "You are accepted."
A wave of light sometimes breaks through in that moment of great dread.
And a voice is heard to say, "You are accepted."

Grace strikes then. but we may not be better than before;
And believing may not be increased to any more.
But we are united to life's aim and origin,
Reunited to ourselves and to other men.

"Where sin abounded, grace did all the more abound." Paul said.
Now the state of our whole life is reunited.
Reunited to life's aim and its origin;
Reunited to ourselves and to other men.

GUILDSMAN CALL TO ARMS

Guildsmen call forth human passion
Be resurgent life
Build the Earth and be the craftsmen
Be resurgent life

Did you call for guildsmen true
For servant soldiers of the league
Launching global tactics to
Enable man's globality
Visioning communities
Engaging in resurgent life
Serving parish needs
To bring it humanizing change
On behalf of all mankind
Healing suffering
And giving life to local man.

Guildsmen sound the call to bring
The cabaret of life to all
In the day to day of life
A joyous dance, a waltz, a ball

Standing in the sweep of time
Creating bold new humanness
Celebrating life
Courageous clowns of history
Revealing fate as destiny
Fighting knights who give to all men
Authentic life.

Did you call for miracles?
For dedicated global men?
We have come to beckon you
Resurgent times are here

ADVANCE
Though the future blinds our lives
We can engage to build the Earth
And be the sign that all the Earth
Belongs to every local man
Bear the mark of this demand
That's how we give our lives to care
In global guilds.

Longing for a place to build

HAIL TO THE LORD’S ANOINTED

Hail to the Lord’s anointed, great David’s greater Son!
Hail in the time appointed, His reign on earth begun!
He comes to break oppression, to set the captive free;
To take away transgression and rule in equity.

He comes in succor speedy to those who suffer wrong;
To help the poor and needy, and bid the weak be strong;
To give them songs for sighing, their darkness turn to light,
Whose souls, condemned and dying, were precious in His sight.

By such shall He be fearèd while sun and moon endure;
Beloved, obeyed, reverèd; for He shall judge the poor
Through changing generations, with justice, mercy, truth,
While stars maintain their stations, or moons renew their youth.

He shall come down like showers upon the fruitful earth;
Love, joy, and hope, like flowers, spring in His path to birth.
Before Him, on the mountains, shall peace, the herald, go,
And righteousness, in fountains, from hill to valley flow.

Arabia’s desert ranger to Him shall bow the knee;
The Ethiopian stranger His glory come to see;
With offerings of devotion ships from the isles shall meet,
To pour the wealth of oceans in tribute at His feet.

Kings shall fall down before Him, and gold and incense bring;
All nations shall adore Him, His praise all people sing;
For He shall have dominion o’er river, sea and shore,
Far as the eagle’s pinion or dove’s light wing can soar.

HAIL, KNIGHT OF THE WOEFUL COUNTENANCE

Hail, Knight, of the Woeful Countenance,
Knight of the Woeful Countenance!
Wherever you go People will know
Of the glorious deeds of the Knight of the Woeful Countenance!

Farewell and good cheer, oh my brave cavalier,
Ride onward to glorious strife.
I swear when you're gone I'll remember you well
For all of the rest of my life!

Hail Knight of the Woeful Countenance,
Knight of the Woeful Countenance!
Wherever you go,
Face to the foe,
They will quail at the sight of the Knight of the Woeful Countenance!

Oh valorous Knight, go and fight for the right,
And battle all villains that be.
But know when you do, what will happen to
You Thank God I won't be there to see!

HAPPY

Written by Pharrell Williams 2013 <http://www.youtube.com/watch?v=y6Sxv-sUYtM>

Verse 1: It might seem crazy what I’m about to say
Sunshine she’s here, you can take a break
I’m a hot air balloon that could go to space
With the air, like I don’t care baby by the way

[Hook:]
Because I’m happy
Clap along if you feel like a room without a roof
Because I’m happy
Clap along if you feel like happiness is the truth
Because I’m happy
Clap along if you know what happiness is to you
Because I’m happy
Clap along if you feel like that’s what you wanna do

Verse 2: Here come bad news talking this and that
Yeah, give me all you got, don’t hold back
Yeah, well I should probably warn you I’ll be just fine
Yeah, no offense to you don’t waste your time
Here’s why

[Hook]
[Bridge:]
Happy, come on, bring me down
Happy, come on, bring me down
Love is too happy to bring me down
Come on, bring me down
I said bring me down
Come on, bring me down
Love is too happy to bring me down
Come on, bring me down
I said

[Hook x2]
[Bridge 2:]
Bring me down... can’t nothing...
Bring me down... your love is too high...
Bring me down... can’t nothing...
Bring me down, I said (let me tell you now)

HARK THE GLAD SOUND

1. Hark the glad sound! The Savior comes,
The Savior promised long;
Let every heart prepare a throne
And every voice a song.
2. He comes the prisoners to release,
In Satan's bondage held.
The gates of brass before Him burst,
The iron fetters yield.
3. He comes from thickest films of vice
To clear the mental ray
And on the eyeballs of the blind
To pour celestial day.
4. He comes the broken heart to bind,
The bleeding soul to cure,
And with the treasures of His grace
To enrich the humble poor.
5. Our glad hosannas, Prince of Peace,
Thy welcome shall proclaim
And heaven's eternal arches ring
With Thy beloved name.

HARK THE HERALD ANGELS SING

Hark! The herald angels sing
Glory to the newborn King
Peace on earth and mercy mild
God and sinners reconciled

Joyful all ye nations rise
Join the triumph of the skies
With angelic host proclaim
Christ is born in Bethlehem
Hark! The herald angels sing
Glory to the newborn King

Christ by highest heaven adored
Christ, the everlasting Lord
Late in time behold Him come
Offspring of a Virgin's womb

Veiled in flesh the Godhead see
Hail the incarnate deity
Pleased as man with man to dwell
Jesus, our Emmanuel
Hark! The herald angels sing
Glory to the newborn King

Hail, the heaven born Prince of Peace
Hail, the Son of Righteousness
Light and life to all He brings
Risen with healing in His wings

Mild He lays His glory by
Born that man no more may die
Born to raise the sons of earth
Born to give them second birth
Hark! The herald angels sing
Glory to the newborn King

HARVEST TIME

The seed I have scattered in springtime with weeping, and watered with tears and with
dews from on high:
Another may shout when the harvesters reaping, shall gather my grain in the sweet by
and by.

Refrain:

Over and over, yes, deeper and deeper, my heart is pierced through with life's
sorrowing cry.
But the tears of the sower and the songs of the reaper shall mingle together in joy
by and by.
By and by, by and by, by and by. by and by.
Yes the tears of the sower and the songs of the reaper shall mingle together in joy
by and by.

Another may reap what in springtime I've planted. Another rejoice in the fruit of my pain.
Not knowing my tears when in summer I fainted while toiling sad-hearted in sunshine
and rain.

Thorns will have choked and the summer sun blasted the most of the seed which in
springtime I've sown.
But the Lord who has watched while my weary toil lasted will give me a harvest for what
I have done.

Coda:

Then palms of victory, crowns of glory, palms of victory. I shall wear.

HE LEADETH ME

He leadeth me: O blessed thought!
O words with heavenly comfort fraught!
Whate'er I do, where'er I be,
Still 'tis God's hand that leadeth me.

Refrain:

He leadeth me, he leadeth me;
By his own hand he leadeth me:
His faithful follower I would be,
For by his hand he leadeth me.

Sometimes mid scenes of deepest gloom,
Sometimes where Eden's bowers bloom,
By waters calm, o'er troubled sea
Still 'tis his hand that leadeth me.

Lord, I would clasp thy hand in mine,
Nor ever murmur or repine;
Content, whatever lot I see,
Since 'tis my God that leadeth e.

And when my task on earth is done,
When by thy grace the victory's won,
E'en death's cold wave I will not flee,
Since God through Jordan leadeth me.

HERALDS OF CHRIST

Heralds of Christs, who bear the King’s commands, immortal tidings in your mortal hands.
Pass on and carry swift the news ye bring: make straight, make straight the highway of the King.

Through desert ways, dark fens, and deep morass, through jungles, sluggish seas and mountain pass.
Build ye the road, and falter not, nor stay; prepare across the earth the King’s highway.

Where once the crooked trail in darkness wound let marching feet and joyous song resound;
Where burn the funeral pyres, and censers swing, make straight, make straight the highway of the King.

Lord, give us faith and strength the road to build, so see the promise of the day fulfilled.
When war shall be no more and strife shall cease upon the highway o f the Prince of Peace.

HERE AM I, SEND ME

Refrain:
So many faces
Now a part of me
Soon I must leave, yes and
Far away places
Now beckon me
To rise off weak knees
HERE AM I, SEND ME

Foxes I know have holes
And birds have nests to rest their heads
But I keep moving on
A stranger yet belonging
To heaven and earth’s new song

Refrain

The Mystery’s calling
I can hear its ringing in my ear
The road is dark as hell
Yet ‘til I hear death’s knell
I will walk where the faithful fell

Refrain

I’ve asked myself a thousand times
Why am I the chosen one
I’d hoped to settle down
Lead a normal life in town
Yet I’m called to be earth’s clown

Refrain

Sometimes I feel so tired and lost
And shout I just don’t care
But then a suffering face
A long, forsaken place
Brings me back to join life’s race

I know a dark secluded place

A place where no one know your face

A glass of wine a soft embrace

It’s called Hernando’s Hideaway,

Just knock three times and whisper low

That you and I were sent by Joe

Then strike a match and you will know

Your in Hernando’s Hideaway

If you go to the Golden Fingerbowl

Or any other place you know

You meet your uncle Max

And everybody else you know

But if you meet me at the place that I am thinking of

We're a stake at work and all of life is fine.

We actuate our dreams
Our village is a great sign to the world.

I am the chief
Of a very famous place
Where the people build their plans across the land.
They say they cannot wait
The teamwork it is great
I think I'm at the centre of the world.

Hey, Delta Pace, what's that new face you have on?
Have you seen a dream and found a new way to care?
And do you plan to dare
To find a way to share
Your vision with the State and with the world?
From Greenville to the hills of Tupelo.
From the river to thc Gulf of Mexico.
The Magnolia State is looking for a sign.
Of local man’s care forr all Mankind.

Thc struggle of the Grey and the Blue
Freed all men to create and build anew.
They joined their hands to clothes and feed the world.
And waited for the promise of their toil.

When the youth of Delta Pace are all grown.
They'll know they do not stand there all alone.
From across the globe the flood of those who care
Will stand and sing the victory we share.
The South is standing tall in a new day.
The Delta land is forging the new day.
Graciousness and kindness are not gone;
Come join us as we sing and march along.

Last refrain:

Hey, Delta Pace has found a brand new day.
We have seen a dream and found a way to care.
And now we plan to dare to be the means to share.

Holy, holy, holy, though the darkness hide thee,
Through the eye of sinful man thy glory may not see,
Only thou art holy: there is none beside thee,

HOME GROWN

A song about urban farming, the freedom gained through growing your own.
Written by Keith Cross 2012 <http://keithcrossmusic.com>

Chorus (4 times)
I got that homegrown,
I don't care about the dow jones
the economy could crash tonite
and your whole life savings couldn't
change your life

I'm a crop farmer i got what you need
but i ain't blowing smoke
when i say i grow trees
its funny this economy is based on greed
but people don't farm
who got mouths to feed

Some folks save money I save seeds
i don't water my lawn or spray weeds
the money i do spend on watering crops
i give right back 'cause
I don't shop for groceries

I got breakfast lunch and
dinner in the yard
so that recession ain't hitting me as hard
Plus I grow exponentially
Whatt?? The Wall Street Journal
never mentioned me??

Chorus

See I'm a city boy all the way urban
but I ain't going out
like the Pharaoh's servants
To eat they sold the land and cattle for
cheap then they gave their bodies
up to the forty hour week

In the city where pity runs low
You can't grow food in a loft
an apartment or a condo
so now you work for the dollar and man
when all you needed was
sun air water and land
they think they own the water and land
but they confused
god is billing them for what they charge

me to use if they could sell air and sunlight
they would
We'd suffocate
and every day would be nite
up in the hood but its all good....

Chorus

One seed and I get a tree or a whole vine
tens or even hundreds of fruit at one time
so while the dollar bill's
steadily losing its strength
I got enough food to feed
ten families on my fence

enough melons to make farmers out of felons
Turn gangsters into gardeners
cause now they smart enough
to keep the system from starving us
They ain't dropout they know the math
on which seeds and which stars is up

We goin back to the old ways except
We technologically
and metaphysically adept
Yep like in the ancient times
when we could speak
with animals cause they was kin
and they wasn't meat
Y'all wanna eat??

Chorus

I'm not done yet
I've got a few things
I want to leave you all with
To get the spirit of home grown ...

You see by myself I can never grow enough
That's why me and my neighbors
don't grow the same stuff,
We don't measure, we don't trade,
we don't charge,
We give it away the way we got it from God.

HOPE NOW LIVES IN YOU AND ME

The world is in confusion new,
The children crying all around
We've seen the forest gone to dust
And now what is our fate?

A world where all can eat their fill
To have their hunger satisfied
For hope lies there still unfulfilled
That all can have their pain made still.

We've looked at life from both sides now,
From pain and joy and still somehow.
We wonder what the world will be
For hope now lies in you and me.

HOPE OF THE WORLD

Hope of the world, thou Christ of great compassion, speak to our fearful hearts by conflict rent.
Save us, thy people, from consuming passion, who by our own false hope and aims are spent.

Hope of the world, God’s gift from highest heaven bringing to hungry souls the bread of life,
Still let thy Spirit unto us be given to heal earth’s wounds and end her bitter strife.

Hope of the world, afoot on dusty highways, showing to wandering souls the path of light;
Walk thou beside us lest the tempting byways lure us away from thee to endless night.

Hope of the world, who by the Cross didst save us from death and dark despair, from sin and guilt;
We render back the love thy mercy gave us; take thou our lives and use them as thou wilt.

Hope of the world, O Christ, o’er death victorious, who by this sign didst conquer grief and pain;
We would be faithful to thy Gospel glorious: Thou art our Lord! Thou dost forever reign.

HOUSE OF THE RISING SUN

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God, I know I'm one

My mother was a tailor
She sewed my new blue jeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and trunk
And the only time he's satisfied
Is when he's on a drunk

Oh, mother, tell your children
Not to do what I have done
Spend your lives in sin and misery
In the house of the rising sun

Well, I got one foot on the platform
The other foot on the train
I'm goin' back to New Orleans
To wear that ball and chain

Well, there is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God, I know I'm one

HOW FIRM A FOUNDATION

How firm a foundation, ye saints of the Lord, is laid for your faith in his excellent Word!
What more can he say than to you he hath said, to you who for refuge to Jesus have fled?

"Fear not. I am with thee: O be not dismayed, for I am thy God, and will still give thee aid:
I'll strengthen thee, help thee. and cause thee to stand. upheld by my righteous. omnipotent hand."

"When through the deep waters I call thee to go. the rivers of woe shall not thee overflow;
For I will be with thee thy troubles to bless. and sanctify to thee thy deepest distress."

"When through fiery trials thy pathways shall lie, my grace, all-sufficient, shall be thy supply:
The flame shall not hurt thee: I only design thy dross to consume. and thy gold to refine."

"The soul that on Jesus still leans for repose. I will not. I will not desert to his foes;
That soul. though all hell should endeavor to shake. I'll never. no newer. no never forsake!"

HOW SWEET THE NAME OF JESUS SOUNDS

How sweet the name of Jesus sounds
In a believer’s ear!
It soothes his sorrows, heals his wounds,
And drives away his fear.

It makes the wounded spirit whole,
And calms the troubled breast;
‘Tis manna to the hungry soul,
And to the weary, rest.

Weak is the effort of my heart,
And cold my warmest thought;
But when I see Thee as Thou art,
I’ll praise Thee as I ought.

Till then, I would Thy love proclaim
With every fleeting breath;
And may the music of Thy Name
Refresh my soul in death.

I AM DWELLING

Chorus:

I am dwelling on the tranquil sea; peace is swelling tides of victory
And waves of joy are crashing on the shoreline of life's unending sea.

Final dawn is gleaming on the crystal sea; everywhere there's meaning, awful clarity
And boundless deeps are seen amidst the shadows of life's unending sea.

The storms of life are raging round the peaceful sea; hopes no more assuaging, strange
the victory
No earthly foes, nor cares to harm the journey on life's unending sea.

Risen life is surging on the endless sea; history's peoples merging, one community
The sting of death is swallowed up in victory on life's unending sea.

Everywhere there's meaning on the crystal sea; in the storm that's raging, peace and
victory
And waves of joy are crashing on the shoreline of life's unending sea.

Hear me now. O thou bleak and unbearable World!
Thou art base and debauched as can be;
And a knight with his banners all bravely unfurled
Now hurls down his gauntlet to thee!

Refrain:

I am I, Don Quixote
The lord of La Mancha.
My destiny calls and I go;
And the wild winds of fortune
will carry me onward,
Oh whithersoever they blow.

Hear me heathens and wizards and serpents of sin,
All your dastardly doings are past.
For our holy endeavor is now to begin
And virtue shall triumph at last!

Refrain

The trumpets of glory now call me to ride
Yes. the trumpets are calling to me.
And wherever I ride ever staunch at my side
My squire and my lady shall be.

Refrain

Coda:
Whithersoever they blow, onward to glory I go!

Descant:

I'm Sancho, yes I'm Sancho,
I'll follow my master till the end
I'll tell all the world proudly
I'm his squire, I'm his friend.

I AM THE ONE

I am the one set free to embrace the world, I am the one compelled all to give.
I am the one condemned to be ever sorrow-filled and to die each moment that I live.
I am amazed my life is in history, I am amazed this world's where I'm bound.
I am amazed I'm one with creation s family and in each the mystery is found.

The guardian of the world for all eternity, living, living, with all who've gone before,
The director of the world in all its future, and the key history is waiting for.
The wiseman who can always know his knowing, standing, standing ever in the fray.
The watchman who is always on the stage in every single age,

I have a dream, a song to sing
Releasing hope in everything.
If you see the wonder
Of this fragile sphere,
You can shape the future
Live beyond your fear.
I believe in wonder
Something new in everything I see.
I believe in wonder
And I know this world is right for me.
I've crossed the stream.
I have a dream.

I have a dream of what's to be
That all create our destiny
And the destination
Makes it worth the while
Pushing through the darkness
Still another mile.
I believe in wonder
Something new in everything I see.
I believe in wonder
And I know this world is right for me
I've crossed the stream.

I BELIEVE IN YOU

by Bette Midler
http://www.youtube.com/watch?v=_m74LodrRxE

I don't believe in super stars,
In fancy foods or foreign cars
That Hagan Daaz and motherhood
Has done my body any good
That Elvis is alive and well,
That courtesy has gone to hell
That kindness is in short supply;
That little kids should have to die.
But I believe in love;
I believe in dreamers;
I believe in miracles;
And I believe in you.

Well I don't believe virginity
Is as common as it used to be
That left is wrong and right is right;
That black is black and white is white
That the Beatles could be history,
The 60s just a memory
That war will ever go away;
That Johnny Carson's had his day.
But I believe in love;
I believe in angels;
I believe in mommas and dads;
And I believe in you.

I know with almost certainty
What's going on with you and me
Is a good thing
I know it's true, I believe in you.

Now I don't believe that heaven waits
For only those who congregate
I like to think that God is love—
He's down below, He's up above
And He's watching people everywhere;
He knows who does and doesn't care
And I'm an ordinary girl
Trying to make my way in this old world
And I believe in love;
Yes I believe in music;
I believe in promises;
And I believe in you.

Well, I know with almost certainty
What's going on with you and me
Is a good thing, a good thing
And I know it's true, I believe in you.

You know darling, I believe in love;
Yes, I believe in dreamers;
I believe in miracles;
And I believe in you.

Come on baby, I believe; yes, I believe;
I believe in promises, and I believe in you.
Baby, say you believe in love;
Say you believe in dreaming;
Believe in blue skies - because I believe in
you.

I COME FROM ANCIENT BAYAD

I come from ancient Bayad
It's been there quite a while;
People farming foule and wheat
With water from the Nile.

The people of El Bayad
Have learned to live as one
With all that nature's given them,
Sweet water, sand and sun.

The times are changing Bayad;
Bright lights now greet the stars;
Waterlines bring life to all;
Roads bang folk from afar.

New industries in Bayad;
The desert sprouting green;
Hopes and dreams begin to swell;
The possible is seen.

Bayad's showing Egypt
The way to build the earth;
Releasing Local Man to care
Brings humankind rebirth.

Old despair is finally in the past

The loveliness of Paris seems somehow sadly gay
The glory that was Rome is of another day
I've been terribly alone and forgotten in Manhattan
I'm going home to my city by the bay

I left my heart in San Francisco
High on a hill, it calls to me

I LOVE TO TELL THE STORY

I love to tell the story of unseen things above,
Of Jesus and his glory, of Jesus and his love.
I love to tell the story because I know ‘tis true;
It satisfies my longings as nothing else can do.

Refrain (and between verses):

I love to tell the story,
‘Twill be my theme in glory,
To tell the old, old story
Of Jesus and his love.

I love to tell the story; more wonderful it seems
Than all the golden fancies of all our golden dreams.
I love to tell the story, it did so much for me;
And that is just the reason I tell it now to thee.

I love to tell the story; ‘tis pleasant to repeat
What seems, each time I tell it, more wonderfully sweet.
I love to tell the story, for some have never heard
The message of salvation from God’s own holy Word.

I love to tell the story, for those who know it best
Seem hungering and thirsting to hear it like the rest.
And when, in scenes of glory, I sing the new, new song,
‘Twill be the old, old story that I have loved so long.

I'm a stranger in an unfriendly world.
I'm a stranger, I'm a stranger,
In an unfriendly world.

Oh, Brother, won't you help me.
Oh, Brother, won't you help me to pray.
Oh, Brother, won't you help me.
Won't you help me in the service of the Lord.

Oh, Sister, won't you help me.
Oh, Sister, won't you help me to work . . .

Oh, Preacher, won't you help me.
Oh, Preacher, won't you help me to fight

Falling down, falling down,
I am always falling down.

I'm Global Man
I live in Global City-
We're here to share and to
 Show our care
By building a global city.

Here alive, in Global City 5
We give our lives for the future.
All at last now have grasped the task

I'M IN THE MOOD FOR LOVE

I'm in the mood for love simply because you're near me
Funny but when you're near me, I'm in the mood for love.
Heaven is in your eyes, bright as the stars we're under,
Oh, is it any wonder, I'm in the mood for love.
Why stop to think of whether this little dream might fade,
We´ve put our hearts together - now we are one, I'm not afraid.
If there's a cloud above, if it should rain, we'll let it.
But for tonight forget it, I'm in the mood for love.

Where am I headin'? I ain't certain.
All I know is I am on my way!

When will I be there? I don't know.
When will I get there? I ain't certain.
AllI know is I am on my way!

Got a dream, boy! Got a song!
Paint your wagon and come along!

IF I HAD A HAMMER (ALL OVER THIS LAND)

If I had a hammer
I'd hammer in the morning
hammer in the evening
all over this land

I'd hammer out danger
hammer out a warning
I'd hammer out love between
my brothers and my sisters
all over this land

If I had a bell
I'd tinkle in the morning
tinkle in the evening time
all over this land
I'd tinkle out that danger
I'd tinkle out a warning
tinkle out love between

IF YOU EVER CROSS THE BLUE BRIDGE

IF YOU EVER CROSS THE BLUE BRIDGE

Tune: Galway Bay

If you ever cross the Blue Bridge on the Island.
And see the gantries reaching for the skies,
A sign of local man's new aspirations
The care and hope for which the future cries.

The dawning of each new day on the Island
Shows a promise of the future for the world.
That is carried round the globe by ships that leave there
And sail the seas with national flags unfurled.

Oh, the future holds a promise for the Island.
Excitement is the mood that signifies
A newborn faith and hope for life in Dockland
Community that cares and never dies.

IMAGINE

By John Lennon
<http://www.youtube.com/watch?v=J-t2ouOLYYw>

Imagine there's no heaven
It's easy if you try,
No hell below us,
Above us only sky,
Imagine all the people,
Living for today.

Imagine there's no countries,
It isn't hard to do
Nothing to care or die for
And no religion too.
Imagine all the people
Living life in peace.
You may say I'm a dreamer
But I'm not the only one
I hope some day you will join us
And the world will live as one.

Imagine no possessions
I wonder if you can,
No need for greed or hunger,
A brotherhood of man.
Imagine all the people,
Sharing all the world, yu-huh.
You may say I'm a dreamer,
But I'm not the only one
I know some day you'll join us,
And the world will live as one.

IMMORTAL, INVISIBLE, GOD ONLY WISE

Immortal, invisible, God only wise,
In light inaccessible, Hid from our eyes,
Most blessed, most glorious, The Ancient of Days,
Almighty, victorious, Thy great Name we praise.

Unresting, unhasting, And silent as light,
Nor wanting, nor wasting. Thou rulest in might;
Thy justice like mountains high soaring above
Thy clouds which are fountains of goodness and love.

To all life Thou givest, to both great and small;
In all life Thou livest, the true life of all;
Thy wisdom so boundless, Thy mercy so free,
Eternal Thy goodness, for naught changeth Thee.

Great Father of Glory, Pure Father of Light,
Thine angels adore Thee, All veiling their sight;
All laud we would render; O help us to see
'Tis only the splendor of light hideth Thee.

IN LORNE DE L'ACADIE

The frozen snow is melting.
In Lorne de l'Acadie.
The ocean wind is blowing.
In Lorne de l'Acadie.
It whispers dreams of freedom.
It carries seeds of hope.
Hope that renders fulfillment.
Living, living endlessly.
Hope that's born of a struggle.
To find a way to be.

The forest yields its bounty,
To those who plumb its depth.
The soil will bear a harvest,
To those who till its breadth.
The long lost wandering lover
Will find her home at last
Find the place of engagement,
Caring. caring endlessly.
Find the way to be human.
With man in history.

The sun is shining brightly.
On Lorne de l'Acadie.
The Bay is flowing calmly,
By Lorne de l'Acadie.
It bears a word of courage.
To lands across the sea:
See the face of the planet,
Changing. changing endlessly;
See the shape of the future.
In what we do and be.

At night the shadows gather.
In Lorne de l'Acadie.
But hearts are bright and steadfast,
In Lorne de l'Acadie.
For victory knows its birthplace
In care that never ends,
Care that conquers frustration.
Dancing. dancing endlessly.
Care that's free and obedient,
To give creatively.

IN THE FULLNESS OF EARTH’S TIME

In the fullness of earth’s time
In the silent desert night
Unfolds a rose and lifts its head
To the wonder of dawn’s light
Praising life’s strange plight

Creation’s timing is perfect
Its Mystery rebirth

In the stillness of earth’s space
In a crowded city place
Awakes a soul and lifts his head
To the wonder of his fate
Called to lead life’s race

Creation’s timing is perfect
Its chosenness rebirth

In the fullness of earth’s time
Across five thousand lands
Stretch the arms of woman and man
To build the earth again
Joined in life’s strange dance

IN THE STILLNESS OF THE SUN

In the stillness of the sun
The gentle Way will overcome
No footprints left when planting’s done

Now new worlds sigh
Restless seeds rise
Pushing hope far beyond all hope to the sky
Bearing fruit for the poor
Now saluting earth’s scorned
Breaking the crust of death’s guise

In the stillness of the sun
The gentle Way will overcome
No footprints left when harvesting’s done

New giants cry
Silently stride
Wrestling hope’s birthright from old worlds soon to die
Gazing boldly through scars
Leagued forever with stars
Anointing the care of life’s wise

In the stillness of the sun
The gentle Way will overcome
No footprints left when victory’s won

IN THE WORLD OF SPIRIT

In the world of spirit, radically contingent, trustful expectation, intense shock
Life's impacted by the mystery, and it's all a cloud of awe!
In the world of spirit, revelation of enigma, wheel of fortune, no excuse
One essential task, create the world, sudden reeling, mystery's won the day.

Oneness of all creation, wholly engulfed in marching with all of history,
Binding the wounds of time, everything's worthwhile.
The other world you see through all and move mountains, and there's none to show the way,
All in love with life and all poured out.

In the world of spirit, resurrectional existence, gloriously condemned to waltz.
Rapture walks with woe, struck dumb by bliss, playing in a symphony.
In the world of spirit, irresistibly impelled, and simply all a-tingle now
Running on an endless marathon, sudden reeling, mystery's won the day.

Repeat 2nd and 3rd verses through "all a-tingle now"

Coda:
Running on an endless marathon, suddenly deciding I'm the one
Running on an endless marathon, Mystery has won the day.

IN THIS VERY MOMENT

In this very moment,
Maplewood, unfolding brilliantly, majestically serene.
Signs of life spring forward into view
 And we dance within that light
In this very moment,
 Joy fully resplendent, flourishing vibrating hidden truth
With the flower that promises new fruit
As we harvest from the toil and pain

Disclosing man’s deep yearning
 Solely engaged in all of human history
Feeling the chords of great human care for all
We see the flower of hope come forth into bloom
 And none can ever be more fair
Then the sweet fragrance slowly fades away.

In this very moment
 Delicate the bloom we hold with our
 hand and minds and hearts.
As we watch the moments fly away
 As the petals on vine grow weak
In this very moment
 Is the bud of all hopes within our
 human grasp and power
Hope walks with the blossom of the few
Maplewood community for all.

REPEAT 2nd VERSE AND 3rd VERSE THROUGH “BLOSSOM OF THE FEW”

Now we are the jubilee of life
Hope walks with the blossom of the few

INDIAHOMA - THE PLACE TO BE

A long time ago on Indian land
A town got born and some people bechan –
Ft. Sill grew and the prairie town boomed,
Ahead of each family a great future loomed.

Refrain:
But we left this town, felt we had to roam,
Set out seeking a better hom.
We searched far and wide, but now we see,
Indiahoma was always the place to be.

Now ‘62’ done passed us by,
We bowed our hads, thought the town would die.
We lost our bank and grocery story,
But we kept our school and w whole lot more.

Refrain:

So folks take a look, do you like what you see?
How can we improve this community?
Let’s put down our roots and stay a spell
And create a showplace where all is swell.

Last Refrain:
So don’t leave this town,
Don’t feel you have to roam.
Don’t go seeking a better home.
No need to search far and wide,
For now wesee,
Indiahoma is surely the place to be!

INDIAHOMA UNITY SONG

To Indiahoma there came many people
With many hopes and dreams to be shared.

A heritage rich from the land
Blending hopes of all mankind
Sharing common goals for the future
Working side by side with our hands.

Today we are building our future
Improving schools and our day-to-day lives
Fort Sill, Treasure Lake and our farmer~
Bringing help to the town that strives.

From this moment we say we are moving
T o a future where cash flows at home
Celebrations of our life together
Will mark the new unity we’ve shown.

ISN'T IT GLORIOUS?

Minding my business
Loving unconsciousness
'Til here comes the Other World
Like a tornado swirl
Isn't it glorious
Swept up so furiously.

I'm so unsettled
I'm so alive
Here comes the fog again
Like racing in tar my friend
Isn't it glorious
Transformed mysteriously.

I am beloved
I am unburdened
Here comes the crane again
There go all my friends
Isn't it glorious
Delivered victoriously.

I am forever
I am expendable
Here are the only keys
Take charge of history
Isn't it glorious
Poured out relentlessly.

I'm so hopeless
I'm so alive
Like driving a 747
Waking up dead again
Isn't it glorious
Restored harmoniously.

Hello this world
Hello the Other World

I feel so torn again
Isn't it glorious
Living preposterously.

The western gate to Puget Sound,
Built by men of vision.

Faced by men of vision.

IT CAME UPON THE MIDNIGHT CLEAR

It came upon the midnight clear,
That glorious song of old,
From angels bending near the earth,
To touch their harps of gold;
“Peace on the earth, good will to men,
From Heaven’s all gracious King.”
The world in solemn stillness lay,
To hear the angels sing.

Still through the cloven skies they come
With peaceful wings unfurled,
And still their heavenly music floats
O’er all the weary world;
Above its sad and lowly plains,
They bend on hovering wing,
And ever over its Babel sounds
The blessèd angels sing.

Yet with the woes of sin and strife
The world has suffered long;
Beneath the angel strain have rolled
Two thousand years of wrong;
And man, at war with man, hears not
The love-song which they bring;
O hush the noise, ye men of strife
And hear the angels sing.

And ye, beneath life’s crushing load,
Whose forms are bending low,
Who toil along the climbing way
With painful steps and slow,
Look now! for glad and golden hours
Come swiftly on the wing.
O rest beside the weary road,
And hear the angels sing!

For lo! the days are hastening on,
By prophet-bards foretold,
When with the ever circling years
Comes round the age of gold;
When peace shall over all the earth
Its ancient splendors fling,
And the whole world send back the song
Which now the angels sing.

IT'S A FINE TIME

On a late night in July, it was nineteen and six nine.
The T.V. was droning away.
The kids were complainin' 'cause it had been rainin'
And there weren't no cartoons all day.
For the networks were humming, and newsmen were gumming
'Bout space travelers well on their way.
Then we saw with our eyes, from moon ground, the Earth rise,
We didn't know then what it finally would mean. . .

We were awed when we saw her, we'd almost forgot her,
From the moon she first came into view.
She was everyone's duty, and she was a beauty.
And we couldn't believe it was true.
It was more than we wanted, but all men were haunted
With the thought of all livin' as one.
On one little planet, and we didn't plan it,
She's ours, if we claim her, to have and to hold. . .

Chorus:
It's a fine time to be on this earth,
What more to ask for than to give it new birth?
We had some bad times, and lived through some sad times.
But this time our hope has its worth.
It's a fine time to be on this earth. . .

Now, there's no use to panic and start acting frantic,
Nor look for a good place to hide.
While people are dying, and sad hearts a-crying.
It's no time to lay down and die.
New life's surprising, and local man rising
And claiming a new day is near.
A new song is singing, in all hearts it's ringing,
The song of the earth is for all who will hear. . .

We come from the world
And we care for the world
And, Man are we alive!

We all call this our home-

IT'S A GRAND NIGHT FOR SINGING

It's a grand night for singing! The moon is flying high
And somewhere a bird who is bound he'll be heard, is throwing his heart at the sky.

It's a grand night for singing! The stars are bright above,
The earth is aglow and to add to the show, I think I am falling in love.
Falling, falling in love.

IT'S GONNA HAPPEN THIS YEAR

Hey look at this
Have you seen the new story?
It's a story you can tell the world.
Get out and talk.

There is plenty of glory
'Cause the new wave is about to curl.
Oh I can see it's gonna happen this year
Yeah the whole future is unfolding right here.

You can be on the new edge
All it takes is the whole of your life
Come with me to the new edge
It is simply demanding your life.

Now there's the joining of your hand in mine
As we pull back the curtain of night
Together we'll walk it, creating the signs

This vision is a beautiful sight.
Oh I can see it's gonna happen this year
Yeah the whole future is unfolding right here
Oh I can see it's gonna happen this year.

IT’S IN EVERY ONE OF US

It's in every one of us, To be wise
Find your heart, Open up all your eyes.

We can all know everything
Without ever knowing why,
It's in everyone of us
By and By

It's in everyone of us
I just remembered
It's like I've been sleeping too long
I'm not awake as I can be
But my seeing's better
I can see through my tears
I've been realizing that
I'm always thinking
And I'm watching just half of the show
There is scenery and lights
And a cast of thousands
Who all know
Wliat I know
Ana it’s good that it's so.

It's in everyone of us
To be wise
Find your heart
Open up your eyes

We can all know everything
Without ever knowing why

IT'S SO EASYNOT TO TRY

It's so easy not to try
Let the world go drifting by
If you never say hello
You won't have to say
goodbye

It's so easy not to try
Never stay around to cry
Move along when troubles
come
Like a mindless butterfly.

For what good is it to love
When the loving always
ends
Travel on the road that's
straight
Not the one with hills and
bends

It's so easy not to try
Let the world go drifting by
If you never say hello
You won't have to say
goodbye

But we see that we can try
Take our dreams and with
them fly
We prefer to say hello
Life we know has it
goodbyes

It's so easy when we try
We prefer to not be shy
Move ahead when troubles
come
Like a silver jet we'll fly.

For how good it is to love
When the loving lets you
care
Let your journey take us on
We can help out everywhere

It's so easy when we try
Take our dreams and with
them fly
We prefer to say hello
We will smile instead of cry

Roads go ever, ever on
Top the lands beyond the sea
On a white ship will I sale
Watching shadows part for
me

Weaving heavens grey with
rain
Now that years have slipped
away
Leaving friends with gentle
pain
As they start another day.

Roads I've traveled I must
leave
For I've turned the final
bend
Weep not empty tears but
grieve
As the road comes to an end

It's so easy when we try
Take our dreams and with
them fly
We will always say hello
We will smile instead of cry.

IVY CITY ON THE MOVE

Refrain:

My Lord what a morning (three times)
Ivy City on the move.

See the people build a dream
Clinging passion all they owned
Tame the wilds - carve out hopes
When the nation began to grow

See the people, a might people
From the Niger to Potomac
Struggling to create a vision
When the times began to change

See the people young and old
Tell their story proud and bold
Now the Ivy branches out
Now the local is on the move.

And he told her everything she'd ever done.

She said Jesus, Jesus, ain't got no husband . . .
And you don't know everything I've ever done.

He said woman, woman, you got five husbands . . .
And the one you got now is not your own.

Ashamed of thee, whom angels praise, whose glories shine through endless days.

Ashamed of Jesus! Sooner far let evening blush to own a star;
He sheds the beams of light divie o’er his benighted soul of mine.

Ashamed of Jesus! That dear Frend on whom my hopes of heaven depend!
No; when I blush be this my shame, that I no more revere his Name.

Ashamed of Jesus! Yes I may when I’ve no guilt to wash away;
No tear to wipe, no good to crave, no fears to quell, no soul to save.

Till then, nor is my boasting vair, till then I boast a Saviour slain;
And O may this my glory be that Christ is not ashamed of me.

JOY TO THE WORLD

Joy to the world! The Lord is come
Let earth receive her King!
Let every heart prepare Him room
And heaven and nature sing
And heaven and nature sing
And heaven, and heaven and nature sing

Joy to the world! the Savior reigns
Let men their songs employ
While fields and floods
Rocks, hills and plains
Repeat the sounding joy
Repeat the sounding joy
Repeat, repeat the sounding joy

No more let sin and sorrow grow
Nor thorns infest the ground
He comes to make
His blessings flow
Far as the curse is found
Far as the curse is found
Far as, far as the curse is found

He rules the world with truth and grace
And makes the nations prove
The glories of His righteousness
And wonders of his love

JOYFUL, JOYFUL WE ADORE THEE

Joyful, joyful we adore Thee, God of glory, Lord of love:
Hearts unfold like flowers before Thee, opening to the sun above.
Melt the clouds of sin and sadness, drive the dark of doubt away:
Giver of immortal gladness, fill us with the light of day.

All Thy works with joy surround Thee, earth and heaven reflect Thy rays.
Stars and angels sing around Thee, center of unbroken praise:
Field and forest, vale and mountain. flowery meadow, flashing sea,
Chanting bird and flowing fountain call us to rejoice in Thee

Thou are giving and forgiving, ever blessing. ever blest,
Well-spring of the joy of living. ocean-depth of happy rest!
Thou our Father, Christ our brother. all who live in love are Thine:
Teach us how to love each other. Lift us to the joy divine.

Mortals, join the happy chorus which the morning stars began:
Father-love is reigning o'er us, brother-love binds man to man
Ever singing, march we onward, victors in the midst of strife:
Joyful music leads us sunward in the triumph song of life.

JUST A CLOSER WALK WITH THEE

Chorus:

Just a closer walk with thee! Grant it Jesus. is my plea.
Daily walking close to thee - let it be, dear Lord, let it be.
I am weak. but thou art strong; Jesus keep me from all wrong.
I'll be satisfied as long as I walk, let me walk close to thee.

Through this world of toil and snares, if I falter, Lord, who cares?
Who with me my burden shares? None but thee, dear Lord. none but thee.

When my feeble life is o'er, time for me will be no more.
Guide me gently, safely o'er, to thy kingdom shore, to thy shore.

KENYA, KENYA, STAND

It's by far the hardest thing we've ever done
To say how among the many we are one.

Chorus:

Kenya, Kenya Stand!
There's a spotlight on the land
From the valley's low clear to Mt. Kenya's snows.
Be the care you can be
So this broken world will see
That we're ready and we want the world to know.

We're gonna tell the wondrous story
Of all the things we've seen.
Victories we've won or lost
In the places where we've been
Building for the future
Together stand as one,
A country of deep resolve
To make this earth our home.

We're gonna beckon all the people,
Gonna find the ones who'll stand,
And be the ones who give their lives
To build a mighty land.
A neighbourhood of tribes
Of unity untold,
We're gonna call all the people out
And send them to the globe.

We're gonna be a new creation,
Gonna sing a brand new song,
The Kenya flag standing proud
With eighteen million strong.
The countries of this planet
All share its destiny,
And each one shares its gifts to build
A global unity.

KREUZBERG LOVE SONG (TRANSLATION)

We found each other in Kreuzberg
We are at home here
WE love it here very much
And we don't move out
Let everybody else talk
Love of the South-east
Binds us Kreuzbergers so

The elders in our streets
Look tired and sad
The hardly converse
And seldom come outside
Their thoughts are full of worries
"What will tomorrow bring?"
Then comes the new morning
They will have no more cares.

We will do everything
So that the South-east will blossom
We are all eager
To work well together
We are planning and
We want to always go forward
So that our children and our grandchildren
Will see a better future.

KREUZBERG LIEBES LIED

*In Kreuzberg Hab'n wir uns gefunden,
Hier ist unser Zuhause.
Wir leben hier sehr gerne
Und wir ziehen auch nicht aus.
Lasst doch die andern reden,
Wir sind bald Glücklich und froh.
Die Liebe zum Süd-Osten
Bindet uns Kreuzberger so.*

*Die älteren in unseren Strassen
Sehn müde und traurig aus.
Sie haben kaum Unterhaltung
Und Kommen selten aus dem Haus.
Sie denken voller Sorgen,
Wie soll es weitergehn?
Dann kommt der neue Morgen
Und sie werden kaum noch sorgen sehn!
Dann kommt der neue Morgen
Und sie werden kaum noch Sorgen sehn!
Dann kommt der neue Morgen
Und sie werden kaum noch Sorgen sehn!*

*Wir werden tun und machen
Damit der Süd-Osten erblüht.
Für eine gute Zusammenarbeit
Sind wir alle bemüht
Wir schmieden Pläne und wollen
Immer vorwärts gehen.
Damit unsere Kinder und Enkel
In eine bessere Zukunft sehn.

**The wind blows hard against this mountain side, across the sea into
my soul
It reaches into where I cannot hide, setting my feet upon the road
My heart is old, it holds my memories, my body burns a gemlike
flame
Somewhere between the soul and soft machine, is where I find myself
again**

**Chorus:
Kyrie eleison, down the road that I must travel
Kyrie eleison, through the darkness of the night
Kyrie eleison, where I'm going will you follow
Kyrie eleison, on a highway in the light**

**When I was young I thought of growing old, of what my life would
mean to me
Would I have followed down my chosen road, or only wished what I
could be**

L’IMPRTANT C’EST LA ROSE

Toi qui marches dans le vent
Seul dans la trop grande ville
Avec le cafard tranquille, du passant
Toi qu'elle a laisse tomber
Pour courir vers d'autres lunes
Pour courir d"autres fortunes, l’important

Refrain:
L 'important. c'est la rose (ter)
Crois-moi.

Toi. petit que tes parents
Ont laisse seul sur la terre
Petit oiseau sans lumiere. sans printemps
Dans ta veste de drap blanc
Il fait froid comme en boheme
T’ as le coeur comme en careme. et pourtant.

Toi pour qui, donnant donnant.
J'ai chante ces quelques lignes
Comme pour te faire un signe en passant
Dis a ton tour maintenant
Que la vi e n 'a d’importance
Que par une fleur qui danse sur le temps

Rosseignies est mon coin de terre
Jamais ne le quitterai

Le temps qui passe efface
Les pas du sabotier
Au coeur de notre espace
Nous reste un be'nitier

Le chant des enfants sages
Le sourire de nos vieux

Há que subir a montanha
E desbravar serrania
Há' que fazer campos novos
Con beleza e louçania

Velha Ordem de Cister
Deixou-nos betas imagens
E o eco ainda ressoa
Por estas lindas paragens

Lamego, grande cidade
No passado e no presente
Com certeza no futuro
Vai, vai mesmo para a frente

Queremos ver em cada terra
Um bom centro Social
Avante, que o de Lamego
Fará de mola real

Subamos as nossas serras

Para vermos novas terras
E poder gritar bem alto

LANGUB SONG, THE

Langub a place for living
A full life in spite of the pain
In the drear and darkening cave
Comes a light that shines for all men.

Daily work and daily toil
Doesn't seem to get us too far
But the harvest always comes in
In the smallest light of the star.

The rains come and the rains go
But our care continues on
And we dance along life's road
In the early light of the dawn.

Dancing hope beyond our vain dreams
That will lead us on as we go
As we build a global sign
A bright light for all men to know.

La-la la-la la-la Langub
La-la la-la la-la Langub
La-la la-la la-la Langub
Building a sign for all of the globe

LANZA TU VIDA

Refrain:

Lanza tu vida hacia el futuro abierto
El misterio recibe tu muerte dada por todos.

Lo que sabemos se esfuma.
Lo que pensamos se opaca.
El corazón se estremece,
Gritando: "¡ Déjame quieto!"
 Condúcenos al futuro
 Lo que sabemos sin verlo.

La realidad nos sacude.
Nuestros esfuerzos aplasta.
Mas los anhelos no cesan.
La fuerza empuja a seguirlos.
 ¿Será este caos eterno?
 ¿Separación para siempre?

Las ilusiones nos ciegan.
Ya no aguantamos la lucha.
Sin la promesa grandiosa,
Mejor que nos retiremos.
 Pero la entrega nos urge.
 La vida toda es buena.

Con toda historia enlazados,
Lo que se exige ya vemos.
Unidos, fuerte en afanes"
En obediencia servimos.
 Demos la mente y el alma
 En libertad a la historia.

LAZY RIVER

Up a lazy river, by the old mill run
That lazy, lazy river in the noonday sun.
Linger in the shade of a kind old tree,
Throw away your troubles, dream a dream
with me.
Up a lazy river where the robin's song
Awakes a bright new morning we can loaf
along.
Blue skies up above, everyone's in love
Up a lazy river, how happy you can be.
Up a lazy river with me.

LE FEU DANS LA NEIGE

Comme un feu tout en flame
Qui s’marie avec la neige
Comme un coucher de soleil
Qui enflame les montagnes
L’homme de coeur regarde au loin
Poindre la communaute
La lueur d’une volonte
Jaillissant de l’infini
La technique qui nous permet
De transformer l’humanite
Et la plaine attend l’heure
Des elus qui risqueront
Puis l’histoire demeure ouverte
La lumiere devant nos yeux

Like an all-consuming fire
‘Cross the silent sea of snow
Like the dying of the sun
That sets the mountains all aglow
Men of spirit call forth vision
Of the new community,
From the spark of new decision
Blazes possibility.
And the methods show the way
To victoriously care
And the land awaits the signal
Of the chosen ones who dare—
All of history laid bare.
Illumination being there.

LEAD ON KING ETERNAL

Lead on, O King eternal, the day of march has come!
Henceforth in fields of conquest thy tents shall be our home.
Through days of preparation thy grace has made us strong.
And now, O King eternal, we lift our battle song.

Lead on, O King eternal, till sin's fierce war shall cease,
And holiness shall whisper the sweet Amen of peace.
For not with swords loud clashing, nor roll of stirring drums,
But deeds of love and mercy, the heav'nly kingdom comes.

Lead on, O King eternal, we follow, not with fears.
For gladness breaks like morning where'er thy face appears.
Thy cross is lifted o'er us; we journey in its light.
The crown awaits the conquest: lead on, O God of might!

LEAVE TOMORROW TILL IT COMES

Leave tomorrow till it comes
Sleep will ease your mind
With the dawn you'll find
Problems realigned a different way
Than yesterday
Leave tomorrow till it comes

Time is moving fast
Don't go pushing past
Ending of the day were meant to last
Till yesterday
Tangled dreams unfold
And webs may disappear
Stories are retold
And cloudy thoughts will clear.

Tomorrow is open
Leave tomorrow till it comes
Sleep will ease your mind
With the dawn you'll find
Problems realigned a different way

LET ALL MORTAL FLESH KEEP SILENCE

Let all mortal flesh keep silence
And with fear and trembling stand;
Ponder nothing earthly minded,
For with blessing in his hand
Christ our God to earth descending
Comes our homage to demand.

King of kings yet born of Mary,
As of old on earth he stood,
Lord of lords in human vesture,
In the body and the blood,
He will give to all the faithful
His own self for heavenly food.

Rank on rank the host of heaven
Spreads it vanguard on the way
As the Light of Light, descending
From the realms of endless day,
Comes the powers of hell to vanquish
As the darkness clears away.

At his feet the six winged seraph,
Cherubim with sleepless eye,
Veil their faces to the presence
As with ceaseless voice they cry:
"Alleluia, alleluia! Alleluia, Lord Most High!"

LET THE EARTH BREATHE

Let the Earth breathe!
Let its heart beat,
 pulsing and firing the fruit of its seed.
Let four winds tease,
 air bright and clean.
 converging and swirling through life’s mystery.

Let waters wreathe.
Let rivers be,
 pristine and free from deep valleys to seas.
Let singing streams
 stir slumbering leagues,
 awakening the dreamer and changing the dream.

Let mountains rise!
Let forests thrive—
 primal communities birthed to survive.
Let kindred be wise,
 not compromise
 their courage and care for greed’s beckoning lies.

Let oceans race!
Let new waves chase
 ancient tides washing ashore cosmic grace.
Let rhythms of peace,
 still conflict’s pace,
 emerging, connecting in trust’s healing place,
bold creatures revealing hope’s eternal face,
beloving, one dwelling, in Earth’s sacred space.

LET THERE BE PEACE ON EARTH

Let there be peace on earth
And let it begin with me;
Let there be peace on earth,
The peace that was meant to be.
With God as Creator,
Family all are we,
Let us walk with each other
In perfect harmony.

Let peace begin with me,
Let this be the moment now.
With every step I take,
Let this be my solemn vow.
To take each moment
And live each moment
In peace eternally.
Let there be peace on earth
And let it begin with me.

LET US FEAST!

Feel the pulse beat of The City
The greatest place to live
Come let’s celebrate The City
A new beginning, not an end
Now it’s time for New York City
To come alive again

Things fall apart
But don’t lose heart
It’s just a sign
To realign

Don’t hesitate
No use to wait
It’s not too late
To demonstrate

That folks still care in The Big City
Working year after year
Communities in The Big City
Moving beyond despair
Hope’s reborn in The Big City
Resurging everywhere

Manhattan, Bronx
Brooklyn and Queens
Staten Island
Somewhere between

From high-rise roofs
To subway trains
Bustling streets
And quiet lanes

Every block a new adventure
Life bursts from steel and stone
Every age and occupation
Have learned to call it home
A whole world sitting on an island
From every land we’ve come

To find a place
Where the human race
Can give a chance
To everyone

So (do yawself a fava) come and dine
Great and least
Big Apple is a feast!

It's a gift residing
deep within the soul.
Everyone is different
And, everyone worth hearing.
Listen to your own again and it will make

Let it make you whole.

Chorus:.
And let your music play.
And 1 et your music pour.
For God's in every note.

LIFT EVERY VOICE AND SING

Lift ev'ry voice and sing till earth and heaven ring,
Ring with the harmonies of liberty:
Let our rejoicing rise high as the list'ning skies,
Let it resound loud as the rolling sea.

Sing a song full of the faith that the dark past has taught us.
Sing a song full of the hope that the present has brought us
Facing the rising sun of a new day begun,
Let us march on till victory is won.

Stony the road we trod. bitter the chast'ning rod.
Felt in the days when hope unborn had died;
Yet with a steady beat, have not our weary feet,
Come to the place for which our fathers sighed.

We have come over the way that with tears has been watered.
We have come, treading our path through the blood of the slaughtered,
Out from the gloomy past, till now we stand at last.
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who hast brought us thus far on the way;
Thou who hast by thy might, led us into the light,
Keep us for ever in the path, we pray.

Lest our feet stray from the places, our God. where we met Thee,
Lest our hearts, drunk with the wine of the world, we forget Thee.
Shadowed beneath Thy hand, may we forever stand,
True to our God, true to our native land.

LOCAL PEOPLE SHALL RISE AGAIN

Born in plenty. raised up blind.
All turned hollow, something there was wrong.
Human suffering over all the world—
Three billion people die and never live.

Refrain:
All the earth belongs to all.
That's the vision and the call.
Local Man shall rise again
To build the earth, the common earth

Joined the rebels, lost the past,
Saw destruction, nothing really changed.
Human suffering over all the world—
Three billion people die and never live.

Then a stranger, loved by none
All was gone, every hope had died.
Human suffering over all the world—
Three billion people die and never live.

At the center, awful calm,
Born of spirit, then my life was gone.
Human suffering over all the world—
Three billion people die and never live.
From the center we shall stand.
In every nation throughout every land.

Dying daily that the new may live.

Well, you got to walk that lonesome valley
You got to walk it by yourselves
Nobody else can walk it for you
You got to walk it by yourselves

Now father walked that lonesome valley
He had to walk it by himself
Nobody else could walk it for him
He had to walk it by himself

Oh, that he was a preacher too

Yeah, you got to walk that lonesome valley

So I'll keep repeating in my mind.

Look for the silver lining
When e'er a cloud appears in the blue.
Remember somewhere, the sun is shining
And so the right thing to do is make it shine for you.

A heart, full of joy and gladness
Will always banish sadness and strife

LOOK WE HAVE COME THROUGH

Though the night is still dark
And earth’s journey long
Though blood, sweat and tears
Now echo in song
And again and again
Drawn to hope’s edge
We are peace
We are free ...

Refrain

Free in the tearing, tearing wind
Like waves born anew
Ungodly straits unglued
Look, my friends, the wonder
We have come through!

So many wondering
Looking for a way
So many listening
For prophets to proclaim
And endlessly chosen
Caught by Mystery’s wink
As earths rise and old worlds sink
We are love
We are free ...

Refrain

Relentlessly surging
Crashing on strange shores
Relentlessly serving
Bonding distant souls
And struggling together
Suspended in grace
As rivers cry and rockets race
We are joy
We are free ...

LORD OF THE DANCE

I danced in the morning when the world was begun, and I danced in the moon and the stars and the sun,
And I came down from heaven and danced on the earth, at Bethlehem I had my birth.

Refrain:

Dance then wherever you may be, I am the lord of the dance, said he
And I'll lead you all wherever you may be, and I'll lead you all in the dance, said he.

I danced for the scribes and the pharisees, but they would not dance and they would not follow me.
I danced for the fishermen, for James and John; they came with me and the dance went on.

I danced on the Sabbath and I cured the lame, the holy people said it was a shame
They whipped and they stripped and they hung me high. and they left me there on the cross to die.

I danced on a Friday when the sky turned black: it's-hard to dance with the devil on your back;
They buried my body and they thought I'd gone, but I am the dance and I still go on.

They cut me down and I leapt up high; I am the life that'll never never die;
I'll live in you if you live in me, I am the lord of the dance, said he.

To plant the land and lend a hand,
And help the country grow.
They looked around. and when they found,
They couldn't ask for more
They settled down and made a town,
And called it Lorimor.

Refrain:
Oh Lorimor, Lorimor, then and now,
A place to be alive
With walnut trees and birds and bees,
And better yours to boot;
The name of the place is Lorimor,
Where people give a hoot.

Now when you travel out our way,
We're sure you'll want to stay.
To buy a meal and wash your clothes,
And pass the time of day,
The people here are ready to cheer,
For other folks who care,
To help to build our country up.
America the fair.

LOVE

Chorus:
Care is the way we act out our passion
Fro all men to share,
Love is the act that carries us through
Even the dark despair.

I may but speak in tongues of angels
I may speak of prophecies.
I may have faith strong to move mountains
But without love I'm nothing.
(chorus)

Love is not boastful nor conceited
Love but exalts the right.
There is no limit to Loves faith
Nothing it cannot fight.
(chorus)

Love will never come to an end
It will not vanish away.
Knowledge is partial but the parts vanish
Only wholeness stays.
(chorus)

There are three things that last forever
Faith, Hope and Love.
But the greatest of them all
The greatest of them all is Love.

LOVE DIVINE

Love divine, all loves excelling, joy of heaven, to earth come down
Fix in us Thy humble dwelling, all Thy faithful mercies crown!
Jesus, Thou art all compassion, pure, unbounded love Thou art;
Visit us with Thy salvation, enter every trembling heart.

Breathe, O breathe Thy loving Spirit into every troubled breast
Let us all in Thee inherit, let us find the promised rest
Take away our bent to sinning, Alpha and Omega be;
End of faith, as its beginning, set our hearts at liberty.

Come, Almighty to deliver, let us all Thy grace receive;
Suddenly return, and never, never more Thy temples leave.
Thee we would be always blessing, serve Thee as Thy hosts above,
Pray and praise Thee without ceasing, glory in Thy perfect love.

Finish, then, Thy new creation; pure and spotless let us be;
Let us see Thy great salvation perfectly restored in Thee:
Changed from glory into glory, till in heaven we take our place
Till we cast our crowns before Thee, lost in wonder, love and praise.

LOVE IS A MANY SPLENDOR THING

Love is a many splendored thing,
It's the April rose that only grows in the early spring.
Love is nature's way of giving a reason to be living,
The golden crown that makes a man a king.
Once on a high and windy hilt
In the morning mist two lovers kissed and the world stood still.
Then your fingers touched my silent heart and taught it how to sing,
Yes, true love's a many splendored thing

LOVE SONG FOR THE LONG MARCH

When the Morning Star
Greets the dawn and golden sky
And lights the land
Where all time passes by
In your face the Mystery
Beckons you and me
Everyday
‘Til we die.

When the rising sun
Greets the dew and noonday sky
And kisses streams
Where all life passes by
In your eyes freedom calls
To live for all
Everyday
‘Til we die.

When the setting sun
Greets the moon
Shading mountains
Where all space passes by
In year tears care works
To build the earth
Everyday
‘Til we die

When the Evening Star
Greets the dusk and rainbow sky
Embracing seas
Where eternity lies
In your smile joy calls to dance
With the family of man
Everyday
‘Til we die.

MAKE IT ONE

Chorus:

There's a dream that we all carry.
It's been with us from the first
And it captures so much passion
Swells the heart to nearly burst.
You can see it in the earthrise.
It is calling everyone.

Now a new age has begun.
Build the earth and make it one.

Pain and suffering surround us
Grinding hope into the dust.
Fear and trembling around us.
Nothing left to try or trust.
Still, the word is often spoken
And the song is often sung,

Chorus

That a new age has begun.
Build the earth and make it one.

We can see it if we rise above
The trouble and the tears
We can be it, though it take us through
A hundred weary years.

With the sunrise sing a chorus
That will make your courage new
And from then until the days end
Work to make the dream come true.
Every voice will have its song to sing.
Every people find its home.

For a new age has begun,
Build the earth and make it one.

MAKE ME A CAPTIVE, LORD

Make me a captive, Lord,
And then I shall be free,
Force me to render up my sword,
And I shall conqueror be,
I sink in life’s alarms
When by myself I stand;
Imprison me within thine arms,
And strong shall be my hand.

My heart is weak and poor
Until its master find
It has no spring of action sure,
It varies with the wind.
It cannot freely move
Till thou hast wrought its chain;
Enslave it with thy matchless love,
And deathless it shall reign.

My power is faint and low
Till I have learned to serve;
It wants the needed fire to glow,
It wants the breeze to nerve;
It cannot drive the world
Until itself be driven;
Its flag can only be unfurled
When thou shalt breathe from heaven.

My will is not my own
Till thou hast made it thine;
If it would reach a monarch’s throne
It must its crown resign;
It only stands unbent
Amid the clashing strife,
When on thy bosom it has leant
And found in thee its life.

MALIWADA LOVE SONG (TRANSLATION)

Refrain:
We are love and we awaken love in others
Our love shows through our work.

You who live in Maliwada
We have come to your village

Don't give up and don't despair
We have come to help you build a new village

Our strength is our unity
We are "lighting candles" through love

Let us work together as a whole
And help in the progress of our nation

We hope other villages in India will progress
And Maliwada is the sign.

MAME

You coax the blues right out'a the horn, Mame,
You charm the husk right off'a the corn, Mame,
You've got the banjos strummin'
And plunkint out a tune to beat the band,
The whole plantations's hummin'
Since you brought Dixie back to Dixie Land;

You make the cotton easy to pick, Mame,
You give my old mint julep a kick, Mame,
Whoever thought a Yankee
Would put our little Dixie belles to shame?
You've made us feel alive again,
You've given us the drive again,
To make the South revive again, Mame!

You brought the cakewalk back into style, Mame!
You make the weeping willow tree smile, Mame!
Your skin is Dixie satin,
There's rebel in your manner and your speech,
You may be from Manhattan, but
Georgia never had a sweeter peach;

You make the old magnolia tree bud, Mame,
You make camelias bloom in the mud, Mame,
You make the bougainvillea
Turn purple at the mention of your name . . .
We're bakin' pecan pies again,
Tonight the chicken fries again,
This time the South will rise again, Mame!

You make our black-eyed peas and our grits, Mame,
Seem like the bill of fare at the Ritz, Mame,
You came, you saw, you conquered.
And absolutely nothing is the same;
Your special fascination'll
Prove to be inspirational,
We think you're just sensational, Mame!

MANY GIFTS, ONE SPIRIT

God of change and glory, God of time and space,
When we fear the future, give to us your grace.
In the midst of changing ways give us still the grace to praise.

Refrain:
Many gifts, one Spirit, one love known in many ways.
In our difference is blessing, from diversity we praise
One Giver, one Lord, one Spirit, one Word
Known in many ways, hallowing our days.
For the Giver, the for the gifts, praise, praise, praise!

God of many colors, God of many signs,
You have made us different, blessing many kinds.
As the old ways disappear, let your love cast out our fear.

Freshness of the morning, newness of each night,
You are still endless love and light.
This we see, as shadows part, many gifts from one great heart.

MAPLEWOOD’S A PLACE FOR HERE AND NOW

Chorus:
This day is your day, this day is my day
From the Mt. Read Blvd. to the Driving Parkway
We’ll forge a vision of a new tomorrow,
Maplewood’s a place for her and now.

This land of Maplewood is steeped in history,
The Flower City, the Genesee Gateway,
With Eastman Kodak, old homes and parkways,
12 miracles came true for you and me.

Chorus

A cleaner streetway, our people growing,
In neighborly caring, education improving,
And the renewal of community living,
Is happening for us right here and now

Chorus

In ’76 we embrace community,
And the future of our possibilities,
And we strive to express our unity,
Involvement is here for you and me.

MARALINGA (RAINY LAND)

This is a rainy land	no trees stretching high
this is a rainy land	but this is a rainy land
no thunder in our sky	
no trees stretching high	My name is Millipuddy
but this is a rainy land	they captured me and roughly washed me down
	then my child stopped kicking
My name is Yami Lester	then they took away my man to town
I hear I talk I touch but I am blind	they said do you speak English?
my story comes from darkness	he said
listen to my story now unwind	I know that Jesus loves me I know
this is a rainy land	because the bible tells me so
	I know that Jesus loves me I know
First we heard two big bangs	because the bible tells me so
we thought it was the great snake digging holes	
Then we saw the big cloud	This is a rainy land
then the big black mist began to roll	this is a rainy land
this is a rainy land	no thunder in our sky
	no trees stretching high
A strangeness on our skin	but this is a rainy land
a soreness in our eyes like weeping fire	
a pox upon our skin	
a boulder on our backs all our lives	
this is a rainy land	
this is a rainy land	
no thunder in our sky

March onward now to the cry of all history
Resurgent spirit is now emerging,
Giving form to the new community.

We are engagers of human caring.
March onward now in the task to set people free.

MARCHING SONG OF LOCAL MAN

Now the heart of Local Man is
Being stirred within the toil
of the years of pain and struggle
Joys and fears and happiness
He is coming to the vision
of the free community
The new world dawning here.

Refrain:
Local Man shall rise again
Local Man shall rise again
Local Man shall rise again
For the humanness of all.

Hear the cries of broken spirit and
the lack of moral man
See the apathy and brokenness
the bitterness and sham
Feel the agony, the hopelessness
the misery and the pain
As man becomes alive.

Refrain

From this place we call forth energy
and power that lies within
As the corporate strength emerges
in each living local man
Heal the wounds of time and
free the spirit of the soul of man
For the dignity of all.

Refrain

Set the sign for all the world
To see the possibility
That is given you and me as those
Who care for all mankind
While we care for our community
We care for all the world
As man picks up his life.

MARCHING SONG OF THE IRON PEOPLE

Deep within the hearts of people charred by bitterness and pain,
By three hundred years of slavery, of injustice, fear and shame,
Burns the spark of human dignity which history will claim
As the destiny of all.

We're the people made of iron, *(three times)* for the dignity of all.

From the blackness of the West Side, now the spark bursts into flame,
Rushing outward from Fifth City, from Chicago whence it came,
Spreading forth to every city, every nation to proclaim The dignity of all.

We're the people made of iron, *(three times)* for the dignity of all.

See the vision of a life style stretch before the eyes of all,
From Brazil, to France, to China, from Zimbabwe to Nepal,
Where all people live in freedom, claim their power and their call,
Full humanness for all.

We're the people made of iron, *(three times)* for the dignity of all.

The most beautiful sound I ever heard

Maria (4x)

All the beautiful sounds of the world in a single word

Maria (6x)

Maria, I just met a girl named Maria

And suddenly that name

will never be the same to me

Maria, I just kissed a girl named Maria,

And suddenly I've found how wonderful a sound can be,

Maria, say it loud and there's music playing,

Say it soft and it is almost like praying,

Maria, I never stop saying Maria,

Maria (9x), say it loud...

The most beautiful sound I ever heard,

Men of freedom live responsibly, men of freedom can decide,
Men of freedom dare obedience, men of freedom live their lives.

Men of God are solitary, men of God are lucid men.
Men of God are comprehensive, dying on behalf of all.

Men of faith, we start the journey, discipline our heart and mind.

MEN OF THE TAO

Winds of change are whirling round and round
And a new world dawns; let everyman take heed.
Winds of change are whirling round and round
And they call for all to risk the deed.

All the past is but a stepping stone
On man/s trek into this present day.
But the future cries for something more
Cries to all: Create the new way!

What shall be somehow depends on me
What I am, have been, and now decide to be.
And all men, of way, become my we
And this we becomes the larger me.

We, the way in time, have ever been
With our now, we march toward yet to be.
Ever on, to forge the ever new
For all men in all history.

What shall be somehow depends on me
And I'm the one with those upon the way.

Winds of change are whirling round and round

MIRACLES

Hear me out good citizens of Maplewood
While we’ve been sleeping
There’s crept into our city
Right beneath our very noses
A heretofore untold phenomena
Yes, that’s right folk
Right here, right here in Maplewood—
We’ve got MIRACLES, yes sir MIRACLES
With a capital DREAM that rhymes with TEAM
That stands for COMMUNITY

Do you see what I mean
You better believe
I mean, I mean
You better believe
We got MIRACLES
Look out there a Maplewood band
With trumpets, and twirlers, the finest in the land
And symbols and flags, and a big local man
Greeting every stranger, shaking every hand
And boundary signs welcoming everybody to an urban
Community for the future
And that’s not all
No sir, there’s more
Can’t you see the headlines of the media
And volumes of school curricula
Spelling out Maplewood, we love ya!
Oh we got MIRACLES, yes sir, MIRACLES
With a capital DREAM that rhymes with TEAM
That stands for COMMUNITY

And for the Spirit of ‘76
And every Yankee Doodle Dandee
We got a meeting, an old fashioned town meeting
To plan our future and shape our nation
To recreate a revolution
Yes sir, right here in Maplewood
I mean, I mean
You better believe

Gentle folk of Maplewood
Listen carefully
and watch for signs
do you hear people using words like “resurgence”, “forging the future”,
“grassroots”, “consensus”?
Are your ears caught by echoing choruses of song as you walk by local buildings?
Are your eyes mesmerized by a strange wheel with a maple leaf covering its (hub)
If so, if so

You’re beginning
You’re beginning to see possibility

MON PAYS

Mon Pays, ce n'est pas un pays,
C'est l'hiver;
Mon jardin, ce n'est pas un jardin,
C'est la plaine;
Mon chemin, ce n'est pas un chemin,
C'est last neige;
Mon pays, ce n'est pas un pay,
C'est l'hiver.

Dans la blanche ce-re-mo-nie
Ou la neige au vent se marie,
Dans ce pays de pou-dre-rie
Mon pere a fait batir maison;
Et je m'en vais etre fidele
A sa maniere, a son modele.
La chamber d'amis sera telle
Qu'on viendra des autres saisons
Pour se batir a cote d'elle.

Ma maison, ce n'est pas ma maison,
C'est froidure;
Mon pays, ce n'est pas un pays,
C'est l'hiver.

De mon grand pays solitaire
Je crie avant que de me taire
A tous les homes de lat terre
Ma maison, c'est votre maison.
Entre mes quatre murs de glace
Je mets mon temps et mon espace
A preparer le fue, la place
Pour les humains de l'horizon,
Et les humains sont de ma race.

Mon pays, ce n'est pas un pays,
C'est l'hiver;
Mon jardin, ce n'est pas un jardin,
C'est la plaine;
Mon chemin, ce n'est pas un chemin,
C'est la neige;
Mon pays, ce n'est pas un pays,
C'est l'hiver.

Mon pays, ce n'est pas un pays,
C'est l'envers
D'un pays qui n'etait ni pays ni patrie
Ma chanson, ce n'est pas ma chanson,
C'est ma vie;
C'est pour toi que je veux posseder mes hivers.

MORE

More than the greatest love the world has known:
This is the love I'll give to you alone.
More than the simple words I try to say;
I only live to love you more each day.
More than you'll ever know, my arms long to hold you so,
My life will be in your keeping, waking, sleeping, laughing, weeping.

Longer than always is a long, long time,
But far beyond forever you'll be mine.
I know I never lived before and my heart is very sure
No one else could love you more.

MORNING OF FREEDOM

Morning of freedom, final awareness, standing on nothing, groundlessly there.
Myself inventing, ever becoming, never completed, always undone.

All life is given, creatures of fortune, no one for blaming, never excused.
I am entrusted, history creating, offspring of Adam, measure of man.

Crossing the river, beyond the moral, all is permitted, only decide.
I am accepted, dearly beloved, endlessly chosen, serving all men.

Anchored securely, wholly united, warring gods fallen, painful relief.
My yoke is easy. Light is the burden, the day is coming, destiny won.

Move it. Move it. Move it.
History approves it.
The times call you to do it
Today.

History's awaitin'
For you to start creatin'
The Cry's to build a brand new way.
We must get the stage set
For local man's engagement.
He can't wait another day.

Chorus

It's time to catalyze
Put vision in his eyes
He waits . . . the Word his only need.
We can do the job now.
Methods give the know-how.
He'll rebuilt community.

Chorus

Global Demonstration
Requires participation
Of local wisdom and its care.

Local man shall rise
With vision in his eyes
For his and all communities.

MOVING FOR THE WORLD

We're on the move, in the hub of the nation
A way of caring with new determination
The cutting edge of local possibility
To help ourselves create a unity.
Moving the world, for the world in Ivy City.

With half the people twenty-five and under
The future cries for vision, plans and wonder
We see the need for elders, youth and families
To join together in building Ivy City
Moving the world, for the world in Ivy City.

Old isolation has tried to destroy us
Determination and unity's absorbed us
We're self-dependent with creativity
With love and passion, we'll all care corporately.
Moving the world, for the world in Ivy City.

MURRIN BRIDGE

Here by the Lachlan
Surrounded by trees
Close to the center
Lying far from the seas
We'll build a future

We've come to foresee
And we build on a past
Our people's heritage.

Refrain.
Murrin Bridge
We're singing to your people
Oh, Murrin Bridge
We're dreaming your future
Oh, Murrin Bridge

Past strengths to drawn from
With resources strop.
Dreaming through planning
Our future we own.

Building for people
In shadows too long.
Bringing forth a new dreaming
As we move along.

MUST JESUS BEAR THE CROSS ALONE

Must Jesus bear this cross alone
And all this world go free?
There's the cross for everyone
And the the cross for me

Amazing grace, how sweet, how sweet it all sounds
I know, You saved, You saved the rich like me
Then I was once lost but know I now that I'm found
I was blind but now I know that I can see

Not alone, not alone, not alone
No Jesus cannot bear this cross alone
There's the cross for everyone and the cross for me

I came to my Jesus just as, just as I was
I was weary, I was wounded and sad
But I know that I found in Him a resting, a resting place
And now, right now my heart, my heart feel bad, oh, Lord

Not alone, not alone, not alone
No, not alone, oh, Jesus, not alone
no not alone, I know, the world go free
There's the cross for everyone and I know, the cross for me

When whipporwills call,
And evening is nigh,
I'll hurry to my blue heaven.

A turn to the right,
A little white light
Will lead you to my blue heaven

You'll see a smiling face,
A fireplace, a cozy room,
A little nest, that's nestled
Where the roses bloom.

Just Molly and me,
And baby makes three,
We're happy in my blue heaven.

MY CONSUMMATION

Life beckons me to wonder and humility, to journey into deep reality.
To live fore'er within the realm of mystery, forever bound in awful ecstasy.
Apostasy, the doubt that comes as certainty. I'm seized by dread and vanquished.
hopelessly.
And I submit to given, fearful history. This perfect love transforms the wonder that is me.

Life beckons me to freedom and lucidity, to be the self that shapes futurity
To bear the weight of painful. conscious rhapsody, inventing all that I am doomed to be.
Morality beyond my own integrity, I stand amidst my fate and destiny,
And I must ever, always. my own conscience be. That final judgment dreads the wonder
that is me.

Life beckons me to service for humanity, to spend my life as solidarity.
To be the burdened one, with man's dark tragedy, this suffering world compels my
sympathy.
Humanity, my sole responsibility. The past, the future are for all, I see,
And I am called beyond my possibility. This awe-full gift flows through the wonder that
is me.

Life beckons me to live complete and joyously, to dwell in showers of blessing,
ceaselessly.
To peace that comes from dreadful mystery, in realms of wonder, I will ever be.
Tranquillity, no burden, no hostility. I live in strange, unseen community.
And death and I do now embrace, eternally: My consummation, 'tis the wonder that is
me.

MY HOPE IS BUILT ON NOTHING LESS

My hope is built on nothing less
Than Jesus’ blood and righteousness;
I dare not trust the sweetest frame,
But wholly lean on Jesus’ name.

When darkness seems to veil His face,
I rest on His unchanging grace;
In every high and stormy gale
My anchor holds within the veil.

His oath His covenant and blood
Support me in the ‘whelming flood:
When all around my soul gives way,
He then is all my hope and stay.

On Christ the solid rock I stand;
All other ground is sinking sand.
On Christ the solid rock I stand,
All other ground is sinking sand.

When the last trumpet’s voice shall sound,
O may I then in him be found.
Clothed in his righteousness alone,
Faultless to stand before his throne.

MY SECRET LOVE

Once I had a secret love, that lived within the heart of me,
All too soon my secret love became impatient to be free.

So I told a friendly star the way that dreamers often do.
Just how wonderful you are and why I'm so in love with you.

Now I shout it from the highest hill, even told the golden daffodil
At last my heart's an open door, and my secret love's no secret anymore.

MYSTERY

Mystery, I see death as my reality; everything is now absurdity—I’m helpless, stunned by Mystery.
Suddenly, pulled apart, I cry unceasingly; there’s no chance to win nor place to flee—
All is known by Mystery.

In my deeps I feel a new power, intensity; my whole past’s recast, and I’m now a different me.
This feast unsettles me’ and in doubt I say it cannot be; then while lonely, yearning endlessly
My life submits to Mystery.’

Mystery floods me with my own futility, as I see in life’s mundanity the dreadful presence constantly.
I can’t flee everywhere my life’s exposed to me; I am haunted, hounded endlessly—
My guilt’s known by the Mystery.

Then my crippled kegs start to dance, I’m fancy free; blinding light—a voice— says the
promised land’s for me.
Yet giants there I see. Life’s cruel joke has disillusioned me. Wounded in my life eternally—
Enraptured with the Mystery.

O God of all creation
Bless this our land and nation
Justice be our shield and defender
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavor
And our homeland of Kenya
Heritage of splendor
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.

NEVER GONNA HAVE THAT CHANCE AGAIN

We were a searching people
And a zestful people
And we came from many lands
across the sea.

We were merchants and farmers.
We were slaves and charmers
And we dared to face the struggle
individually

But we got up one morning,
Saw a new world dawning
After night and "I" were left there
All alone.
He saw his brother, and
She saw her sister, and
We saw the oneness of us all

And now we move forward
To that unknown future
Which depends on what
We all decide to do
We have our hopes ready
And our task waiting
And it's our responsibility
To bring it through.
And this calls forth courage
To accept challenge
And produce a revolutionary way

Stand up and be counted,
The world's on your shoulders,
Never gonna have that chance again.
Never gonna have that chance again.
Never gonna have that chance again,
OK.

But nevertheless I'm in love with you.

NEW CARE IN THE FORMING

Everybody talks about a new care in the forming,
New care in the forming so they say.
I myself don't talk about a new care in the forming,
New care in the forming has its way.

So I can feel a new tomorrow coming on,
And I know we will have to move along.
Everybody talks about a new care in the forming,
New care in the forming takes a song.

I know a land that's been the home of care since it was started,
The land of local rugged spirit strong.
A land whose passions swirl and swell the joy of life imparted;
For then or now the new way ever comes.

So when we feel a new tomorrow coming on,
When we dance our hearts will sing along in song.
Everybody talks about a new care in the forming,
New care in the forming takes a song.

NEW COMMUNITIES

From an age of the dawn, a people journeyed on
Till a sail broke the skyline and a new age was born,
Then all those chained and bold, or fevered for the gold
Sought to struggle with a new community.

Refrain:
We're building new communities where everyone can share
All the gifts that belong to each one everywhere;
And we know you will find, that care is the sign
As we live in our new communities.

In a land vast and green with great new industries
Bringing folk from the old lands with their great diversity
You may sense you're alone when struggling on your own
But together we will build community.

Refrain

There's a future open wide, with hope on every side
For a new day is dawning, it is soon to arrive
And together we will strive to keep that hope alive
As we live in a new community.

NEW HEAVEN AND A NEW EARTH, A

Who knows why the star lights the planet
Why creation stretches in vastness
Why so small a creature as I am
Meets and feels the wonder of man

Who knows what the wind whispers softly
What the land recalls from life’s dawning
What life’s goodness bids us now to choose
What new thing we’re given to do

Who knows where the earth greets the rainbow
Where the river beckons to go
Where the road will lead us to enter
A new way that seeks no return

Who knows how the eagle wing soars so
How the mountain moves upon order
How the serpent laughs with the white dove
Bringing forth new beings filled with love

Who knows when the waves kiss the shore line
When sand castles shift to the sea
When new footprints christen the strange birth
Of a new heaven and new earth

Three hundred people spoke in tongues
With flames above their heads
The Holy Ghost descended there
The Emerging Church they led.

Refrain:
There is a camp in New Orleans
Called New Jerusalem
A place of emerging spirit men.
O Lord, I know I'm one.

Bread and wine they feasted on
They lived in corporateness
Rehearsed the story of their lives
And danced their brokenness.
Refrain

Paul did journey far abroad
Through trials and misery
And though he shipwrecked on the shore
He praised the Mystery.
Refrain

Across the globe they spread the Word
Of death and victory.
Worked wonder through the glorious name
Of the Man from Galilee.

The open future now proclaimed:

NEW WORLD NOW

We are in a New World now
We never can go back
Our eyes have seen a thousand years
Our mind has bridged the gap.
And here we stand, we hear the Cry,
Creation surging on.
Our hearts beat wildly and sigh
No thing to lean upon.

We are in a New World now.
The light still blinds our eyes.
We weep and soar and shout aloud.
We dance between two pyres.
Like clowns who merge with time and space
Who run and jump and fall.
We beckon to the endless race.
We play the fool for all.

We are in a New World now
No longer is it hidden
We struggle to create the edge
Our local passion given
We were born to build the earth
Our lives consumed with praise
Gazing straight with open eyes
The phoenix does arise.

Formed into a vehicle

NEW YORK AREA-PARISH SONG 1974

Give my regards to Broadway,
The only place to be alive.
One hundred tenth on down to ninety-sixth
We call it Upper West Five.
Passion-filled life expended,
Intended to raise up a sign,
Gather now, troops, to start the march,
See it done for all mankind.

Oh, how we love you, Broadway,
You're everything a town could want.
Life bubbling over, vibrant atmosphere
You're standing there out front.
Lead everyone in building
That global new society.
We'll create the new humanness
Broadway, now it's you and me.

NIGHT AND DAY

Night and day, you are the one,
Only you beneath the moon and under the sun,
Whether near to me or far, it's no matter. Darling, where you are
I think of you—night and day.

Day and night, why is it so
That this longing for you follows wherever I go?
In the roaring traffic boom, in the silence of my lonely room
I think of you—night and day.

Night and day, under the hide of me,
There's an oh! such a hungry yearning burning inside of me;
And its torment won't be through
'Til you let me spend my life making love to you
Day and night, night and day.

NO ONE IS ALONE

MUSIC A

Mother cannot guide you,
Now you're on your own,
Only me beside you
Still you're not alone,
No one is along—truly—
No one is alone.

Sometimes people leave you
Halfway through the wood
Others may deceive you
You decide what's good,
You decide alone
But no one is alone.

Mother isn't here now
Who knows what she'd say
Nothing's quite so clear now
You feel you've lost your way
You are not along—believe me—
No one is alone—truly—

You move just a finger
Say the slightest word
Something's bound to linger,
Be heard,
No one acts alone (be careful)
No one is alone

MUSIC B

People make mistakes,
Fathers, mothers,
People make mistakes
Holding to their own,
Thinking they're alone.

Honor the mistakes
Everybody makes.
One another's
Terrible mistakes. . .

Witches can be right
Giants can be good
You decide what's right
You decide what's good. . .

MUSIC A

(Just remember)
Someone is on your side
Someone else is not
While we're seeing our side
Maybe we forgot
They are not along
No one is alone.

Hard to see the light now
Just don't let it go
Things will come out right now
We can make it so!
(MUSIC ENDING)
Someone is on your side. . .

NO SE PUEDE SEPULTAR

No se puede sepultar la luz,
no se puede sepultar la vida,
no se puede sepultar a un pueblo
que busca la libertad.
Como estrellas siempre brillarán,
porque aun muertos seguirán viviendo,
porque el pueblo nace cada día,
caminante de la verdad.

Cantarán por los caminos y su voz resonará
a lo largo de toda la historia
como un eco que siempre se oirá;
a lo largo de toda la historia,
desafío que no acabara.

No podrán amordazar su voz
porque es fuerte el grito de los hombres
que se unen como un arcoiris
en abrazo de mar a mar.
Y si no, las piedras gritarán
la invencible causa de los pobres,
la esperanza de una tierra justa,
que amanece con ansiedad.

No es posible detener el sol,
no es posible controlar el viento,
no es posible aprisionar al rio,
Torrente del ancho mar.
Portque el viento sopla aquíy allá,
porque el fuego quema las montañas,
porque el rio arrasa las quebradas,
camion de un mas allá.

NORTE QUARTIER

Refrain:
Riviere-des-Prairies, halte-la
Riviere-des-Prairies, on verra,
Ah, ah, ah,
Riviere-des-Prairies, halte-la
Je me mets a t’aimer

On est parti le coeur leger
Pour batir un pays
En s’approchant de la terre ferme
On se sentit conquis

Par les colons et les fermiers
Notre quartier est ne
Les vacanciers, les ouvriers
Vivent sa tranquillite

Pres du clocher, remplis de foi
Ils vivaient tou en paix
Fideles au Christ et pleins d’espoir
Ne pensaient qu’au devoir

Nid de verdure, refuge sur
Pour la paix du foyer
Families unies, enfants nombreux
Image de gens heureux

C’est cette riviere pollues
Que nous voulons changer
Un centre d’achats plus rapproche
C’est tout e’qu’on a demande

Qui nous serons dans ce quartier
Reve depuis longtemps
L’entraide des gens, leur amitie
Seront ieurs comandements

Des arenas et des boulevards
Ca oui nous en aurons
Plus d’industries et plus de transports
C’est ca que nous voulons!

NORTH AMERICA STAND

It's by far the hardest thing we've ever done
To say how among the many we are one.

Chorus:

North America, stand.
There's a spotlight on the land
All the way from Hudson Bay to Mexico.
Be the care you can be
So this broken world will see
That we're ready and we want the world to know.

We're gonna tell the story
Of all the things we've seen,
Victories we've won or lost
In the places where we've been
Building for the future
Together stand as one,
A continent of deep resolve
To make this earth our home.

We're gonna beckon all the people,
Gonna find the ones who'll stand
And be the ones who give their lives
To build a mighty land.
A neighbourhood of nations
Of strength and wealth untold,
We're gonna call the people out
And send them to the globe.

We're gonna be a new creation,
Gonna sing a brand new song,
Old Glory and the Maple Leaf
A quarter-billion strong
The countries of this planet
All share its destiny,
And each one shares its gifts
To build a global unity.

To take its place both far and wide
To preserve its early history

O, When Northside takes up the stride
To build a new community
To pave the way is our struggle
To create our unity.

When all together now we strive
With interchange of all our cultures
New Northside has come alive!

NOW THANK WE ALL OUR GOD

Now thank we all our God with heart and hands and voices.
Who wondrous things hath done, in whom His world rejoices;
Who, from our mother's arms hath blessed us on our way
With countless gifts of love, and still is ours today.

O may this bounteous God through all our life be near us.
With ever joyful hearts and blessed peace to cheer us;
And keep us in this grace, and guide us when perplexed.
And free us from all ills in this world and the next.

All praise and thanks to God the Father now be given,
The Son, and Him who reigns with them in highest heaven;
The one eternal God, whom earth and heaven adore:
For thus it was, is now, and shall be evermore.

NOW WE WILL LIVE

There are people of the water, there are people of the sand.
There are people raised beneath the golden sun.

There are children of the forest, there are children of the plain.
And they cry out through the universe, their voices raised as one—

Refrain:
"Now we will live, now we will grow
Now we will be, now we will show
That we can share all we can give
Now we will be, now we will live."

Have you gazed upon the vision of a people filled with care?
Have you seen the many miracles come true?

Have you heard the people's story of their town transformed by care?
Telling tales of new found glory, of destiny renewed!

Refrain:
Interlude

For the worker and the warrior, and the dreamer and the sage
For the native and the wanderer alone.
For the maker and the user and the mother and the son
We are all one human family, upon a human globe.

We are standing all together face to face and arm in arm.
We are standing on a threshold of a dream.

No more hunger, no more suffering, no more wasting life away.
Claimed by only local people who decide their time has come.

NSV JOURNEY SONG

Born in plenty
Raised up blind,
All turned hollow
Something there was wrong.
Human suffering
Over all the world.
Three billion people
Die and never live.

Refrain:
All the Earth
Belongs to all.
That's the vision,
That's the call.
Local man
Shall rise again.
To build the earth,
The common earth

Joined the rebels,
Lost the past,
Saw destruction,
Nothing really changed.
Human suffering
Over all the world.
Three billion people
Die and never live.

Then a stranger
Loved by none,
All was gone,
Every hope had died.
Human suffering
Over all the world.
Three billion people
Die and never live.

At the center,
Awful calm,
Born of spirit,
Then my life was gone.
Human suffering
Over all the world.
Three billion people
Die and never live.

From the center,
We shall stand,
In every nation,
Throughout every land.
Human suffering
Over all the world.
Three billion people
Die and never live.

O COME, O COME EMMANUEL

O come, O come, Emmanuel,
and ransom captive Israel,
that mourns in lonely exile here
until the Son of God appear.
Refrain:
Rejoice! Rejoice!
Emmanuel shall come to thee, O Israel.

O come, thou Wisdom from on high,
who orderest all things mightily;
to us the path of knowledge show,
and teach us in her ways to go. Refrain

O come, thou Rod of Jesse, free
thine own from Satan's tyranny;
from depths of hell thy people save,
and give them victory over the grave. Refrain

O come, thou Dayspring, come and cheer
our spirits by thine advent here;
disperse the gloomy clouds of night,
and death's dark shadows put to flight. Refrain

O come, thou Key of David, come,
and open wide our heavenly home;
make safe the way that leads on high,
and close the path to misery. Refrain

O come, O come, great Lord of might,
who to thy tribes on Sinai's height
in ancient times once gave the law
in cloud and majesty and awe. Refrain

O come, thou Root of Jesse's tree,
an ensign of thy people be;
before thee rulers silent fall;
all peoples on thy mercy call. Refrain

O come, Desire of nations, bind
in one the hearts of all mankind;
bid thou our sad divisions cease,

O LITTLE TOWN OF BETHLEHEM

O little town of Bethlehem, how still we see thee lie!
Above thy deep and dreamless sleep the silent stars go by.
Yet in thy dark streets shineth the everlasting Light;
The hopes and fears of all the years are met in thee tonight.

For Christ is born of Mary, and gathered all above,
While mortals sleep, the angels keep their watch of wondering love.
O morning stars together, proclaim the holy birth,
And praises sing to God the King, and peace to men on earth!

How silently, how silently, the wondrous Gift is giv’n;
So God imparts to human hearts the blessings of His Heav’n.
No ear may hear His coming, but in this world of sin,
Where meek souls will receive Him still, the dear Christ enters in.

Where children pure and happy pray to the blessèd Child,
Where misery cries out to Thee, Son of the mother mild;
Where charity stands watching and faith holds wide the door,
The dark night wakes, the glory breaks, and Christmas comes once more.

O holy Child of Bethlehem, descend to us, we pray;
Cast out our sin, and enter in, be born in us today.
We hear the Christmas angels the great glad tidings tell;
O come to us, abide with us, our Lord Emmanuel!

O LOVE THAT WILL NOT LET ME GO

O Love that will not let me go, I rest my weary soul in Thee;
I give Thee back the life I owe, that in Thine ocean depths its flow
May richer, fuller be.

O light that followest all my way, I yield my flick'ring torch to Thee;
My heart restores its borrowed ray, that in Thy sunshine's blaze its day
May brighter, fairer be.

O Joy that seekest me through pain, I cannot close my heart to Thee;
I trace the rainbow through the rain, and feel the promise is not vain
That more shall fearless be.

O Cross that liftest up my head, I dare not ask to fly from thee;
I lay in dust life's glory dead, and from the ground there blossoms red
Life that shall endless be.

O SACRED HEAD, NOW WOUNDED

O sacred Head, now wounded,
With grief and shame weighed down,
Now scornfully surrounded
With thorns, Thine only crown;
O sacred head, what glory
What bliss, till now was thine!
Yet though despised and gory,
I joy to call thee mine.

What language shall I borrow
To thank Thee, dearest friend,
For this Thy dying sorrow,
Thy pity without end?
O make me Thine forever,
And should I fainting be,
Lord, let me never, never
Outlive my love to Thee.

Be Thou my consolation,
My shield when I must die;
Recall to me of Thy passion
When my last hour draws nigh.
Mine eyes shall then behold Thee,
Upon Thy cross shall dwell:
My heart by faith behold Thee.
Who diest thus dies well.

O Sacred Heart! O Love Divine!
Do keep us near to Thee;
And make our love so like to Thine
That we may holy be.

O worship the King, all glorious above,
O gratefully sing His power and His love
Our Shield and Defender, the Ancient of Days,
Pavilioned in splendor, and girded with praise.

The earth, with its store of wonders untold,
Almighty, Thy power hath founded of old,
Hath 'stablished it fast by changeless decree,
And round it hath cast, like a mantle, the sea.

Thy bountiful care what tongue can recite?
It breathes in the air, it shines in the light,
It streams from the hills, it descends to the plain,
And sweetly distills in the dew and the rain.

Frail children of dust, and feeble as frail,
In Thee do we trust, nor find Thee to fail;
Thy mercies how tender, how firm to the end,

O-HO THE TOWN MEETING WAGON

O-ho the Town Meeting Wagon is a comin' down the street,
Oh please let it be for me.
O-ho the Town Meeting Wagon is a comin' down the street,
I wish, I wish I knew what it could be.

They say they had a big one in Lacey
Next month there's goin' to be fifty more.
I hope that there will be one in our town.
And I won't miss a chance like this one, that's for sure.

O-ho the Town Meeting Wagon is a comin' now.
Is it a prepaid surprise or C.O.D.?
It could be new life, resurgence or a brand-new nation,
Or it could be-yes, it could be, yes, you're right, it surely could be-
Something special-something special-very, very special now
Just for me.

O-ho the Town Meeting Wagon is a comin' down the street,
Oh don't let him pass my door.
O-ho the Town Meeting Wagon is a comin' down the street.
I wish I knew what he was comin' for.

In the morning we will look at the issues,
At noon we'll celebrate history.
And once we've written up the proposals,
Us Local Men will start to build our destiny.

O-ho the Town Meeting Wagon is a comin' now.
I don't know how I can ever wait to see.
It could be something for someone who is no relation,
But it could be something special just for me.

O-ho you Town Meeting Wagon keep a comin',
O-ho you Town Meeting Wagon keep a comin',-
O-ho you Town Meeting Wagon don't you dare to make a stop,
Until you stop for me!

OBEDIENCE

Come all spirits
Roaming freely
Bind your will in
Common thrust

Stand beneath the
Gaze of neighbor
Ready to obey
Their trust

Take within yourself
The burden
Peace on earth,
Good will to men

All the world is
Now your parish
Every spirit
Yours to win

Let the light that
Fights with darkness
Show your rights
and
Everyman’s

Place your share
upon the alter
Burn it at the
Lord’s command

Speak with
lightening
When the shadows
Blind the eyes of
Those you love

Never let the
Clouds of winning
Block the glorious
Sun above.

Heed the cries that
Sound your passion
Bleed with every
Struggling one

Will that you might
Live to free them
Speak the Word, the
Deed be done

Launch with those
who
Share the vision
To expand man’s
Destiny

In the life that’s
Born of drowning
Sail with friends
who
Wage the sea.

Live your life
Before the calling
To discern the
Will of God

Each man of the
Globe your brother
Each demand a
Weight and rod

Choose to follow
On the ascending
Know that alone to
Be on your way

Then join hands
Beyond the border
With the Saints in
Bright array.

OF THE FATHER'S LOVE BEGOTTEN

1. Of the Father's love begotten
Ere the worlds began to be,
He is Alpha and Omega,
He the Source, the Ending He,
Of the things that are, that have been,
And that future years shall see
Evermore and evermore.

2. Oh, that birth forever blessed
When the Virgin, full of grace,
By the Holy Ghost conceiving,
Bare the Savior of our race,
And the Babe, the world's Redeemer,
First revealed His sacred face
Evermore and evermore.

3. O ye heights of heaven, adore Him;
Angel hosts, His praises sing;
Powers, dominions, bow before Him
And extol our God and King.
Let no tongue on earth be silent,
Every voice in concert ring
Evermore and evermore.

4. This is He whom Heaven-taught singers
Sang of old with one accord;
Whom the Scriptures of the prophets
Promised in their faithful word.
Now He shines, the Long-expected;
Let creation praise its Lord
Evermore and evermore.

Words written at New Orleans Town Meeting

Oh, I've got a vision,
I'll tell it to the people.
I'll tell it to the cities
All over this world;
I'll shout out freedom,
I'll shout out sharing,
I'll shout out love

Oh, I've got a banner
To carry to the people,
To carry through the cities
All over the world.
It'll spell out freedom,
It'll carry out sharing,
It'll sing out love
Between my brothers and my sisters,
All over this world.

Oh, I've got a song,
I'll sing it to the people,

I'll sing out sharing,
I'll sing out love

OLD MAN RIVER

Ol' man river,
Dat ol' man river
He mus'know sumpin'
But don't say nuthin',
He jes'keeps rollin'
He keeps on rollin' along.

He don' plant taters/tators,
He don't plant cotton,
An' dem dat plants'em
is soon forgotten,
But ol'man river,
He jes keeps rollin'along.

You an'me, we sweat an' strain,
Body all achin' an' racket wid pain,
Tote dat barge!
Lif' dat bale!
Git a little drunk
An' you land in jail.

Ah gits weary
An' sick of tryin'
Ah'm tired of livin'
An' skeered of dyin',
But ol' man river,
He jes'keeps rolling' along.

ON A CLEAR DAY

On a clear day, rise and look around you,
And you'll see who you are.
On a clear day, how it will astound you,
That the glow of your being outshines every star.
You feel part of ev'ry mountain, sea and shore.
You can hear from far and near,
A world you've never heard before.
And on a clear day, on that clear day,
You can see forever, and ever, and evermore.

ON THE ISLE OF DOGS

On the Island years ago
Where the ships came rolling in
Newcomers realized the beauty of it
And started settling in.

Chorus:
On the Isle of Dogs
This is the place to be.
On the Isle of Dogs
This is the place to be.
For you and for me
For you and for me.

Come and join us;
Help us build it.
You'll enjoy it more each day.
Having built your own ideas;
It will be a better way.

ON THE STREET WHERE YOU LIVE

I have often walked down this street before.
But the pavement's always stayed beneath my feet before.
All at once am I several stories high, knowing I'm on the street where you live.

Are there lilac trees in the heart of town?
Can you hear a lark in any other part of town?
Does enchantment pour out of every door?
No. it's just on the street where you live.

And, oh, the towering feeling just to know somehow you are near,
The overpowering feeling that any moment you may suddenly appear.

People stop and stare, they don't bother me;
For there's nowhere else on earth that I would rather be.
Let the time go by, I don't care if I can be here on the street where you live.

ON THE SUNNY SIDE OF THE STREET

Grab your coat, and get your hat,
Leave your worry on the doorstep,
Just direct your feet
To the sunny side of the street.

Can't you hear that pitter pat?
And that happy tune is your step,
Life can be so sweet
On the sunny side of the street.

I used to walk in the shade
With those blues on parade.
But I'm not afraid,
This Rover crossed over.

If I never have a cent
I'll be rich as Rockefeller,
Gold dust at my feet
On the sunny side of the street.

ONCE TO EVERY MAN AND NATION

Once to every man and nation
Comes the moment to decide,
In the strife of truth with falsehood,
For the good or evil side;
Some great cause, God's new Messiah,
Offering each the bloom or blight,
And the choice goes by forever
Twixt that darkness and that light.

Then to side with truth is noble,
When we share her wretched crust,
Ere her cause bring fame and profit,
And 'tis prosperous to be just,
Then it is the brave man chooses,
While the coward stands aside,
Till the multitude make virtue
Of the faith they had denied.

By the light of burning martyrs,
Christ, Thy bleeding feet we track,
Toiling up new Calvaries ever
With the cross that turns not back.
New occasions teach new duties;
Time makes ancient good uncouth;
They must upward still and onward,
Who would keep abreast of truth.

Though the cause of evil prosper,
Yet 'tis truth alone is strong;
Though her portion be the scaffold
And upon the throne be wrong,
Yet that scaffold sways the future,
And, behind the dim unknown,
Standeth God within the shadow,
Keeping watch above His own.

ONE FINE DAY

How are things in Marshall Islands? Do they sparkle in their giant lake?
Do the copra boats go on their run? Do women sell the baskets that they make?

Things are well in Marshall Islands. Here the third time has come round at last.
Here the fishermen now farm the sea.
New factories and stores provide their groceries.
Yes, this all is here.

Chorus:
With the dawning of each morning, from the toil of yesterday.
Cross the globe we hear the local people say.
“Things are well in (Marshall Islands) this fine day!”

How are things in Oombulgurri? Do the boob trees stand proud and bold?
Is the ferry barge down at the shore? Do elders share the stories they once told?

Things are well in Oombulgurri. Here the cattle and the horses roam.
And the water through the field now runs
Across the land, beneath the blazing sun where the garden grows.
Yes, this all is here.

How are things in Kwangyung Il Ri? Are Mount Halla’s distant slopes still there?
Do the rugged walls of rock rise high? Do buses on the new roads now appear?

Things are well in Kwangyung Il Ri where the flower gardens brightly bloom
Here the wind is sweeping wild and free
From the sea, as children run to school, and men work in the fields.
Yes, this all is here.

How are things in Maliwada? Does the mountain fortress greet the day?
Do the tractors travel down the road to plow the fields that soon will harvest hay?

Things are well in Maliwada where the gardener’s village is alive.
Now the model homes are standing new,
A clinic, too, and people come to learn at the evening school.
Yes, this all is here.

How are things in Kawangware? Are the strong Kikuyu standing tall?
Do the young and old work at the farms and market place, and dance upon the mall?

Things are well in Kawangware. It’s a place of glory for our time.
Now the people’s voices fill the air, they’re everywhere.
They say a new day’s come here for everyone.
Yes, this is all here.

ONE MOMENT IN TIME

Each day I live, I want to be
A day to give the best of me
I'm only one, but not alone
My finest day is yet unknown
I broke my heart for every game
To taste the sweet I faced the pain
I rise and fall, yet through it all
This much remains:

I want one moment in time
When I'm more than I thought I could be
When all of my dreams are a heartbeat away
And the answers are all up to me
Give me one moment in time
When I'm racing with destiny
Then, in that one moment of time
I will feel, I will feel eternity.

I've lived to be the very best
I want it all, no time for less
I've laid the plans, now lay the chance
Here in my hands.

Give me one moment in time
When I'm more than I thought I could be
When all of my dreams are a heartbeat away
And the answers are all up to me
Give me one moment in time
When I'm racing with destiny
Then, in that one moment of time
I will feel, I will feel eternity.

For my time
If you see that one moment in time
Make it shine

Give me one moment in time
When I'm more than I thought I could be
When all of my dreams are a heartbeat away
And the answers are all up to me
Give me one moment in time
When I'm racing with destiny
Then, in that one moment of time
I will be, I will be free.

I will be, I will be free.

OOMBULGURRI: MY HOME TOWN

I've heen away a long time, on the Wunan line.
Hearing tales about the place I love.
A place just out of Windham: Oombulgurri town.
People say it's now become a sign.

Chorus:
Hey it's good to be back home again:
Oombulgurri, my home town.
Feels like a long lost friend.
Hey it's good to be back home again.

Take the Lady up the river:
It's nestled in the hills:
Boab trees and cane grass all around.
My people always lived here, loved this land so dear.
Told me stories that I loved to hear.

Oombulgurri's growing, things are changing fast.
Seems like there's an awful lot to do.
I've been working steady, working awful hard:
Gonna build a house, a fence. A yard.

Looking toward the future, hope is in my heart;
Vision of a better life ahead.
All around the world now, others working, too;
Gonna make the global sign come true.

OPEN A NEW WINDOW

Open a new window,
Open a new door.
Travel a new highway that’s never been tried before,
Before you find you’re a dull fellow,
Punching the same clock,
Walking the same tightrope as everyone on the block.
The fellow you ought to be is three-dimensional,
Soaking up life
Down to your toes.
Whenever they say you’re slightly unconventional,
Just put your thumb up to your nose
And show ‘em how to
Dance to a new rhythm,
Whistle a new song,
Toast with a new vintage, the fizz doesn’t fix too long.
There’s only one way to make the bubbles stay.
Simply travel a new highway,
Dance to a new rhythm,
Open a new window every day.

Built the New Jamaica

In the village of Woburn Lawn
We built a sign
Here we stand tall
We are Iron Men for all

Gather us today in unity
Require of us a song
Now we can sing Jamaica a song
It's our new land

So let the works of our lives

Be the tools of a future bright
Oh Jamaica

Two thousand strong
Villages of care are we

PACK UP YOUR SORROWS

No use crying, talking to a stranger
Naming the sorrows you've seen
Too many sad times, too many bad times
Nobody knows what you mean.

Refrain:
But if somehow you could pack up your sorrows
And give them all to me
You would lose them I know how to use them
Give them all to me.

No use ramblin', walking in the shadows
Trailing a wandering star
No one beside you, no one to hide you
And nobody knows where you are.

No use gambling. running in the darkness
Looking for a spirit that's free
Too many wrong times, too many long times
Nobody knows what you see.

No use roaming, lying by the roadside
Seeking a satisfied mind
Too many highways. too many byways
Nobody's walking behind.

PENTECOST HYMN

Like the sound of heaven with the rushing of the wind
Came the fire a-burning and new life was given to men.
The young see visions and the old dream dreams
Born of fire, filled with power, for all men.

To the light from darkness, and to freedom from fear
Building from the ashes into one community
Peter, Paul, and Luther, Augustine and Benedict
Born of fire, filled with power, for all men.

With despair abounding and a lack of hope around
Still the Spirit comes to the ones who birth the day
Giving breath and being to the ones who give their death
Born of fire, filled with power, for all men.

For the coming ages and the journey of mankind
We claim the promise that the fire give life to them
Deciding freely to live on behalf of all
Born of fire, filled with power, for all men.

PEOPLE OF SPIRIT

People of Spirit march on to build a new tomorrow,
Theirs is the will to will one thing and only,
Theirs is the joy, the godly sorrow.

People of Spirit are made of flesh and blood and iron,
Theirs is the war that’s never won, but winning,
Theirs is the mission never done.

People of Spirit are black, tan, brown, white, red and yellow,
Theirs is the task to build the earth, the future,
Their lives are given for their fellow.

People of Spirit fight on and hold the common vision,
Theirs is not wealth nor status nor vainglory,
Theirs is not discord nor division.

People of Spirit march on to build a new tomorrow,
Theirs is the will to will one thing and only,
Theirs is the joy, the godly sorrow.

POVERTY

Tune: from Brahms' First Symphony, Fourth Movement

Come walk with Francis Like him you'll Laked die	Bound too by fame? Then You must leap O'er that shoal	Drawn too by surety? Living is to Be unsure	Belong in the tension Where life and Death contend
Free all you now cherish For time soon will pass you by	Your calling's been written Upon the Ages' scroll	So pour your life wholly Each burden you Will endure	As bridge to the future Burn out the flesh Time did lend
If you would do something When be God's nothing Be the Lord's ool and fife	The mass of most men Laugh and don't listen Say that you've Failed, gone mad	Abound with Paul and Run the race and In fullness There abase	If holiness binds you Leave it behind you Such vestments You must rend
In holding to naught where the secret is ound You are wealth When not by wealth...	Yet when all seems wrong You wink and appear gone Lo, the Lord's New face is...	In all that you do Make this your song That all earth To all men...	The only defense In the battle that's won Is life-in-depth, The Kingdom...

PRAISE TO THE LORD

Praise to the Lord, the Almighty, the King of creation;
O soul, praise him, for he is thy health and salvation:
All ye who hear, now to his temple draw near;
Joining in glad adoration.

Praise to the Lord, who o'er all things so wondrously reigneth,
Shelters thee under his wings, yea, so gently sustaineth:
Hast thou not seen? All that is needful hath been
Granted in what he ordaineth.

Praise to the Lord, who doth prosper thy work and defend thee;
Surely his goodness and mercy here daily attend thee.
Ponder anew what the Almighty can do,
If with his love he befriend thee!

Praise to the Lord, O let all that is in me adore him;
All that hath life and breath, come now with praises before him!
Let the Amen sound from his people again;
Gladly for aye we adore him.

O God, the world is waiting for resurgence, every heart is waiting for You.
The hopes of man, the spirit deeps are crying. Now, O God, the time is come!

O God, old men are dreaming dreams of future, and young men see visions of hope.
The prophecy from daughters all is rising. Now, O God, the time is come!

O God, pour out a portion of Your spirit, give a sign of what is to come,
Send down the fire of power and repentance. Now, O God, the time is come!

PRIMAL COMMUNITY MARCH, THE

Come! Gather! Hear the story!
Get ready for the long march!
Be those who do the mission,
Witnessing to His glory;
As we face life together
By His grace we’re bound and tethered
To be servants of all
Men everywhere.

We’ll nurture the men and women,
Train up the young among us,
Order our life together
As the universal church;
Make our decisions together
Corporately to reach conclusions,
Thrusting us into the world to
Love it into life!

We claim the future for those
Who build the world together
Living and working in the Now
As the ones who bear the Word
of the possibility
For all men to choose to be
Those who care for all mankind
To be set free.

PSALM 13

How long, O Lord, wilt thou quite forget me?
How long wilt thou hide thy face from me?
How long must I suffer anguish in my soul,
 grief in my heart, day and night?
How long shall my enemy lord it over me?
Look now and answer me, O Lord my God.
Give light to my eyes lest I sleep the sleep of death,
 lest my adversary say, "I have overthrown him,"
 and my enemies rejoice at my downfall.
But for my part I trust in thy true love.
My heart shall rejoice, for thou hast set me free.
I will sing to the Lord, who has granted all my desire.

The Lord is my shepherd,
I shall not want.
He maketh me to lie down in green pastures
He leadeth me beside still water;
He restoreth my soul.
He leadeth me in the paths of righteousness,
For His name's sake.
Yea, though I walk through the valley of the shadow
Of death, I will fear no evil,
For Thou art with me.
Thy rod and Thy staff they comfort me,
Thou preparest a table before me
In the presence of my enemies,
Thou anoint'st my head with oil,
My cup runneth over.
Surely, goodness and mercy shall follow me
All the days of my life;
And I shall dwell in the house of the Lord
Forever, and ever, and ever. Amen

PSALM 51

Have mercy on me, O God, according to Thy steadfast love.
From my iniquity wash me, cleanse me and my sin absolve.

Chorus:
Create in me a clean heart, O God, and within a new spirit impart.
The only sacrifice acceptable to Thee is a broken spirit and a wounded heart.

For well I know my transgressions, they confront me ceaselessly.
Against Thee, Thee only have I sinned, and done what displeases Thee.

For in iniquity I came forth, and in sin I was conceived.
Thou hast hidden truth in darkness that Thy wisdom be perceived.

Thou art blameless in Thy judgment, Thy verdict justified I know.
Take hyssop, sprinkle me and wash me, that I appear as new as snow.

I will teach the transgressors of the way that leads to Thee.
And sinners will again return, if only Thou deliver me.

Let me hear the sounds of gladness, let my broken bones rejoice.
O Lord God, open Thou my lips, that I may praise Thee with my voice

RAINDROPS KEEP FALLIN' ON MY HEAD

Raindrops keep fallin' on my head,
And just like the guy whose feet are too big for his bed,
Nothin' seems to fit.
Those raindrops are fallin' on my head, they keep fallin',
So I just did me some talkin' to the sun,
And I said I didn't like the way he got things done'
Sleepin' on the job.
Those raindrops are fallin' on my head, they keep fallin'.

But there's one thing I know,
The blues they send to meet me won't defeat me,
It won't be long till happiness steps up to greet me.
Raindrops keep fallin' on my head,

But that doesn't mean my eyes will soon be turnin' red.
Cryin's not for me.
'Cause I'm never gonna stop the rain by complainin'
Because I'm free nothin's worryin' me.

RALIK RATAK

Sailing their ships upon the water, into a future in the blue.
Strong men and women rode the current, moved by a power they knew.
How did they set upon these islands? How did the! know when they were home?
Was it the ocean wind whispering. “Raise your children strong.”

Refrain:
Ralik. Ratak. Ralik Ratak. Brave people born of the sea.
This is the time to sail forth now. Winds of the future calling me.

West winds brought strangers to our shoreline. following the golden sunset here.
Traders in search of precious oil, bringing a far world near.
Missions were built upon the coral: songs of the church filled the air.
Trumpets of war sounded o'er us, weakened yet strengthened our care.

The world is sailing by our door now. Some stop to linger, then move on.
The force that held us on the journey, tells us the future is born.
Once more we walk down to the shoreline, asking the waves which way to go.
Dreams of a life once far beyond us, dreams of a future we know.

RED CLOUD APPEARED IN A DREAM

Red Cloud appeared in a dream—
no warning, no words,
head unbowed, spirit free,
crying out, silently.
“Creatures beware!
What was done to my people
is turning back on your league.”

Red Cloud appeared in a dream—
defender, protector of
life, land, and liberty.
Prophesy, warrior chief,
bold truth declare
midst treaties broken and breached,
victories and tragic defeats!

Red Cloud appeared in a dream—
same vision for Earth,
for its fate, flowing tears:
mountains gone, rising seas—
critters take care—
dying rivers, chopped down trees,
lands grabbed by power’s rampant greed.

Red Cloud appeared in a dream—
eyes open and wise—
lasering poverty,
violence and disease,
heartbreak’s despair,
shattered lives and families.
Is this how Life is to be?

Red Cloud disappeared from a dream—
his wisdom still heard,
his presence lingering,
call for justice and peace—
no time to spare—
seventh generation to reach
to build Earth’s new community.

RESPONSIBILITY

Refrain:

Free men live in responsibility, duty bound and free in relativity.
Free men live in responsibility, whoever they may be, their deeds are history.

Observe and judge the given facts. Weigh up the values; decide and act.
You're alone, completely free, leave the judgment to history.

To no principle, no law, to no authority can you withdraw.
You decide it all alone, right from right and wrong from wrong.

Obligation is the call; to God and neighbor surrender all.
The free venture is the deed rendered up to meet the need.

Resurgence, life comes anew.
Now there is hope,
A vision to struggle for.
Now there is resolve
To give my life
On behalf of everyman.

Resurgence, life comes anew.
The problems of life
Are suddenly transformed.
My own problems fade,
My life's not my own
But given for everyman.

Chorus:
We are called by our brothers
To give them a hope.
We can live our lives for everyman.
We are called by our vision
To give it a form.
We can give our lives for everyman.

Resurgence, life comes anew.
All is allowed,
Life's cut wide open.
All history awaits,
The advent of life,
The freeing of everyman

Resurgence, life comes anew.
Our's is the task,
Our's is the burden.
We own all the future,
The destiny,
The life, of everyman.

RIVER OF TOMORROW

With each morning's rising sun,
Starks awakens now to see,
The rural come alive,
With new vitality.
 Deciding as the ones who care,
 To shape our destiny,
 Together we'll create.
 A new community

 And all the joy and pain it will take
 We'll gladly give . . new life to see.

Precious moments of a life,
Time so quickly passes by,
Generations of great wisdom.
A story that won't die.

 We offer you our heritage.
 Declaring once again.
 That Starks demands our efforts,
 Together we extend . . .

 The hope that there's a future yet to build
 new, New England waiting here

When the old brick steamer rounds the bend,
We'll all stand up and cheer,
And tell our friends and neighbors
A brand new day is here.

 The Sandy River lighthouse.
 Will beckon once again
 A river of tomorrow
 A future that won't end.
 And all the joy and pain it will take,
 We'll gladly give . . . new life this world will see.

It's for everyone

You know Dasher and Dancer and Prancer and Vixen,
Comet and Cupid and Donner and Blitzen.,
But do you recall?
The most famous reindeer of all?

Rudolph the Red-Nosed Reindeer (reindeer)
Had a very shiny nose
And if you ever saw it
You would even say it glows
And all of the other reindeer (reindeer)
Used to laugh and call him names
They never let poor Rudolph (Rudolph)
Join in any reindeer games

Then one foggy Christmas Eve,
Santa came to say,
Rudolph with your nose so bright,
Won't you guide my sleigh tonight?

Then all the other reindeer loved him,
And shouted out with glee,

You'll go down in history

SACHSENHAUSEN

Gestern gab es hier viel
Gemütlichkeit;

aber heut findet man auch sehr viel
Einsamkeit,

doch die Zukunft ist jetzt in unserer
Hand,

seht euch um, überlegt was da fist!

Da ist Applewoi and doch
Einsamkeit,

da sind Leute die sich wundern wo
das Alte bleibt.

Da ist Jung and Alt, doch sie sind
sich fremd; s
soll das auch in der Zukunft so sein?

SANCTIFIED MAN

We love the world in every moment
We love the world in every day.
We have no personal problems
We live our lives the global way.

Chorus:
‘Cause we’re the Sanctified Man, Sanctified Woman
The Word’s demand we now obey
Living as dead men, breathing the new life
We build the earth in every way

We style ourselves as global beings
Respecting all men's way of life.
We see the task that lies before us
As showing all the global way.

Each situation always finds us
As humble servants ready to obey.
The great demands the Lord has placed upon us
We take with joyous dancing fill with praise.

SANTA CLAUSE IS COMING TO TOWN

You better watch out
You better not cry
You better not pout
I'm telling you why

Santa claus is comin' to town
Santa claus is comin' to town
Santa claus is comin' to town

He's making a list
He's checking it twice
He's gonna find out
Who's naughty or nice

Santa claus is comin' to town
Santa claus is comin' to town
Santa claus is comin' to town

He sees you when you're sleeping
He knows when you're awake
He knows if you've been bad or good
So be good for goodness sake

So you better watch out
You better not cry
You better not pout
I'm telling you why

Santa claus is comin' to town
Santa claus is comin' to town
Santa claus is comin' to town

The kids in girl and boyland
Will have a jubilee
They're gonna build a toyland
All around the christmas tree

So you better watch out
You better not cry
You better not pout
I'm telling you why

Santa claus (is comin' to town)
Santa claus (is comin' to town)

SERGEANT KRUPKE

Dear kindly, Sergeant Krupke
You got to understand,
It's just my bringing upke
That gets us out of hand.
Our mothers all are junkies,
Our fathers are all drunks,
Golly Moses, naturally we are punks.

So take him to a head shrinker...

There are more lines

Officer Krupke, we're very upset
We never had the love that every child
ought to get,
We ain't no delinquents, just
misunderstood,
Deep down inside us there is good
There is good (2), there is untapped good,
Like inside the worst of us is good.

That's a touchin' good story,
Let me tell it to the world,
Just tell it to the judge,
Where's the judge - over here

Dear kindly judge, your honour,
My parents treat me rough,
With all the marijuana, they won't give
me a puff,
They didn't want to have me, but
somehow I was had,
Leapin' lizards, that's why I'm so bad.

Officer Krupke, you're really a square
This judge don't need a judge, he needs an
analyst's care.
It's just his neurosis, that ought to be
coibed,
He's psychologically distoibed.

I'm distoibed, You're distoibed (2x),
You're the most distoibed,
like we're psychologically distoibed.

Hear ye (2x), in the opinion of this court
This child is depraved, on account he ain't
had a normal home,
Hey, I'm depraved, on account I'm
deprived.

SAVIOUR, LIKE A SHEPHERD LEAD US

Saviour, like a shepherd lead us,
Much we need Thy tender care;
In Thy pleasant pastures feed us,
For our use Thy folds prepare:
Blessed Jesus, Blessed Jesus!
Thou has bought us, Thine we are,
Blessed Jesus, Blessed Jesus!
Thou hast bought us, Thine we are.

We are Thine, do Thou befriend us,
Be the guardian of our way;
Keep Thy flock, from sin defend us,
Seek us when we go astray:
Blessed Jesus, Blessed Jesus!
Hear, O hear us, when we pray,
Blessed Jesus, Blessed Jesus!
We will early turn to Thee.

Thou hast promised to receive us,
Poor and sinful tho' we be;
Thou hast mercy to relieve us,
Grace to cleanse, and power to free:
Blessed Jesus, Blessed Jesus!
We will early turn to Thee,
Blessed Jesus, Blessed Jesus!
We will early turn to Thee.

Early let us seek Thy favor,
Early let us do Thy will;
Blessed Lord and only Saviour,
With Thy love our bosoms fill:
Blessed Jesus, Blessed Jesus!
Thou hast loved us, love us still,
Blessed Jesus, Blessed Jesus!
Though hast loved us, love us still.

SEE THE LOCAL PEOPLE

There's a great resurgence going on throughout the human race
In communities across this earth, our common human place,
There's a mighty declaration: All the earth belongs to all,
And out of every nation there are those who've heard that call.

Chorus:
See the local people rise,
The local people rise,
From the pain of our planet
See the local people rise.

They began to work together to do the job at hand
All ages and all races, together they did stand
Brought streams of water gushing forth upon the desert floor
And in each heart hope bubbled up where none had been before.

Chorus

At times the way was dark and hard, the vision almost gone
At times there were no colleagues, so they marched on all alone
They're a quiet sort of hero with a quiet sort of care
And yet their courage gives us all a future we can share.

Chorus

And when they share together the victories they've won
They see the task they've been about has only just begun
For until in each community, each daughter, every son,
Can live in human dignity, the task is still undone.

Chorus

SEED OF LIFE, THE

The seed that has been sown
Was tender, brown and small
With it the power for life
Was hidden in the fall
The roots were struggling forth
There greenness reaching out
New life was in our midst
Community the shout:

Community
Community

With earth so strong and firm
We molded and we card
Now struggling to be born
A people who could dare
Man’s city here we love
Our joys and all our pain
Are planted in this soil
A vision not to wane.

SENTIMENTAL JOURNEY

Ev'ry rolling stone gets to feel alone
When home, sweet home is far away.
I'm a rolling stone who's been so alone
Until today.

Chorus:

Gonna take a sentimental journey
Gonna set my heart at ease,
Gonna make a sentimental journey
To renew old memories.
Got my bag, I got my reservation,
Spent each dime I could afford.
Like a child in wild anticipation,
Long to hear that "All Aboard."

Seven, that's the time we leave, at seven.
I'll be waiting up for Heaven,
Countin' ev'ry mile of railroad track that takes me back.

Never thought my heart could be so "yearny."
Why did I decide to roam?
Gotta take this sentimental journey,
Sentimental journey home

While the children run to school to start the day.

Oh, Shantumbu, Oh Shantumbu, how we love you,
Sound of drums beneath the velvet, diamond sky.

Glorious streams from heaven above
Heavenly hosts sings Hallelujah.

Silver bells silver bells
It's Christmas time in the city
Ring a ling, hear them sing
Soon it will be Christmas day

City sidewalks busy sidewalks .
Dressed in holiday style
In the air
There's a feeling
of Christmas
Children laughing
People passing
Meeting smile after smile
And on every street corner you'll hear

Silver bells silver bells
It's Christmas time in the city
Ring a ling, hear them ring
Soon it will be Christmas day

Strings of street lights
Even stop lights
Blink a bright red and green
As the shoppers rush
home with their treasures

Hear the snow crunch
See the kids bunch
This is Santa's big scene
And above all this bustle

 ‘tis a gift to come down where we ought to be,

ENOUGH’S ENOUGH

Tune: 12th of Never

The Earth is given sunshine
by which things grow
The Earth is given rhythms
that ebb and flow
The Earth is given species
that have no end
The Earth is given humans
yes, yes, my friend

I grant myself some balance
within, without
I grant my friends their silence
and joyful shouts
I grant my neighbors safety
and welcome home
I grant the world its beauty
and space to grow

We’re groaning with imbalance
and life style shock
We’re cluttered with possessions
we’re way in hock
But inwardly we’re smiling
because we know
A complex, simple lifestyle
is the way to go

I told my boss to screw it
there’s too much stress
She said she had a vision
of new success
Instead of reaping profits
through short term gains
Create value for grandchildren
so all will gain.

We have to spread the message,
enough’s enough
We have to look more deeply
past all our stuff
There is a central question
which we all share
How can we live more lightly
and show our care?

WE’VE GOT PLENTY

Tune: I’ve Got Plenty of Nothing

I’ve got plenty of something
And something’s plenty for me
Got my joy
Got my pals
Know just what I need.

Folks with plenty of too much
Got a lot to protect
Can’t be free
Can’t be me

Consuming night and day
There’s a way
We’ve got plenty of something
And something’s plenty, you see.

SIMPLI-CITY

Tune: Sentimental Journey

Gonna make a move to simpli-city
Gonna try to simplify
Never thought my wants could be so burning
How can expectations be so high?

Filled myself with deep desire and yearning
Why did I decide to change?
Never thought my life would turn so churning
Why is it I feel so strange?

Being—that’s what we are call—to Being
Changing—that’s the way to do it
Changing every aspect of enough
Away from stuff

Gonna make a move to simpli-city
End this long depressive roam
Silence is the way to be compassion
That’s the way to journey home.

SING FOR THE CLIMATE

The tune “Bella Ciao”, a song sung by the Italian anti-fascist resistance movement between 1943 and 1945. In September 2012, 80,000 Belgians sang it in 180 town squares: in October 725 schools organized a Sing@School, with 300,000 children singing it. In December 2012 a video of the song was shown at the COP18 climate talks in Qatar. It is the anthem of the Sing for the Climate Project calling for meaningful action on issues of climate change. This version includes edits made by Accelerate 77 singers November 2013.

The Earth says wake up
It's time to wise up
It's time to open our eyes and do it
NOW, NOW, NOW
We're out to build a better future
And we're on the march right now.

We're on a planet
That has a problem
Time to solve it, get involved and do it
NOW, NOW, NOW
We're out to build a better future
And we're on the march right now.

Make it greener
Make it cleaner
Make it last, make it fast, and do it
NOW, NOW, NOW
We're out to build a better future
And we're on the march right now.

No point in waiting
Or hesitating
Let's be wise, no more lies and do it
NOW, NOW, NOW
We're out to build a better future
And we're on the march right now.

We're out to build a better future

SKYE BOAT SONG

Chorus:

"Speed bonnie boat, like a bird on the wing,
Onward," the sailors cry!
“Carry the lad that's born to be king,
Over the sea to Skye!"

Loud the winds howl, loud the waves roar,
Thunder clouds rend the air;
Baffled our foes stand on the shore,
Follow they will not dare.
Through the waves leap, soft shall ye sleep,
Ocean's a royal bed;
Rocked in the deep, Flora will keep
Watch by your weary head.

Many's the lad fought on that day,
Well the day more could wield,
When the night came, silently lay
Dead on Culioden's field.

Burned are our homes, exile and death
Scatter the loyal men;
Yet, e'er the sword cool in the sheath
Charlie will come again.

What do I need when you get right down to it
All my cares come from greed, and it's time that I know it

SMOKE GETS IN YOUR EYES

They asked me how I knew
My true love was true
I of course replied
Something here inside
Can not be denied

They, said some day you'll find
All who love are blind
When you heart's on fire
You must realize
Smoke gets in your eyes

So I chaffed them, and I gaily laughed
To think they would doubt our love
And yet today, my love has gone away
I am without my love

Now laughing friends deride
Tears I cannot hide
So I smile and say
When a lovely flame dies
Smoke gets in your eyes

SOCIAL DEMONSTRATION LOVE SONG

The Land lies dark and shrouded in the Mystery,
Of brokenness and pain of all Mankind.
The consciousness flows forth from every human
A River of Hope begins to wind.
And in the midst of innocent human suffering,
A Mountain of Care begins to swell.
The Sea lies tranquil,
For I have been loved dearly More dearly than the spoken word can tell.

Fifth City, Majuro and Oombulgurri,
Held up a sign of hope for Local Man.
Kawangware, Isle of Dogs and Maliwada,
Changed the story from we can't into we can.
Sudtonggan, Kwangyung Il, became a symbol,
Of possibility for all to tell, That Life is beautiful,
For they have been loved dearly,
More dearly than the spoken word can tell.

El Bayad, Termine and Cano Negro,
Stand now to claim their future destiny.
Kreuz.berg Ost, Sungai Lui and Ivy City,
Found life where none had been for all to see.
Kapini and Hai Ou were added symbols
Of possibility for all to tell,
That Life is beautiful,
For they have been loved dearly,
More dearly than the spoken word can tell.

Lorne de l'Acadie, Nam Wai, Kelapa Dua,
Declared themselves as new communities.
Ijede, Delta Pace, Inyan Wakagapi,
Foretold a world of fresh vitality.
Vogar and Oyubari fill the circle,
Of demonstration signs for all to tell,
That Life is beautiful,
For ALL have been loved dearly,

SOME ENCHANTED EVENING

Some enchanted evening, you may see a stranger
You may see a stranger, across a crowded room.
And somehow you know, you know even then
That somewhere you'll see her again and again.

Some enchanted evening, someone may be laughing,
You may hear her laughing across a crowded room,
And night after night, as strange as it seems,
The sound of her laughter will sing in your dreams.
Who can explain it? Who can tell you why?
Fools give you reasons, wise men never try.

Some enchanted evening, when you find your true love,
When you hear her call you across a crowded room.
Then fly to her side, and make her your own,
Or all through your life you may dream all alone.

Once you have found her, never let her go.
Once you have found her, never let her go.

SOMETHING TO SING ABOUT

I have walked 'cross the sand on the
Grand Banks of Newfoundland
Gazed on the ridge of the Miramichi,
Seen the waves tear and roar at the storm coast of Labrador,
Watched them roll back to the great northern sea.

Refrain:
From the Vancouver Island to the Alberta Highland,
'Cross the prairie and the lakes to Ontario's towers,
From the sound of Mount Royal's chimes out to the Maritimes,
Something to sing about, this land of ours.

I have welcomed the dawn from the fields of Saskatchewan.
Followed the sun to the Vancouver shore.
Watched it climb shiny new to the snow peaks of Caribou.
Up to the clouds where the wild Rockies soar.

I have heard the wild wind sing the places that I have been,
Bay Bulls and Red Deer and Strait of Belle Isle,
Names like Grand 'Mere and Silverthrone. Moose Jaw and Marrowbone
Trails of the pioneer, named with a smile.

I have wandered my way to the wild wood of Hudson Bay,
Treated my toes to Quebec's morning dew.
Where the sweet summer breeze kissed the leaves of the maple trees,
Sharing this song that I'm singing to you.

Yes, there's something to sing about, tune up a string about.
Call out in chorus or quietly hum,
Of a land that's still young with a ballad that's still unsung,
Telling the promise of great things to come.

SOMETIMES I FEEL LIKE A MOTHERLESS CHILD

SOMEWHERE OVER THE RAINBOW

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby.

Somewhere over the rainbow
Skies are blue,
And the dreams that you dare
To dream really do come true.

Someday I'll wish upon a star
And wake up where the clouds are far behind me.
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me.

Somewhere over the rainbow Bluebirds fly.
Birds fly over the rainbow,
Why then, oh, why can't I?

If happy little bluebirds
Fly above the rainbow
Why, oh, why can't I?

SONG OF ASSEMBLY II

We've gathered our community,
We're people who understood,
We've come together to create
A lasting neighborhood.

We're here to learn, to think and plan,
To meet our neighbors too.
We'd like to leave this place today,
With dreams that will come true.

We'd like to bring back friends who care,
About where they all live,
And teach them that to live in peace,
Means of themselves they give.

That's the song we sing,
Hoping that we'll be heard,
A song to help us create,
THE NEW MAPLEWOOD.

SONG OF FESTIVAL '76

This is the time for people to celebrate
This is the time to all come alive
This is the year to honor the record of our past
And to know that Maplewood's arrived.

We have a great parade for us all to see
We have a fair that promises fun
We have a dance that no one would ever want to miss
As we move our Maplewood along.

The miracles have given us the vision
Knowing, doing, giving of our all
Setting up the signs of all our future goals
And the plan that is for all to see.

The Festival that honors what our country is
Creating, building, always on the move
The Festival to set the pace, to show the world a brand new face,
And demonstrates the new society.

SONG OF SERVANTHOOD

There's a secret
Mysterious but true,
That when your life is turned to serving
Life bursts forth anew.

When life is destined
To care for all the earth,
You will find courageous living,
Yields again new birth.

Then your whole life long is found to be
Uncertainty
Though your life intends to be creating
History.

To be of service,
With those upon the Way,
Create the story, tell the promise
Of the new found day.

SONG OF THE PROPHETS

Chorus

Out of the depths of history The Cry! The Cry!
Calls forth the prophets of the time to build the new.
We are the ones who see the vision.
Struggle to bring new life to men,
And we know we carry the future of every man.

It called to Jeremiah The Cry! The Cry!
"I send you out to speak the Word and build the New."
He said, "Oh Lord. I am too young, I am too young to do this deed."
But the Lord said, "Jeremiah. I'll give you the strength."

Chorus

Isaiah heard within his heart The Cry! The Cry!
"Whom shall I send and who will go to build the New?"
"I am the one who must decide to breathe new spirit into the hearts of men."
I decide to live on behalf of all.

Chorus

Demanding of Ezekiel The Cry! The Cry!
"Go to my children, sad and tired and build the New.
They have forgotten the vision they saw, the promise of all history
Is theirs to have is only they hear my call."

SONG OF THE SOUL

“Love of my life,” I am crying;
I am not dying: I am dancing,
dancing along in the madness;
there is no sadness, only a song of the soul.

Chorus:
And we’ll sing this song;
Why don’t you sing along?
and we can sing for a long, long time.
Why don’t you sing this song,
why don’t you sing along?
and we can sing for a long, long time.

What do you do for your living?
Are you forgiving, giving shelter?
Follow your heart; love will find you;
Truth will unbind you; sing out a song of the soul.

Chorus

Come, to your life like a warrior;
Nothin’ will bore yer; You can be happy.
Let in the light; It will heal you;
And you can feel you sing out a song of the soul.

SONG OF THE VOYAGE

The people of this world can see
That they can plan their destiny,
The time has come for unity,
The future's in their hands.

The tear of fear we have denied,
Terror, war and want defied,
On local strength we have relied,
One globe of many lands . . .

Chorus:
Knowing each one's got their chance,
Creation building, life enhance
To be the ones who care within
Our turning, spiraling, whirling world.

We've seen the earth from way out there,
It's filled us with the power to care,
This century calls to risk and share
To be the sign of love;

Now we see the earth as one
No limits block what has begun,
There's time to build for everyone
Create the earth anew . . .

SONG SUNG BLUE

Song sung blue - everybody knows one
Song sung blue - every garden grows one
Me and you are subject to the blues now and then
But when you take the blues and make a song,
You sing them out again, sing them out again.
Song sung blue - weepin' like a willow
Song sung blue - sleepin' on my pillow

Funny thing but you can sing it with a cry in your voice
And before you know it start to feelin good
You simply got no choice, simply got no choice.
Song sung blue - everybody knows one.
Song sung blue - every garden grows one.
Me and you are subject to the blues now and then
But when you take the blues and make a song
You sing them out again, sing them out again,

SONG TO MY COLLEAGUES

Remember the times we walked in shadows
Together we reached to find the sun,
Trying to make a difference in our world,
Trying to care for ev’ry one.
O we never felt we needed glory
Sustained by the hope that things could change,
Yet I never said how much you meant to my life,
You helped me overcome the pain.

Refrain:
Did you ever now that you’re my hero?
You’re everything I would like to be.
I could fly higher than an eagle
For you are the wind beneath my wings.

Remember the sparks of hope we cherished
Together we fanned them into flame,
‘Til even the dimmest eye could see a new world,
Which even the faintest heart could claim.
It might have appeared to go unnoticed
But I’ve got it all here in my heart,
I want you to know I know the truth, of course, I know it,
I would be nothing without you.

SOUTHWEST SINGS OUT

We saw them coming in the past
Trading furs and building farms,
Railroads moved across this land,
Towns sprang up along the way,
Cities mushroomed, buildings loomed,
Oil was found and business boomed,
Schools of learning filled the need
For this new society.

Since John Walters found the place
He could start his life anew
Industries supply the world,
Airlines opening up the North,
Southwest citizens step forth

To build a new community
Speaking out with common voice:
We will make our future great.

Let's all get together now
Build a place for you and me,
A place where we can live and learn,
Sharing all there is to be,
Helping one another grow,
Band together, young and old;
We can hear the future call:
Get together one and all.

SPIRIT OF CARE

Lonely the road
Homeland is gone
Deafened by silence—
We travel on.
People who care

Over the world
Strange shadows form
Villages standing as one
Through raging storms
People who care
Spirit of care

No one to hate
Cleanly restored
Finally moving as one spirit
dancing through doors
Surrounded by harmony
echoing two million songs
Earth rise alive
New age belongs

Hope beyond hope
Sacred intent
Ceaselessly suffering
Never relent
People who care
Spirit of care
Triumphantly won

Carried by waves
Lives ever claimed
Nothing compels us to love
Always unnamed
People who care
Spirit of care
Eternally one

STANDING ON THE PROMISES

Standing on the promises of Christ my King,
Through eternal ages let his praises ring.
Glory in the highest, I will shout and sing,
Standing on the promises of God

Refrain:
 Standing, standing,
 Standing on the promises of God my Savior,
 Standing, standing,
 I'm standing on the promises of God

Standing on the promises that cannot fail,
When the howling storms of doubt and fear assail
By the living word of God I shall prevail,
Standing on the promises of God.

Standing on the promises I cannot fall,
Listening every moment to the Spirit's call,
Resting in my Savior, as my all in all,
Standing on the promises of God.

STILLNESS LINGERS IN MY SOUL

I've journeyed on since the world began,
I'll journey on till it ends.
Everyday the same, the Mystery gives no name,
I live each day in wonder.

Refrain:
Stillness lingers in my soul. dark night seems so very long.
All hopes are gone, the restless march moves on.
Silence is my song.

I see my death laughing at me
I see the call to be free.
Tears of joy and pain never explain.
I play life's game in terror.

I hear the suffering calling to me,
I hear the innocent weep.
Care knows no fame there's no thing to gain,
I build the earth in fervor.

I feel a strange power emerging in me.
I feel the pulsebeat of new community
Joy fills my brain, peace now remains
I dance again in rapture.

Stillness lingers in my soul.

STORIES OF NEW LIFE

Stories of new life
Of people who have willed to do
Together what creates anew
In villages so visions can come true.

Stories of new life,
Fallow fields come into bloom,
Endeavors out of brick and loom
Raise up the poor from centuries' heavy gloom.

Chorus:
The stories must be told,
New signs for all the world to see,
From the pains of hard won victory
The future's breaking free,
We're given back our life in many ways
And grateful for these days.

Stories of new life,
In summer's sun and winter's snow
The working faces beam and glow,
Prepare the road for those they'll never know.

Stories of new life,
A painted wall with rising sun
Where healthy children learn and run,
Clear water flowing—hope and selfhood won.

If he stays away old rockin' chair will get me

All lost in a wonderland, a stranger in paradise.

For mortals who stand beside an angel like you.

Out of the commonplace into the rare!
Somewhere in space I hang suspended
Until I know there's a chance that you care.

STRANGERS IN THE NIGHT

Strangers in the Night
Exchanging glances,
Wondering in the Night
What were the chances
We'd be sharing, love
Before the Night was through.

Something in your eyes
Was so inviting,
Something in your smile
Was so exciting
Something in my heart
Told me I must have you.

Strangers in the Night
Two lonely people we were,
Strangers in the Night
Up to the moment when we
Said our first hello,
Little did we know
Love was just a glance away,
A warm embracing dance away and ~

Ever since that Night
We've been together,
Lovers at first sight
In love forever,
It turned out so right
For strangers in the Night.

Suddenly peace dawns in dark tragedy; enemies fade fearless in ecstasy.

Vict'ry: to battle in life's true fight. Vict'ry: life's bursting through death's dark night.

SUNNY SIDE OF THE STREET

Grab your coat and get your hat,
Leave your worries on the doorstep
Just direct your feet
To the sunny side of the street.
Can't you hear that pitter pat?
And that happy tune is your step.
Life can be so sweet
On the sunny side of the street.
I used to walk in the shade
With those blues on parade.
But I'm not afraid, this rover crossed over.

SWEET SURRENDER

No longer lost on some forgotten highway,
Traveled by many, remembered by few,
Looking for something that I could believe in
Looking for something that I'd like to do
With my life.
There's plenty behind me
But nothing to bind me
And right now it seems to be more than enough
To delight in today.
We don't know what the future is holding in store
But know where we're going
We've seen the Star of Hope

There's a spirit that guides us,
A light that shines for us,
Life is worth living, we don't need to see the end.
Sweet, sweet surrender
Live, live with your care
Be like fish in the water
Be like birds of the air.

TAIRGWAIYH’S NEW VISION

There once were three pits in the Village
With coal shafts of Macrdy, East and Steer.
Great singing in the church every Sunday;
A two mile walk three times a day.

Then came the War, with children sheltered here;
The welcome in the Valley helped them through the years
Tairgwaith showed new visions for the world.

People say Tairgwaith is dead end
With the coal tips ever present here.
But the Dragon stole the Triple Crown and Grand Slam
Great celebration at the club with beer.

Daffodils in bloom, our emblem is a plume.
The houses of the Works, coal is our perks.
Tairgwaith hopes new visions for the world.

Creating a new face of the Village,
A warm welcome as you enter here,
Great singing once again in the Village,
A new way of life has now appeared.

People assemble young and old alike;
Decisions being made for our future life.
Tairgwaith lives new vision for the world.

TAKE CARE AND BUILD THE EARTH

Do not go gentle into that good night
Souls should burn at close of day
Rage against the dying light
Against the darkened maze
Warriors wounded and worn
Yet trusting and unalarmed
Wink at the moon
Though it smile too soon
In silence sing rebirth
Take care and build the earth

Do not go gentle into that good march
Souls should burn at resting’s end
Rage against the journey’s arc
Against life’s chosen bend
Warriors attentive and armed
Yet vulnerable and scarred
Tip toe to stars
Though they beckon too far
In stillness dance clown’s mirth
Take care and build the earth

Do not go gentle into that good life
Souls should burn at hopeless days
Rage against the endless strife
Against the Mystery’s Way
Warriors filled with dreams
Of victories unseen
Embrace lightning’s touch
Though consuming too much
Beloved ones endure
Take care, and build the earth

TARGWAITH’S NEW VISION

There once were three pits in the Village
With coal shafts of Maerdy, East and West.
Great singing in the church every Sunday;
A two mile walk three times a day.

Then came the War, with children sheltered here.
The welcome in the Valley helped them through
The years.
Tai'rgwaith showed new visions for the world.
People say Tai’rgwaith is dead end
With the coal tips ever present here.
But the Dragon stole the Triple Crown and Grand Slam
Great celebration at the club with beer.

Daffodils in bloom, our emblem is a plume.
The houses of the Work, coal is our perks.
Tai'rgwaith hopes new visions for the world.

Creating a new face of the Village
A warm welcome as you enter here
Great singing once again in the Village
A new way of life has now appeared.

People assemble young and old alike:
Decisions being made for our future life
Tai'rgwaith lives new vision for the world.

TEN MOVE AS ONE

Say to the world that the time has come
When the ten will build as one
And be a sign for all the world
A vision that the earth belongs to all
We will build as one.

We are people in community
We're bringing forth the ones who will stand
Equip them for the task at hand
Releasing hope in nations to flow
And share their goods and gifts with all
Our resolve that the ten
Shall move as one.

Share with the world approaches that work
Local people point the way
Fifty nations join as one
An event of declaration
We will build as one

Local people meeting face to face
And their wisdom is in demand
Share it, travel throughout the land
Create directions for local care
Communicate them to the world
It's our cry that the ten
Shall move as one.

Be for the world the people who dare
To live forming zones of care
Primal community revealed
The signals of a new society
We will build as one

Our presence at the centre be
Manifesting global unity
The coalition now is the sign
New spirit forms across the world
All with the Mystery reconciled
It's a sign that the ten
Shall move as one.

TERLANEN (BELGIAN TOWN MEETING SONG)

Asn de oevers de Lane
Kon men vroeger zwemmen gaan
Maar nu stinkt diezelfde Lane
En drift het schuim er bovenan.

Vroeger plukte kinderen blowcn
Langs de molen in het graan
How is het grondbeleid geworden
Onze kinderen moeten gaan

Mannen vrouwen van Terlanen
Laat one samen hand in hand
Voor het dorp waarin wij wonen
Stijden voor een hechte band.

THANK GOD, I'M A LOCAL MAN

1
Well, I came to a town
And travelled around
Searched for a job
Then settled down
'Til along came a circus
With strange spirit clowns
Branding wedgeblades on my crown
 They had their grids
 They had had their papers and
 Plane reservations for
 Cosmic capers
 Symbols and manuals for global gapers
 Good God, they were global men

2
My eyes grew big
My mind was blown
How could this be
This earth's not my home
I looked at my house
And felt all alone
A new seed had been sewn
 I looked at those grids
 I looked at those papers and
 Plane reservations for
 Cosmic capers
 Symbols and manuals for global gapers
 Good God, I'm a global man

3
I looked at my past
I looked ahead
Saw lives like mine
Waiting to be fed
It can't be done
Is what I said
Then I crawled back to my bed
 I hid from the grids
 I hid from the papers and
 Plane reservations for
 Cosmic capers,
 Symbols and manuals for global gapers
 No way, I'm just a local man

4
I felt so weak
My spirits were low
I resented my life
And the world's weary load
I looked at my community
And stared at the globe
But saw faith, love, and hope
 So I got my grids and
 I got my papers and
 Plane reservations for
 Cosmic capers
 Symbols and manuals for
 global gapers
 Thank God, I'm a global man

Yes, I got my grids and
I got my papers and
Plane reservations for
Cosmic capers
Symbols and manuals for
 global gapers
Thank God, I'm a local man

THAT HE REIGN

Slaves of Christ, his mercy we remember, and his will that our lands for him we win,
That he reign—our witness we shall bear, for all his brethren care,
And his communion share in all our work and prayer.

Refrain:

Slaves of Christ, his mercy we remember, and His will that our lands for Him we win.

Calling men, the laboring and the laden, to his feet that their burdens He may lift.
At his work—their sorrows fully past, their troubles on him cast,
Their sickness healed at last, will men to him hold fast.

Bringing him, our Master and our Savior, where his sword must all false pretenses slay.
That his peace—may shatter human pride, the right from wrong divide,
The widow's cause decide, injustice set aside.

THAT OLD BLACK MAGIC

That old black magic has me in its spell.
That old black magic that you weave so well
Those icy fingers up and down my spine,
The same old witchcraft when your eyes meet mine.

The same old tingle that I feel inside.
And then that elevator starts its ride,
And down and down I go, ‘round and ‘roud I go.
Like a leaf that’s caught in the tide.

I should stay away, but what can I do?
I hear your name, and I’m aflame.
Aflame with such a burning desire.
That only your kiss can put out the fire.

For you’re the lover I have waited for,
The mate that fate had me created for.
And every time your lips meet mine,
Darling, down and down I go,
‘Round and ‘round I go
In a spin.
Loving the spin I’m in
Under that old black magic called love.

Oh, I'm a lost and lonely soul; my heart is full of cryin'.
The cry is not for pain of me—it is my God a-dyin'.

He bids me smash my house and brain: my life for him be given.

Refrain:

I say, "O Lord, if that be you, I really must be certain.
Pull back the veil and show your face. What lies behind the curtain?"
The Cry responds in anguished tone, "There is no time for showing.
The past and future wait on you, to die your death not knowing."

It's then I feel the pangs of love for earth and men and heaven.
"I'll save these for you Lord." I cry. "And this can be your leaven."
The Cry responds. "It's not for me; you save what you inherit.
For I must crush your world to bones. and grind it into spirit."

"I'm not a God of virtue now, of peace, or of refinement.
It's war against the infidel—and that's your one assignment!
The infidel who's satisfied, whose world is staid and stable-
Bring that fat beast before my throne and slay him on my table!"

It's then I know what I had known before the world began;
The infidel, the satisfied, 'tis I who am that man!
Oh, I'm a lost and lonely soul; my heart is full of cryin'.
The Cry is now for pain of me—my God and I are dyin'.

THE WAY OF THE CROSS LEADS HOME

I must needs go home by the way of the cross, there's no other way but this.
I shall ne'er get sight of the gates of light, if the way of the cross I miss.

Chorus:
The way of the cross leads home; the way of the cross leads home.
It is sweet to know, as I onward go, the way of the cross leads home.

I must needs go on in the blood-sprinkled way, the path that the Savior trod,
If I ever climb to the heights sublime, where the soul is at home with God.

Then I bid farewell to the way of the world, to walk in it never more.
For my Lord says, "Come," and I seek my home where he waits at the open door.

THE ANCIENT ONES

We are the Ancient ones of all History
We rush to meet the newly dawning day
With wisdom past and the Secret of the future
We'll dance the way of life with the World.

We are the Ancient ones of all History
Our people are the oldest of them all
We'll take the pain and the tragedies of man
We'll live the suffering that none should bear

We are the Ancient ones of all History
We recreate the hope of giving life
We'll share the dreamtime uttered long ago
We'll sing the wonder of the rising sun.

We are the Ancient ones of all History
We have a sign—our people move once more
We're going to hold up the wisdom of the ages
We're going to hold it up for all time

We are the Ancient ones of all History
The day is come to run and meet the sun
The way is long but the vision travels with us
We'll fill the future with the wonder of it all.

THE APOSTLE'S CREED

I believe in God
The Father Almighty;
Maker of heaven and earth.
And in Jesus Christ,
His only Son, our Lord.
Who was conceived by the Holy Ghost.
Born of the Virgin Mary;
Suffered under Pontius Pilate;
Was crucified, dead and buried.
He descended into Hell,
On the third day He arose again from the dead.
He ascended
Into Heaven;
And sitteth on the right hand of God,
The Father, Almighty.
From thence He shall come to judge,
The quick and the dead.
I believe in the Holy Ghost,
The Holy Catholic Church,
The communion of saints,
The forgiveness of sins,
The resurrection of the body,
And the life everlasting.

Down the country roads Town Meeting brings a new community.

It's awakening the people from the mountains to the sea,
From coast to coast their story is filled with destiny.
They will talk of their new visions and a new humanity;
Community resurgence is the global victory.

Death awaits.
 No escape.
Power is born.

Free to Decide the moral ground
Create the self.
Election absurd.
Painful relief.

Consuming mission, Mountain of Care
Election to life the burden you bear
Freely bound.
Never look back.

The hope of no hope defeating the foe
Awful truth
Fitful dance.

Tune: O Holy Night

First find the parts, relate them to each other
And then relate all the parts to the whole.

Number the paragraphs that you are reading
Then turn your paper on its side and draw a line
Divide up the line with one space per paragraph
Look quickly for the key words that catch your eye

Write them on your chart beneath their number
Choose 2 or 3 more to help your memory
Which group together??
What are these groups about?

Divide these into 2
or more parts and title them

The Church of God is like the pioneer. the sensitive, responsive one.
Who hears the Word of God and sees His judgements.
And has the vision of the resurrection.

The Church of God is like the Israelite, whose voice denounced idolatry.
Who lived in brother-love, the law responsible.
And thus eventually all nations would be blessed.

The Church of God is like the Nazarene. first risen in obedience.
Who on behalf of all, showed what all men might do.
Who in God's mercy lived and gave that gift to man.

The Church of God, the world-society, to God-in-Christ and Christ-in-God
Responds in hope and trust, repents for all Mankind.
And so reduplicates the deed of Jesus Christ.

THE CROWDED WAYS OF LIFE

Where cross the crowded ways of life,
Where sounds the cries of race and clan,
Above the noise of selfish strife,
We hear Thy voice, O Son of man!

In haunts of wretchedness and need,
On shadowed threshold dark with fears,
From paths where hide the lures of greed,
We catch the vision of thy tears.

From tender childhood's helplessness,
From woman's grief, man's burdened toil,
From famished souls, from sorrow's stress
Thy heart has never known recoil.

The cup of water given for thee
Still holds the freshness of thy grace;
Yet long these multitudes to see
The sweet compassion of thy face.

O Master, from the mountainside,
Make haste to heal these hearts of pain;
Among these restless throng abide,
O tread the city's streets again.

'Til sons of men shall learn Thy love
And follow where thy feet have trod;
'Til, glorious from thy heaven above,
Shall come the city of our God!

THE CRY THAT'S ARISING

In the day that's so painfully dawning
'Cross the earth
'Cross the earth.
There's a local resurgence a-borning
Strange new birth
Strange new birth.

Chorus:

Come on, walk in the way,
Come on, give up your life to the call,
To the cry that's a-rising from all people
 everywhere
That all the earth does now belong to all

In the midst of each struggle and sorrow
Comes the call
Comes the call.
Everybody's a-building tomorrow
For us all
For us all.

Now it seems that this new world's appearing
Much too fast
Much too fast.
And the signs of your care, you start a-fearing,
Just won't last
Just won't last.

Want to rest
Stop and rest.

The flowers of the meadow are greeting the sun; the trees in the forest stand tall.
But gather together to march as one: the earth belongs to all.

Chorus:
All of the goods of the earth and all decisions of history,
And all the inventions of humanness belong to all men through me.

The branch of the linden is leafy and green; the maples are golden in fall.
But somewhere a glory awaits unseen: the earth belongs to all.

The cries of the innocent sound in their pain, the tyrant has vanquished the small.
A powerful ruler lies bound in chains, till earth belongs to all.

A dream of the future is beckoning me. Like waltz music heard at a ball.
The morning will come when all men shall see: the earth belongs to all.

I saw around the globe
A mighty word appear.
It seized my deepest soul
And made me realize
The world's a mystery
It rings with ancient cries

The Mystery
The Mystery

It flashed before by eyes
And then it went away
I seek it constantly
But lose it every day
I trust it to my death
It carries all my dreams
Its wholeness fills my life,
My brokenness redeemed.

THE EXEMPLARS

Hark we hear the future shaking.
Humanness is in the making.
Ancient powers that bind are breaking
Rending all the earth.

'Cross the land the fire is burning.
Every human heart is yearning
Fate to destiny is turning
Calling forth new birth.

See the fallen standing,
Victory demanding;
Summon all to serve the call
Defeat of the foe commanding.

March ye generals on to glory.
Vision pain proclaim the story.
Death's fair banner waving o'er ye
Claiming victory!

THE FIRE ACROSS THE SNOW

Like an all-consuming fire ‘cross the silent sea of snow
Like the dying of the sun that sets the mountains all aglow,
Men of spirit call forth vision of the new community
From the spark of new decision blazes possibility
And the methods show the way to victoriously care
And the land awaits the signal of the chosen ones who dare
All of history laid bare, illumination being there.

THE FIRST GENERATION

We're the first generation of the new earth coming fast.
We're the first generation of the new earth our fate is cast.
Born into dark mystery, a turning point in history. We see the task, we are the ones.

We're the new men and new women, all that we are is for global change.
We're the new men and new women in the midst of a world where we seem so strange.
Showing all the radical style, picking up that extra mile.
We see the task, we are the one.

We see our lives as lonely stars within a vast black void.
We see our lives as intense fire eternally deployed.
Every move is filled with fright, yet shines through in the black of night.
We see the task, we are the ones.

THE FIRST NOEL

The first Noel the angel did say
Was to certain poor shepards in fields as they lay:
In fields where they lay a keeping their sheep
On a cold winter's night that was so deep.
Noel Noel Noel Noel
Born is the King of Israel.

They looked up and saw a star
Shining in the east beyond them far:
And to the earth it gave great light
And so it continued both day and night.
Noel Noel Noel Noel
Born is the King of Israel.

And by the light of that same star
Three wise men came from the country far;
To seek for a King was their intent,
And to follow the star wherever it went.
Noel, Noel, Noel, Noel,
Born is the King of Israel.

This star drew nigh to the north-west;
O'er Bethlehem it took it's rest,
And there it did both stop and stay,
Right over the place where Jesus lay.
Noel, Noel, Noel, Noel,
Born is the King of Israel.

Then entered in those wise men three,
Fell reverently upon their knee,

THE FIRST TIME

The first time, ever I saw your face
I thought the sun rose in your eyes
And the moon and stars were the gifts you gave
To the dark and the empty skies, my love
To the dark and the empty skies.

The first time, ever I kissed your lips
I felt the earth move in my hand
Like the trembling heart of a captive bird
That was there at my command, my love
That was there at my command.

The first time, ever I held you near
And felt your heart beat close to mine
I knew our joy would fill the earth
And last to the end of time, my love
And last to the end of time

THE FLOWERS IN THE MEADOWS

The flowers of the meadow are greeting the sun; the trees in the forest stand tall.
But gather together to march as one: the earth belongs to all.

Chorus:
All of the goods of the earth and all decisions of history,
And all the inventions of humanness belong to all men through me.

The branch of the linden is leafy and green; the maples are golden in fall.
But somewhere a glory awaits unseen: the earth belongs to all.

The cries of the innocent sound in their pain, the tyrant has vanquished the small.
A powerful ruler lies bound in chains, till earth belongs to all.

A dream of the future is beckoning me. Like waltz music heard at a ball.
The morning will come when all men shall see: the earth belongs to all.

Oh Father, Oh Father, Mysterious Power, your children are gathered to call:
Use us as thy servants to haste the hour the earth belongs to all.

THE FUTURE AWAITS

Cries of the earth come crashing upon me
The wanting, the striving, the search for the way.
So many dreams were locked deep inside me.
At last we unite in one common quest.

Over the earth people awaken
Claiming the cause--a new world for all.
So many dreams are waiting to happen
We're linked as one with one destiny.

Facing the future with mixed fear and gladness
Forging the courage to stand to the end.
So many dreams! A global resurgence
With passion for all we summon the new.

Chorus:

Now, now is the time
Now is our chance
To care for all
The future awaits for us
To build with hope.

Now is our time, the future awaits
And we'll build a new day.

THE FUTURE OF KINNY

Beneath the swirl of dust and sand,
The Iron formation once began.
Centuries, creation of the Iron.
A lighting bolt that scorched the land.
A deep red vein that ran and ran
The Giant lay sleeping on and on.

Refrain:
Made from the swirl of many centuries
The Lightning Bolt of Iron.
Called from the towns of many nations,
The people made of Iron.
Gathered in service to the whole world,
Kinney will mark her fame.
The Iron Range.
Sign to the World,
A future to be claimed.

Called from the towns of foreign lands,
The miners came in family bands,
Iron Men, they battled with the ore.

They dug the pits so vast and deep.
The Iron awoke from ancient sleep,
The ore that built our century.

Refrain

Today the stories still are told,
Of mighty Iron Men of old,
Who dreamed of new communities.

The Dream remembered from a few
That Iron Men will start anew,
With visions of new vitality.

THE GAMBLER

On a warm summer’s evening on a train bound for nowhere
I met up with a gambler.
We were both too tired to sleep
So we took turns a-starin’ out the window at the darkness
Till boredom overtook us and he began to speak.

He said, “Son, I’ve made a life out of readin’ people’s faces
And knowin’ what their cards were by the way they hold their eyes.
So if you don’t mind my sayin’ I can see you’re out of aces;
For a taste of your whiskey I’ll give you some advice.

Chorus:
“You got to know when to hold ‘em,
Know when to fold ‘em,
Know when to walk away and know when to run.
You never count your money when you’re sittin’ at the table;
There’ll be time enough for countin’ when the dealin’s done.”

So I handed him my bottle
And he drank down my last swallow.
Then he bummed a cigarette and
Asked for a light.
And the night got deathly quiet and
His face lost all expression.
Said, “If you’re gonna play the game,
Boy, you gotta learn to play it right.”

Chorus

“Ev’ry gambler knows that the secret to survivin’
Is knowin’ what to throw away and
Knowin’ what to keep.
‘Cause ev’ry hand’s a winner and
Every hand’s a loser.
And the best that you can hope for
Is to die in your sleep.” And

Chorus

When he’d finished speakin’
He turned back toward the window,
Crushed out his cigarette and
Faded off to sleep.
And somewhere in the darkness
The gambler he broke even,
But in his final words I found
An ace that I could keep.

Chorus

THE GIFT

The way has found you, the world around you,
Responding rhythm to something new,
A path of light of hope shines through the clouds
And darkness melts away,
For never could there be another one like you.

A heart is burdened, a shadow darkened,
A lone reflection of something true,
But then a glory glows in emptiness
And shadows pass away,
For never could there be another one like you.

A gift is given, a vision hidden,
The Mystery will await for you,
For nevermore afraid will life awake
To emptiness and pain,
For never will there be another one like you.

THE GOD OF ABRAHAM PRAISE

The God of Abraham praise, all praised be his Name,
Who was, and is, and is to be, and still the same!
The one eternal God, ere aught that now appears;
The First, the Last; beyond all thought his timeless years!

His spirit floweth free, high surging where it will;
In prophet's word he spoke of old-- he speaketh still.
Established is his law, and changeless it shall stand,
Deep writ upon the human heart, on sea, or land.

He hath eternal life, implanted in the soul;
His love shall be our strength and stay, while ages roll.
Praise to the living God! All praised be his Name,

For servant soldiers of the league

Launching global tactics to

Enable man's globality

Visioning communities

Engaging in resurgent life

Serving parish needs

To bring it humanising change

On behalf of all mankind

Healing suffering

And giving life to local man.

Guildsmen sound the call to bring

The cabaret of life to all

In the day to day of life

A joyous dance, a waltz, a ball

Standing in the sweep of time

Creating bold new humanness

Celebrating life

Courageous clowns of history

Revealing fate as destiny

Fighting knights who give to all men

Authentic life.

THE IMPOSSIBLE DREAM

To dream the impossible dream, to fight the unbeatable foe,
To bear with unbearable sorrow, to run where the brave dare not go.
To right the unrightable wrong, to love pure and chaste from afar,
To try when your arms are too weary, to reach the unreachable star.

This is my quest, to follow that star,
No matter how hopeless, no matter how far,
To fight for the right without question or pause
To be willing to march into hell for a heavenly cause.

And I know if I'll only be true to this glorious quest
That my heart will lie peaceful and calm when I'm laid to my rest.
And the world will be better for this,
that one man scorned and covered with scars
Still strove with his last ounce of courage, to reach the unreachable star

Come to me, all you who labor, and are heavy laden'
And I will give you rest. And I will give you rest.

You are invited to be set free. Be not offended, attend to me.
Lay down your burden, pick up your life: the one solution for all your strife.

The call comes daily. confronting me: all former patterns are shaken free.
The man exalted, the God brought low: behind this offense, my death I know.

I'm at the crossroads, I must decide to live offended or faith confide.
There is no reason, the cross to choose: it's my election' my life to lose.

Risen to Care
Called by four billion people
Building with new Hope
Living a prayer.

Cries of forgotten ones have rung since the stars were born;
Our ancestors call us through the Yearning.
Cries of forgotten ones will ring 'til the stars grow cold,
The Entry to The Way is pain-filled turning.

Two million villages are stretched out before our eyes;
In the dance of life and death they glory.
Their ecstasy sings out the thrill of the earth fulfilled;
The Vision of The Way is now their Story.

New rays of Faith and power stream through the universe;
Our unborn inherit the new Mission.
A League of daring heroes travel beyond the earth:
The Journey of The Way is endless Vision.

THE JOURNEY OF YOUR SERVING

And the journey of your serving starts with seeing human pain,
When your caring shocks your consciousness, you know you're not the same,
For who you always thought you were turns meaningless and vain,
The journey calls you to the Mystery's claim.

And the journey of your serving shows the suffering of all,
And your strength turns into weakness, and your courage is too small,
And yet the hopes of all the earth without your life will fall,
The journey makes expenditure the call.

The journey then assaults you with life's absurdity,
Each sacrifice seems futile, each sign, a mockery,
You want to turn away from care, to live apostasy,
And yet the journey's chosen you, your life's humility.

And the journey of your serving engulfs you with demand,
Though unworthy, you submit yourself to Mystery's command,
And though you long for just one sign that history understands,
In Being's trust the journey lets you stand.

In the journey of your serving you are always on the Way,
Though despair is your companion, though you're tempted to betray,
And even if you wander far and all your hope is gone,
The journey of your serving journeys on.

Sent forth to service
Sent forth in caring for this one planet.

Wonder of service,
And strength of vision,
A Hope is surging beyond all hopes
 of this temporal frame
The Quest is o'er.
I want no more

Refrain:
Dark is the Night,
Glorious the fight,
Long is the March,
Fullness my plight,
Mystery!

Future it beckons
An endless pathway
The world now leads me to total giving;
 the burden bear.
It's a new day.
I've seen the Way.

Faith is renewed.
My journey empowered.
Darkness illumined by ceaseless serving
 of Humankind.
The Journey's end.
My care is friend.

Trusting the final One
Loving the Journey
Obey the Election and love the All
 with your heart and soul.

THE KING’S BUSINESS

I am a stranger here within a foreign land.
My home is far away upon a golden strand.
Ambassador to be to realms beyond the sea.
I'm here on business for my king.

Refrain:
This is the message that I bring,
A message angels fain would sing.
Oh. be ye reconciled,
Thus saith my Lord and King.
Oh, be ye reconciled to God.

There is a desert there that breaks the surest soul.
All meaning seared away makes life an empty role.
Yet on that arid plain there falls eternal rain
And that’s the pause in our return.

There is a darkness there, profound as death’s domain
The mortal blow to sight leaves hopelessness and pain.
Yet in that pitchest night there shines the glory light.
And that’s the pause in my return.

There is a burning there that’s like the flame of hell.
It’s an apostasy beyond man’s power to quell.
Yet in that awful fire there sings a holy choir,
And that’s the pause in my return.

Refrain:

There is a stillness there that’s like a violent gale.
And in that ecstasy I know my native vale.
'Tis then I hear the cry of brothers doomed to die.
And that’s the cause of my return.

THE KINGDOM

When the world begins its breaking
and the past is all undone
And when justice is forsaken
and the battle's far from won,
Then there comes a new awakening,
a vision like the sun.
When faith remains unshaken
It is then the kingdom comes.

When the world seems filled with darkness
and our dreams are smashed and torn,
When we fly from our own weakness
Taking refuge from the storm
Then a care comes to engage us
like the dawn of a new morn
When love has overcome us,
It is then the power is born.

And when life seems dead and empty
like a dry and dusty plain,
When the wish for peace and plenty
enlarges all our pain,
Then serving takes our safety
yet fullness still remains.
When hope comes from the mystery
It is then that glory reigns

Distant mountains mark this wide expanse:

Saguaro standing straight and tall
In the land of the Papago

From the earth we build our villages;
Adobe bricks keep our houses cool.
Fences built of ocotilla.
Saguaro ribs shield us from the sun.

Three communities band together,
Reuniting all families;
San Simon and also Santa Cruz
Join along with Pisinemo.

Solemn strength that stands forever
Can create future history.

Right up ahead glows a much brighter day.

Calling for hope, calling the strong~

Shaped our future with their past.
 Now is our time to rise

Daring, engaging all to build the day ..
Alive to the glory of the Way.
 Here is our mandate firm
 To build for them ..
 To build for all the earth.

Hope is our colleague, as we travel on.

THE MARCH OF THE 232

Chorus:

March on through the 2-3-2
It's the only task for you
With the twenty-five as the district signs
Then saturation sweeps through the six
And those districts are never the same
Now all the rest, those talukas left,
Bring us home to the two thirty two.

We see industries in the twenty-five each
at twenty people strong
And with district schemes for each HDP
Visibility can't go wrong.
But for those who may have doubts
The village jewels shine out.

There are circuits strong that we're marching on
Circuit meetings mark the way
With the guardians always on our side
At the flanks they always will stay
In the lead who'd ask for more
Then the village leaders core.

Marching troops arrive from across the land
Gram Sabha it sounds the call.
With our leaders trained in most every way.
We are full-rank generals all
And to armies lying low HDTI will go.

THE MYSTERY IS EVERYWHERE

The Myst'ry is everywhere: I'm trapped in awe for e'er and e'er!
And I must roam through life with all its care, grasping nought for certain except my dying.
Why should I so driven be to bear with such absurdity?
Still I shall die yearning, lost in the wonder of mystery.

The Myst'ry is everywhere: I'll ne'er escape its awful stare!
Destroyed, unveiled, within a searing glare, doomed to live transparent within my dying.
Why am I condemned to see the pow'r of this finality?
Still I shall die yearning, lost in the wonder of mystery.

The Myst'ry is everywhere: and changes all beyond compare.
It runs to breathe surprise into the air and I find a strange new life in my dying.
Why should I the chosen be to dance with this vitality?
Still I shall die yearning, lost in the wonder of mystery.

The Myst'ry is everywhere: yet I must doubt this one so fair,
For none can ever know its secrets rare and I'll ever be lonely in my dying.
Why's this awful love in me become my sole reality?
Still I shall die yearning, lost in the wonder of mystery.

THE NAMELESS ONE

The Myst'ry is everywhere: I'm trapped in awe for e'er and e'er!
And I must roam through life with all its care, grasping nought for certain except my dying.
Why should I so driven be to bear with such absurdity?
Still I shall die yearning, lost in the wonder of mystery.

The Myst'ry is everywhere: I'll ne'er escape its awful stare!
Destroyed, unveiled, within a searing glare, doomed to live transparent within my dying.
Why am I condemned to see the pow'r of this finality?
Still I shall die yearning, lost in the wonder of mystery.

The Myst'ry is everywhere: and changes all beyond compare.
It runs to breathe surprise into the air and I find a strange new life in my dying.

New U Community
Come forth with me.

THE NEW MAN

The world is on my shoulders, it weighs too much to bear.
Still, cries of suffering expose my sounded care.
Boundlessly claiming from me, taking more than I had offered.

Chorus: Spinning my life a new story, giving a face to the pain
 Seeing through all of the weakness, filling my whole life with passion
 Filling the future with glory, surging within me—the new man.

Life’s complications plague me, nothing is easily dne,
Each new frustration driving deeper the resolve,
So easy to give up, but only over my dead body.

My life slips through my fingers, I share the sense of doom,
My longing finds a home in setting all men free,
Living beyond the border, meaning bleeding from each moment.

THE NEXT 200 YEARS

Into this land so vast and green
Our fathers came to build a dream.

Through war and peace they worked together
It was a great 200 years.

Oh, we are now in times of strife
We're at the crossroads of our life.

It's time to make that great decision
To shape the next 200 years.

Oh, we are one, we share the earth,
We give our lives for its rebirth.

We'll be a sign to all the nations
For the next 200 years.

THE OTHER WORLD

In mystery strange new land I see, the river of consciousness flows free
A mountain of care this world for me, and tranquil like sea within there be.

My life is transformed, now wonder-filled, no more shall I live as once I lived,
The other world here in this world is the world that all shall see.

A land strange and vast, an endless plain, the awe-filling meadow lost in rain,
The rocks and the trees on magic ground, entrapped in the mystery I'm found.

The river that wanders ceaselessly, with consciousness wild, the rapids, free.
From spring to the sea, a wide expanse, submissive awareness, endless dance.

A mountain there looms with crags so high, a path winding upward toward the sky,
Upon boulders etched with lines of care, o'ershadowed by worlds my strength so rare.

The sea whisp'ring waves encompass all, e'er beckons with endless rolling call,
Implosion in vibrant silent deeps, unspeakable joy within me leaps.

THE PEREGRINE’S ROUTE

Chorus:

Come with me, we will be fire 'cross the snow
Exploding the moment wherever we go
Calling forth selfhood, deciding to win
Methods and spirit are what we can bring.

This is the season of cold wind and snow
Nature lies shrouded, the land waits to grow
Down the long highways the circuiters go
Drawn by the trends of the future that blow.

Streets full of people with so much to do
Planning, expending, creating the new,
Working together where once there were few
Showing the world that the dream can come true.

O what a myst'ry to finally care
To lay down your life and to conquer despair;
O what a richness the world has to share
Global communities rise everywhere.

THE PREPARATION AND THE CRY

Free yourself from the mind—seeks to order all that is,
And free yourself from the heart's terror, that seeks essence in all things.

Sail calmly toward the abyss, learn to say that nothing exists,
So conquer hope, the greatest temptation, find the freedom you have sought.

Then at time of great happiness, time of virtue or despair,
Someone within will cry out, "Oh, help me!" as he struggles to be free

If you do not hear this voice, do not set out on the march;
You must continue to prepare, till within you hear this cry:

"I, the Cry, am the Lord your God! Not a hope or a home,
I am your general, we are not friends; you are my comrades in arms."

THE PROMISE

Canada, the land of endless promise.
Of lakes and rivers, open skies and trees
A country owning all horizon's vastness,
Of mountains, plains and silent inland seas.

Refrain:
And the people are waiting for
Vision that calls forth more
Than all the past could ever dream to be,
A present time that holds the sign of new community,
And will be the future gift for all to see.
A fishing fleet that sails three open oceans,
A rocky shield, a mine of wealth untold.
Granaries and factories in motion'
Rising towers, a future to behold.
Winter's wind turns night to freezing shadows,
Summer sun creates an endless day.
People of the world in every window'
Two nations share the light of a new day.
Ancient ones who roamed the country's wonder,
Still live to see what each tomorrow brings.
Behind the land there rolls a mighty thunder
That Canada and all the future sings.

THE REHEARSAL

Out of Egypt God called a people
Led them through the troubled sea.
Forty years of wandering in the desert
Faithless yet sustained mysteriously,
Land of milk and honey was their vision,
Destined to create history.

Out of Israel God called his prophets
Gave to them the power to be bold.
Ordained to proclaim the word of judgment
And mercy in the covenant of old.
A world of brotherhood, of no idolatry,
Was the promised future that they told.

Like a dove the spirit descended,
Calling forth the carpenter’s son.
Forty days abandoned in the desert
Tempted, he rebuked the evil one.
He went forth to preach and heal his brothers,
The style of cruciformity begun.

The son of man was destined to suffer
All alone he faced that dreadful day.
When the crowd dried out, Crucify him,
Willingly he gave his life away.
The bleeding broken man came leaping from the tomb,
Showing all the resurrection way.

Like flaming tongues the spirit descended
The Church of Jesus birthed in history.
Tried in desert tombs and persecuted
Raised from ruins a new society.
When perversions came and mission was lost
Bold new voices cried to set her free

These are the times and we the people
Led forth in fascinating fears
All the earth belongs to all the people
Is the vision of our forty years,
Cadre, congregation, parish is our prayer.
From death the resurrected life appears.

THE ROSE

Some say love it is a river
That drowns the tender reed.
Some say love it is a razor
That leaves your soul to bleed.

Some say love it is a hunger
An endless aching need.
I say love it is a flower
And you its only seed.

It's the heart afraid of breaking
That never learns to dance
It's the dream afraid of waking
That never takes the chance.

It's the one who won't be taken
Who cannot seem to give
And the soul afraid of dyin'
That never learns to live.

When the night has been too lonely
And the road has been too long
And you think that love is only
For the lucky and the strong.

Just remember in the winter
Far beneath the bitter snows
Lies the seed that with the sun's love
In the spring becomes the rose.

THE SHADOW OF YOUR SMILE I

One day we walked along the sand, one day in early spring
You held a piper in your hand to mend its broken wing
Now I'll remember many a day and many a lonely mile
The echo of a piper's song, the shadow of her smile

The shadow of your smile, when you are gone
Will color all my dreams and light the dawn
Look into my eyes my love and see
All the lovely things you are to me

Our wistful little star was far too high
A teardrop kissed your lips and so did I

THE SIGN

Born to forge, out of the darkest night, the sign of abundant life.
In the midst of strife, struggling, suffering, consuming awe.
Born to join in the long march with those who love the shattered earth.
Calling forth new birth, loving all, serving all, unto death.

Refrain:
The silence has deafened them, the stillness enlivened them.
The future has chosen them to give their lives ...
Go forth in love for the mystery, beloved of history;
Blessed in the call, sign of faith, sign of hope, signal of love.

The cry to build the vision of common earth resounds in the heart of men.
Across the sweep of time, echoing, echoing human need.
And hist’r’s saints with ageless voices claim the promise of mystery’s love
Laying down their lives, following, following, giving all.

THE SONG OF CONVERGENCE

The GCF's in town, it is the best around
For waking people up to what can happen in their town.
They laugh, they sing they talk about most everything.
The past they view, the future lies before them new.

Nearby's a GSD there's such a lot to see.
People living working, being new community.
They build, they guild, the village life is ever filled.
With hope. the hope of every village soon renewed.

The GSF steps in, you know they're here to win.
The serving. giving. hoping, working way is where they've been.
They know, they do, they be the presence of the blue.
In youth, in age, they take the lead on history's stage.

THE SONG OF THE REAPER

The seed I have scattered in springtime with weeping,
And watered with tears and with dews from on high;
Another may shout when the harvester’s reaping,
Shall gather my grain in the “sweet by and by.”

Refrain

*Over and over, yes, deeper and deeper
My heart is pierced through with life’s sorrowing cry,
But the tears of the sower and songs of the reaper
Shall mingle together in joy by and by.
By and by, by and by,
By and by, by and by,
Yes, the tears of the sower and songs of the reaper
Shall mingle together in joy by and by.*

Another may reap what in springtime I’ve planted,
Another rejoice in the fruit of my pain,
Not knowing my tears when in summer I fainted
While toiling sad-hearted in the sunshine and rain.

Refrain

The thorns will have choked and the summers suns blasted
The most of the seed which in springtime I’ve sown;
But the Lord Who has watched while my weary toil lasted
Will give me a harvest for what I have done.

Refrain

"And crowns of victory, crowns of glory, crowns of victory I shall wear!"

Lived that all men be free,
Responding to the global need
In particularity.

The style through which the depths of life
Are lived for all mankind.

THE STORY OF WIDEN

Once in Widen, people dreamed
Of the past and all the things they had;
Women’s club, the school, and Poplar Lodge
These made Widen, just the place to be.

Chorus:
Pull together, one and all,
As the past we now recall;
All our greatness still to come,
Now that Widen’s moving on.

Still in Widen, people dream
Of the future, and the hopes they share;
Peace and order must be there for all;
Paving streets, and something for the teens.

Chorus:
Pull together, one and all,
Toward the future we stand tall;
All our greatness still to come,
Now that Widen’s moving on.

Here in Widen we’ve begun
To create the town that’s in our hands
No more waiting for the time to come;
Widen stands a sign for everyone.

Chorus:
Pull together, one and all,
We of Widen sound the call;
All our greatness now has come,
Now that Widen’s moving on.

Come tomorrow Widen stands
Beaming brightly pointing out the way;
Towns and cities looking for a sign;
These made Widen just the place to see

Pull together, one and all,
West Virginia, world and all;
All our greatness now has come,
Now that Widen’s moving on.

All the rugged highlands of Scotland toil
With people ready to claim their soil.

THE TEN MOVE AS ONE

Say to the world that the time has come
When the ten will build as one
And be a sign for all the world
A vision that the earth belongs to all
We will build as one.

We are people in community
We're bringing forth the ones who will stand
Equip them for the task at hand
Releasing hope in nations to flow
And share their goods and gifts with all
Our resolve that the ten
Shall move as one.

Share with the world approaches that work
Local people point the way
Fifty nations join as one
An event of declaration
We will build as one

Local people meeting face to face
And their wisdom is in demand
Share it, travel throughout the land
Create directions for local care
Communicate them to the world
It's our cry that the ten
Shall move as one.

Be for the world the people who dare
To live forming zones of care
Primal community revealed
The signals of a new society
We will build as one.

Our presence at the centre be
Manifesting global unity
The coalition now is the sign
New spirit forms across the world
All with the Mystery reconciled

Waste in pointless search' no meaning see.
Amidst the pain-tilled silence we hear the cry,
"Oh, who will venture now to set my people free?"

Proclamation of the world, showing life abundant now,

The trumpets are sounding announcing a new day
Souls are re-aligning, the remnant greets the Way
Once dead—I wake
We scatter across the globe and meet some day.

The trumpets are sounding, announcing a new way
The vision is unfolding and light now paves the way
Struck blind—I see
There's no one else to build the earth but me.

The trumpets are sounding announcing a new Man
Community's emerging, we march from land to land
Once deaf—I hear
The beat of life and feel no thing to fear.

The trumpets are sounding proclaiming a new world
New castles are rising, their spires like flags unfurled.
Once weak—I'm strong

THE VICTORY CIRCLE

Storm clouds were threatening o’er the earth,
Mankind denying his human worth.
Generals appointed as those who care,
 Now answer the cries,
 Respond to the sighs,
The tyranny dare.

Fifth City gave us the global sign,
New possibility for Mankind.
Human resources so long abused,
 Are given the chance
 Their cause to advance,
No longer refused.

Town Meeting in every county done,
Vic’try, awakenment has begun.
Primal community realized,
 The circuiters start
 A change in the heart,
And local men rise.

Lightning advance of the servant force,
Striking new hope from its primal source.
Combat engaged with a common mind,
 That blasted the gate,
 Exploding the fate,
Of all of Mankind.

Thundering hearts beating forth as one,
Earth-shaking rhythm of victory done,
Marking the time of the Kingdom come,
 That ushers the day,
 The suffering say,
Our destiny won.

THE VISION

We heard the cry from the past, we heard the cry set forth at last;
Our ancestors plead to live our time,
The crimson line their only awesome sign.
Now all the earth cries out within our hearts: agony.
Comes the dawn of silence.

Beyond the wanderings of time, beyond the race of all Mankind;
I see living bodies torn and crushed,
Life emerging from the arid dust.
Now the face I see is dark beyond all hope: mystery.
Comes the dawn of silence.

Pain and joy and hope unfold, pain and joy and hope untold;
We cannot contain ascending life,
Nor escape the chaos and the strife.
Now the wonder of our God is struggle and love: eternally.
Comes the dawn of silence.

Lightning moment blazing spark, lightning moment in our dark;
The birth and death of every star and tree,
The dread assault of spirit within me.
Then God confronts me with terror and with love: ecstasy.
Comes the dawn of silence.

Burning flame and life is born, burning flame and all is gone;
Trembling and afraid above the abyss,
Grasping now that only nothing exists.
Then I plumb the abyss, my life becomes new birth, ceaselessly.
Comes the dawn of silence.

The voice of God is calling
It summons unto men;
As once He spake in Zion,
So now He speaks again.
Whom shall I send to succor
My people in their need?
Whom shall I send to loosen,
The bonds of shame and greed?

I hear my people crying
In cot and mine and slum;
No field or mart is silent,
No city street is dumb.
I see my people falling
In darkness and despair.
Whom shall I send to shatter
The fetters which they bear?

We heed, O Lord, thy summons,
And answer: Here are we!
Send us upon thine errand,
Let us thy servants be.
Our strength is dust and ashes,
Our years a passing hour;
But thou canst use our weakness
To magnify thy power.

From ease and plenty save us;
From pride of place absolve;
Purge us of low desire;
Lift us to high resolve.
Take us, and make us holy;
Teach us Thy will and way.
Speak and behold! we answer!
Command, and we obey!

THE WALES SONG

We are building on the Ferndale dream,
From the Rhjondda to all Wales we stream;
To awaken every district town
Wand turn this nation around.

So leave your fears and doubts behind,
For tomorrow Wales belongs to you and me.
We're on the road to victory, a sign to see
Of a nation standing proud and free.

From Glamorgan to Mount Snowdon's peak
From St. David's to Wrexham town;
From the Powys hills to Aberystwyth's shore,
You will hear the dragon's mighty roar.

Chorus:

2nd Chorus:

Come along with me and claim the victory
Of the hope that lies in new community.
We're on the road to victory, a sign to see
Of a nation standing proud and free.

THE WAY CHOSE YOU

Oh we have traveled many miles, ‘cross golden hills, ‘long riversides
And we have lived with hope and pain, where many men have lived and died.

High mountains holding up the sky, snow-covered plains as we go by,
So many folk just yearning to share their tales of yore, their local care.

Strong gusts of wind, clouds hovering o’er, the land awaits from shore to shore.
Make way, the New is here at hand, tomorrow rests with local man.

THE WAY OF THE EARTH

Local men now awaken
New humanity;
On the farms, in the city,
New society;
Marching forth to the new beat,
Declaring hope for all.
We are they, the caring servants;
Tomorrow is today.

Chorus:
Now join the endless journey
And walk in the way
Let life go; do the one deed;
And be then filled full.

Future earth now arises,
New globality;
By our hands, with our spirit
New community;
Building now with a new will,
Engaging every gift
We are they, the spirit people;
Tomorrow is today.

THE WAY TO THE FUTURE

Refrain.

We are building the way to the future
With a burning love inside.
We are building the way to the future
In a rolling, swelling tide.
Come and build the way . . .
Each and every day.

The globe is spinning fervently,
Care is calling endlessly,
The world has seized us in its crying need
To be engagers in the deed.
Now we can forge the face of tomorrow,
The joy and the terror surround us.
Every day, the future calls
To risk the new, for a brand new day.

Refrain

The task of greatness brings such awful shame,
Someone else should take this claim,
But though despair exposes all our fear,
We serve the Mystery's call to hear
That we can forge the face of tomorrow,
The joy and the terror surround us.
Every day, the future calls
To risk the new, for a brand new day.

Refrain

We know our passion is not ours alone,
We're given to a vast unknown.
Creation is compassion, we are care,
Entrusted to be those who dare.
And we will forge the face of tomorrow,
The joy and the terror surround us.
Every day, the future calls
Risk the new——A brand new day——
Yes, every day the future calls

THE WORLD IS ALWAYS WAITING

The world is always waiting
For a new inspiration
To believe, really believe
That each brand new birth,
 Upon the earth
 Has one great life to live
 And death to give.

The world is always waiting
For a new demonstration
That it can, it really can
Forge a brand new path,
 Straight through the ash
Of what has died and gone,
And carry on.

It doesn't matter now
How you came to know
But if you're the one
You have to let it show.
So take this task to be your own
Prepare to stand alone.

The world is always waiting
For a new invitation
To decide, finally decide
To hear the call, to give it all
Though broken, tired and torn,
And be reborn.

THE WORLD OF RESURGENCE

The world of resurgence surprises my yearning
For all that I care for and all that I know,
And in the rebirthing and building of spirit
The pain of the struggle becomes my own life,
Where moving it onward will build the new day.

The social forgiveness that spawns a new movement
Lies waiting for calling and coming of age,
And signs of its coming are borning and growing
With power that is hidden and changing in form,
And peoples are following and paving the way.

The city lies open, the village stands ready;
The times move us onward to forge out new men.
The wedge of the mission draws endlessly finer,
Engulfing our passion and claiming our power;
And in all and through all the victory is won.

THERE IS A TAVERN IN THE TOWN

There is a tavern in the town, in the town,
And there my dear love sits him down, sits him down,
And drinks his wine 'mid laughter free,
And never, never thinks of me.

Chorus:
Fare thee well, for I must leave thee,
Do not let the parting grieve thee,
And remember that the best of friends must part, must part
Adieu, adieu, kind friends adieu, adieu, adieu,
I can no longer stay with you, stay with you,
I'll hang my harp on a weeping willow tree,
And may the world go well with thee.

He left me for a damsel dark, damsel dark,
Each Friday night they used to spark, used to spark,
And now my love once true to me,
Takes that dark damsel on his knee.

Chorus:
Oh! dig my grave both wide and deep, wide and deep,
Put tombstones at my head and feet, head and feet,
And on my breast carve a turtle dove,
To signify I died of love.

THERE’S A WIDENESS IN GOD’S MERCY

There’s a wideness in God’s mercy
Like the wideness of the sea,
There’s a kindness in His justice
Which is more than liberty.
 There is welcome for the sinner
 And more graces for the good,
 There is mercy with the Saviour,
 There is healing in His blood.

For the love of God is broader
Than the measure of the man’s mid,
And the heart of the Eternal
Is most wonderfully kind.
 If our love were but more simple
 We should take Him at His word,
 And our lives would be all sunshine
 In the sweetness of our Lord.

THERE’S NO BUSINESS LIKE SHOW BUSINESS

There's no business like show business
Like no business I know
Everything about it is appealing

Everything that traffic will allow
Nowhere could you get that happy feeling
When you are stealing that extra bow

There's no people like show people
They smile when they are low
Even with a turkey that you know will fold

You may be stranded out in the cold
Still you wouldn't change it for a sack of gold
Let's go on with the show

The butcher, the baker, the grocer, the clerk
Are secretly unhappy men because
The butcher, the baker, the grocer, the clerk

Get paid for what they do but no applause
They'd gladly bid their dreary jobs
Goodbye for anything theatrical and why

There's no business like show business
And I tell you it's so
Traveling through the country is so thrilling

Standing out in front on opening nights
Smiling as you watch the theater filling

THIS IS CHARLOTTEVILLE

Have you ever seen a land like this,
Where the gentle heart of nature’s left its mark,
From the loveliest of valleys, over endless rolling hills,
Where the summer’s rich with blessings from the earth?

Sunlight burns, and rain comes streaming down,
As we work the earth, our temperamental friend,
Comes the evening of the year, golden light, the land lies still,
In our hands we hold the harvest of our lives.

Refrain:
Yes, this is Charlottesville
Let the whole world know
We’re alive and going where we want to go,
Toward a future full of promise,
Freedom, hope, tranquility,
We will sing its story, working side by side.

Swirling snows set in, the cold lies deep,
By the fire’s warmth we settle down to dream,
What will come with the dawn; the future’s soon to be ours.
We will shape it with our wisdom flowing free.

When each challenge comes to block our road,
We’ll remind ourselves that spring is winter’s end.
Where there’s new life a’bloomin’, all the world is ours to share.
Come, my brothers, come my sister, let us care.

To do the undoable wonder,

To call the unfaceable call
To love the unloveable past,
To will unalternable vision,
To rule the insuferable pain.
Refrain

To hope unendurable hope.
To hear the unhearable cry.
To trust the encounterable passion.
To free the obedient path
To dance discontinuous dance,
To choose the unchoosable way.
To style the untrustable silence
To reach the incrutable face.

To lose the invaluable worth
To bear the unbearable burden
To leap the indifferent Abyss
To risk unforseeable risk
To be the unbeatable sign
To join insurmountable mystery
To burn in unquenchable flame.

Historically clear.
And shouting it out loud.
Get to the very heart of it.
This is the year.

We're going to make it for the future through the past.
Pull it together for now, and make it last.

We're building the base
To carry us through.
And doing more than stating it
This is the year.

We're finding new ways
Of being the blue.
Hammer and nails creating it,
This is the year.

We're going to do it so the whole wide world will know
If these are the times, this is the year!

To the sparkling sands of her diamond deserts,
And all around me a voice is sounding,
This land was made for you and me.

THROUGH HUMBLE SERVICE

Lord, whose love through humble service
Bore the weight of human need,
Who didst on the cross, forsaken,
Work thy mercy’s perfect deed?

We, thy servants, bring the worship
Not of voice alone, but heart,
Consecrating to thy purpose,
Every gift thou dost impart.

Still the children wander homeless;
Still the hungry cry for bread;
Still the captives long for freedom;
Still in grief men mourn their dead.

As, O Lord, thy deep compassion
Healed the sick and freed the soul,
Use the love thy spirit kindles
Still to save and make men whole.

As we worship, grant us vision
‘Til thy love’s revealing light
In its height and depth and greatness
Dawns upon our quickened sight,

Making known the needs and burdens
Thy compassion bids us bear,
Stirring us to tireless striving
Thine abundant life to share.

Called from worship unto service,
Forth in thy dear name we go
To the child, the youth, the aged,
Love in living deeds to show.

Hope and health, goodwill and comfort,
Witness, aid, and peace we give,
That thy children, Lord, in freedom,
May thy mercy know, and live.

Friend, I send a voice, now hear me,
Friend, I send a voice, now hear me.
From the South I call for innocence,
From the West interior seeing.
From the North I call for wisdom,
From the East illumination.
Deep, deep wisdom within,
Whispers of ancestors old.
Deep, deep longing to find,
Healing and wholeness and home.
Caring for the planet, troubled fragile planet,
Courage to create when no one knows the way,
Dance the pain of knowing, live the pain of growing,
Spirit-filled the journey; Oneness is our home.

TO BUILD A FUTURE

We were a mixture of many peoples.
We came to claim the right to live.
We found each other.
We worked together.
We became the envy of all.

Today we wonder where we are going.
We fight and fatter, we lose our way.
We now are asking what is of value,
For the future's fresh dawning day.

To build a future for every neighbor,
To see ourselves as friend to aft,
To love the tend and share it wisely,
Will make the whose world very small.

The mystery consumes my vision constantly,
Yet finally, no end I see.

TOMORROWS WHERE WE ARE

Chorus:

Would you like to build on your dreams?
Fill the world with all of your schemes?
West Covina's where you should be.
Come on along and join with me.

The Ranchos of yesteryear, with folks roaming free.
Orange groves as far as you could see.
Our rugged people had a job to do.
They made a beginning here for me and you.
So if we just take a lesson from the past
Roll up your sleeves and build to last!

Chorus

The progress we've made today is wondrous to see
Involvement is how it's come to be.
"Cross the Valley to the Hills" we have found the way
To meet the challenges we face today.
So if you think you would like to lend a hand,
The future here is really grand!

Chorus

Building on yesterday, we move out all fear.
We look straight ahead and see for years.
Our town that's growing has a place for all,
The young and old can join this call.
So if you help us we're sure to reach a star
Because tomorrow's where we are!

With suns and moons all over the
place.
Tonight, tonight, the world is wild
and bright
Going mad, shooting sparks, into
space.
Today the world was just an
address,
A place for me to live in, no better
than alright
But here you are, and what was just
a world is a star- tonight.

Good night, good night, sleep well,
And when you dream, dream of me
tonight.

(Tonight, tonight, won't be just any
night,
tonight there will be no morning star)

TONY’S SONG

Could be, who knows
There’s something due any day
I will know right away
Soon as it shows
It may come cannon balling down from
the sky
Bright as a rose,
Who knows,
It’s only just out of reach
Down the block on the beach,
Under a tree,
I’ve got a feeling there is a miracle due
Coming to me
Could it be, yes it could,
Somethin’s comin’, somethin’ could
If I can wait, somethin’s coming
I don’t know what it is, but it is
Gonna be great
With a click with a shock
Door’ll jiggle, door’ll knock,
Open the latch, somethin’s coming,
Don’t know when, but it’s soon
Catch the moon,
One-handed catch
Around the corner
Or whistling down the river
Come on deliver -- to me.
Will it be, yes it could
Maybe just by holding still,
It will be there,
Come on somethin’, come on in,
Don’t be shy, meet a guy
Pull up a chair,
the air is humming
and somethin’ great is coming.
Who knows, it’s only just out of reach,
down the block on the beach
Maybe tonight (3x).

TOP OF THE WORLD

Such a feeling's coming over me.
There is wonder in most everything I see,
Not a cloud in the sky, got the sun in my eyes,
And I won't be surprised if it's a dream.

Everything I want the world to be
Is now coming true especially for me,
And the reason is clear, it's because you are here;
You're the nearest thing to heaven that I see.

Chorus:
I'm on the top of the world lookin' down on creation,
And the only explanation I can find,
Is the love that I've found ever since you've been around,
Your love's put me at the top of the world.

Something in the wind just learned my name,
And it's telling me that things are not the same,
In the leaves on the trees and the touch of the breeze,
There's a pleasing sense ot happiness for me.

There is only one wish on my mind;
When this day is through I hope that I will find,
That tomorrow will be just the same for you and me
All I need will be mine if you are here.
(Repeat chorus twice.)

TRUMPETS ARE SOUNDING, THE

The trumpets are sounding announcing a new day
Souls are re-aligning, the remnant greets the way
Once dead—I wake
We scatter across the globe and meet some day.

The trumpets are sounding announcing a new way
The vision is unfolding and light now paves the way
Struck blind—I see
There’s no one else to build the earth but me.

The trumpets are sounding announcing a new man
Community’s emerging, we march from land to land
Once deaf—I hear
The beat of life and feel no thing to fear.

The trumpets are sounding proclaiming a new world
New castles are rising, their spires like flags unfurled
One weak—I’m strong
I have the past behind and march along.

TURN BACK, O MAN

Turn back, O man, forswear thy foolish ways.
Old now is earth, and none may count her days,
Yet thou, her child, whose head is crowned with flame,
Still wilt not hear thine inner God proclaim,
‘Turn back, O man, forswear thy foolish ways.’

Earth might be fair, and all men glad and wise.
Age after age their tragic empires rise,
Built while they dream, and in that dreaming weep:
Would man but wake from out his haunted sleep,
Earth might be fair, and all men glad and wise.

Earth shall be fair, and all her people one;
Nor till that hour shall God’s whole will be done.
Now, even now, once more from earth to sky,
Peals forth in joy man’s old, undaunted cry,
‘Earth shall be fair, and all her folk be one!’

TURN OF THE SUN

Turn on the Sun; turn on the Sun
Light up the world, come everyone
Turn off the wind, thunder and rain
Turn on the Sun, let’s smile again

Turn on the Sun; turn on the Sun
Light up the world, come everyone
Turn off the wind, thunder and rain
Turn on the Sun, let’s smile again

Tinker, tailor man,
Radiate all the love you can
Lawyer, engineer,
Let your heart be a pioneer

Turn on the Sun, Turn on the Sun
Open the doors, tell everyone
Bad times are out, Good times are in
Turn on the Sun, let’s smile again

Miner, Steeplejack,
Warm emotions are coming back
Sailor, Stevedore
Here’s a message you can’t ignore

Turn on the Sun, Turn on the Sun
Light up the world, come everyone
Turn off the wind, thunder and rain
Turn on the Sun, let’s smile again

Gather up all the goodness in you
Turn on the sun, Turn on the sun
Love the world like we all can do
Turn on the sun, Turn on the sun

TURN THE WORLD AROUND

from a storyteller in Guinea in West Africa; made popular by Harry Belafonte

In 1979 Harry Belafonte explained this song's inspiration. *"I discovered this song in a small village in Guinea. There I met with a storyteller who went back in African tradition to tell this story about the fire, sun, water, and earth. He pointed out that all of us are here for a very, very short time. In that time that we're here, there really isn't any difference in any of us, if we take time out to understand each other. The question is: Do I know who you are, or who I am? Do we care about each other? Because if we do, together we can turn the world around."* To sing along, go to <http://www.youtube.com/watch?v=yIOSKFNUxRg>.

We come from the fire
Livin' in the fire
Go back to the fire
Turn the world around (3 x)

We come from the water
Livin' in the water
Go back to the water
Turn the world around (3 x)

We come from the mountain
Livin' on the mountain
Go back to the mountain
Turn the world around (3x)

Oh, oh so is life
Ah, hah so is life
Oh, oh so is life
Ah, hah so is life

Do you know who I am
Do I know who you are
See we one another clearly
Do we know who we are (3 x)

Oh, oh so is life
A ba tee wah ha so is life
Oh, oh so is life
A ba tee wah ha so is life

Water make the river
River wash the mountain
Fire make the sunlight
Turn the world around

Heart is of the river
Body is the mountain
Spirit is the sunlight
Turn the world around

We are of the spirit
Truly of the spirit
Only can the spirit
Turn the world around

We are of the spirit
Truly of the spirit
Only can the spirit
Turn the world around

Do you know who I am
Do I know who you are
See we one another clearly
Do we know who we are (3 x)

Oh, oh so is life
A ba tee wah ha so is life
Oh, oh so is life
A ba tee wah ha so is life (6 x)

VENIRE IN TERMINE

Venire in Termine,
Vedere Termine,
Our village five hundred years old,
Our shepherds out watching their fold.
In the past we had castles and convents and bandits
and hid all the prisoners of war,
We had may more people who worked on the land
they adore.

Ballare in Termine,
Cantare in Termine,
Our people at work everyday,
In fields with ripe growing hay,
In the factory we make many products that take
Our fine name to the far U.S.A.
New houses that stand midst a fine fertile land and
We say,

Domani Termine,
Creare a new day,
A sign for all to see,
To take to all Italy.
Where our bricklayers, bread makers, farmers and
Students all show that they can make a plan.
Where people can all work together to build a
New land.

VICTORIES CRY (INYAN WAKAGAPI)

Beneath the swirl of wind and old worlds.
Still currents stir life's deeps.
Out of the chaos eyes open wide
Merge in the silence and beckon new life
Plunged in night's well, the sun star appears,
Waking the Earth and Sea.

Dancing our dreams and singing our times.
New beings build new lives.
Teamed in the bond of mystery's love,
Transforming souls untouched by hope's trust.
In noontide's heat, communities appear.
Moving the Earth and Sea

Ageless and sweeping as fire through the lands,
New spirit burns new paths.
Soaring as eagles, namelessly rise,
Steadfastly leagued in victory's cry,
Dusk's glory comes as rivers of care,
Cover the Earth and Sea.

Refrain:

Geese fly high so proud and flee.
Strong as the folk of Vogar.
Fly together proud to be,
Sign of Vogar.
Through the frozen waters
Breaking through the barriers,
Gathering from two peoples,
Strength for future life.

Men cross turbulent waters,
Traverse plains and woodlands,
Settle tranquil lakesides,
History gives new life.

Poplar leaves are trembling,
Wind blows through our living,
Spirit moves in dark times,
Sunlight in the night.

Weaving strands together
Singing songs and dancing,

WAKE UP AND DREAM

Every life is meant for living.

Every song is to be sung.

Every gift is meant for giving.

It's the same for everyone.

For the world was built by dreamers.

Those who dream and so it seems,

That this world was made for dreaming,

If we just wake up and dream.

You can wait a lonely lifetime,

For a knock upon the door.

Ships are safe inside the harbour,

But is that what ships are for?

All the world was built by dreamers.

Those who dream and so it seems,

WALK UPON THIS PLANET

Amidst a world in trouble it is true
There are songs of hope and vision that are starting to break through.
The chaos may be ringing in your ears,
But the voices won't stop singing until everybody hears.

Chorus:
Walk upon this planet, call it "Home"
From the highest celebration to the deepest pain-filled moan.
This worried world is yearning to forgive
And reveal the unity where all together people live.

The truth is higher than a bird can fly.
It's bigger than a mountain—even wider than the sky.
It's deeper than the wells inside the mind

I shall wear a golden crown.

For just as soon as my feet strike Zion, gonna lay down my heavy burdens,
Gonna put on my robe in glory, gonna shout and tell the story,

WATCHMAN, TELL US OF THE NIGHT

Watchman, tell us of the night,
What its signs of promise are.

See that glory beaming star.
Watchman, does its beauteous ray
Aught of joy or hope foretell?
Traveler, yes—it brings the day,
Promised day of Israel.

Watchman, tell us of the night;
Higher yet that star ascends.
Traveler, blessedness and light,
Peace and truth its course portends.
Watchman, will its beams alone
Gild the spot that gave them birth?
Traveler, ages are its own;
See, it bursts o’er all the earth.

Watchman, tell us of the night,
For the morning seems to dawn.
Traveler, darkness takes its flight,
Doubt and terror are withdrawn.

WE

Oh, we behold the wonder of our time:
A fragile planet hurled in space.
New worlds of wisdom.
Nations unfolding;
All the peoples of the earth
Join in the common march.

We have turned the universe within.
The vantage of the void our way.
New worlds converging.
Courage emerging:
Burst the barriers of time
With tools to build the earth.

We live our quest for peace and give our all:
That courage is the call to go.
Into the searching.
Into the finding;
Now we stand with all at hand
To give our gifts for all

We live the age when all of us engage
In life and death and care; and now
We are the Sunrise.
We are the Earthrise:
Sign of local man
Joined from land to land we rise

To live a life, to share the gifts of all
That people may stand tall. New Earth
In every village
Burns the new vision
That the world may know the way
The glory of the day,

Coda:
All the earth belongs to all of us.

WE ARE ALL ONE PLANET

We are all one planet, all one people of Earth
All one planet sharing our living, our dying, our birth
And we won't stand by watching her die
Hearing her cry and deny, we live as she lives, we die as she dies

So many ways to divide us, so many ways to build boundr'ies and walls
Systems we set up to hide us, neighborhoods, nations ignoring the call
Of the beings who live outside of the boundaries
Inside of the skins that are different from ours
Creatures whose eyes reflect the same skies and watch the same stars

So many ways to hurt and not heal
To speak and not listen, to act and not feel
And too little time to be simple and see
The circle includes every bird, every tree, every you, every me

Think of the things we love
Remember the ones we love
Open our minds, our hearts and our hands
And trust when we don't understand

WE ARE AUSTRALIAN

WE ARE AUSTRALIAN"

*I came from the dreamtime from the dusty
red soil plains*

*I am the ancient heart, the keeper of the
flame*

I stood upon the rocky shore

I watched the tall ships come

*For forty thousand years I'd been the first
Australian.*

[chorus]

We are one, but we are many

And from all the lands on earth we come

*We share a dream and sing with one
voice:*

I am, you are, we are Australian.

*I came upon the prison ship bowed down
by iron chains.*

*I cleared the land, endured the lash and
waited for the rains.*

I'm a settler.

*I'm a farmer's wife on a dry and barren
run*

*A convict then a free man I became
Australian.*

[chorus]

We are one, but we are many

And from all the lands on earth we come

*We share a dream and sing with one
voice:*

I am, you are, we are Australian.

*I'm the daughter of a digger who sought
the mother lode*

*The girl became a woman on the long and
dusty road*

I'm a child of the depression

I saw the good times come

I'm a bushy, I'm a battler

I am Australian

[chorus]

We are one, but we are many

And from all the lands on earth we come

*We share a dream and sing with one
voice:*

I am, you are, we are Australian.

I'm a teller of stories

I'm a singer of songs

I am Albert Namatjira

I paint the ghostly gums

I am Clancy on his horse

I'm Ned Kelly on the run

I'm the one who waltzed Matilda

I am Australian

[chorus]

We are one, but we are many

And from all the lands on earth we come

*We share a dream and sing with one
voice:*

I am, you are, we are Australian.

I'm the hot wind from the desert

I'm the black soil of the plains

I'm the mountains and the valleys

I'm the drought and flooding rains

I am the rock, I am the sky

The rivers when they run

The spirit of this great land

I am Australian

[chorus]

We are one, but we are many

And from all the lands on earth we come

WE ARE BUT ONE

We are the people setting forth on a journey
Responding to the cry of suffering.
Gather all your strength and listen to the call,
For we are summoned by the ones who've gone before.
 Hello, new age, we are but one.
 We share the struggle with destiny
 By the power of the nameless mystery.

With the dawning of the century approaching
Will we stand amidst the brokenness of life?
Dare we dance with all of life's absurdity,
For we are chosen by the new reality.

Local villages are linking together
In a strong and mighty league of humankind.
New approaches open doors to a new world
To a future full of possibility.

The response is up to all who hear the cry
Now we are looking for a place where we can stand
To embrace the power of hope to move the earth,
For we are driven by the winds of history.

WE ARE LIVING, WE ARE DWELLING

We are living, we are dwelling, in a grand and glorious time,
In an age on ages telling; to be living is sublime.
Hark! The waking up of nations, hosts advancing to the fray;
Hark! What soundeth is creation's groaning for the latter day.

Will ye play then? Will ye dally far behind the battle line?
Up! It is Jehovah's rally: God's own arm hath need of thine.
Worlds are charging, heaven beholding; thou hast but an hour to fight
Now, the blazoned cross unfolding, on, right onward for the right!

Sworn to yield, to waver, never, consecrated, born again,
Sworn to be Christ's soldiers ever, O for Christ again be men!
O let all the soul within you for the truth's sake go abroad!
Strike! Let every nerve and sinew tell on ages, tell for God.

WE ARE THE CHAMPIONS

British rock band Queen 1977 http://www.youtube.com/watch?v=qRIGFXI_e1E

I've paid my dues
Time after time
I've done my sentence
But committed no crime
And bad mistakes
I've made a few
I've had my share of sand
Kicked in my face
But I've come through
And we mean to go on and on and on

We are the champions - my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions of the World

I've taken my bows
And my curtain calls
You brought me fame and fortune
And everything that goes with it
I thank you all
But it's been no bed of roses
No pleasure cruise
I consider it a challenge before
The whole human race
And I ain't gonna lose

We are the champions - my friends
And we'll keep on fighting
Till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions of the World

WE CELEBRATE THE WEB OF LIFE

We celebrate the web of life,
its magnitude we sing;
For we can see divinity
in every living thing.

A fragment of the perfect whole
in cactus and in quail,
As much in tiny barnacle
as in the great blue whale.

Of ancient dreams we are the sum;
our bones link stone to star,
And bind our future worlds to come
with worlds that were and are.

Respect the water, land, and air
which gave all creatures birth;
Protect the lives of all that share
the glory of the earth.

WE GATHER TOGETHER

We gather together to ask the Lord's blessing
He chastens and hastens His will to make known;

The wicked oppressing now cease from distressing,
Sing praises to His name: He forgets not His own.

Beside us to guide us, our God with us joining.
Ordaining, maintaining His kingdom divine;
So from the beginning the fight we were winning;
Thou, Lord, wast at our side, all glory be Thine!

We all do extol Thee, Thou leader triumphant,
And pray that Thou still our Defender will be.
Let Thy congregation escape tribulation:
Thy name be ever praised! O, Lord make us free!

We have come from Europe, from It'ly
From Hellas, from Portugal and Spain.
We remember olives, the vineyards,
Sirroco and the Seine.
So say goodbye to bullfights, to pasta,
Siesta, to gypsy caravans,
We can start the journey, the journey
The journey to our chosen land.

Refrain.
We love Australia,
We fill this land
We give ourselves
To be the Asian Man.

So now Bon Dia, Buenas Dias Ninos
We say goodbye to our chosen land.
So now Bon Giorno Calispara

WE THREE KINGS OF ORIENT ARE

We three kings of Orient are
Bearing gifts we traverse afar
Field and fountain, moor and mountain
Following yonder star

O Star of wonder, star of night
Star of royal beauty bright
Westward leading, still proceeding
Guide us to thy Perfect Light

Born a King on Bethlehem's plain
Gold I bring to crown Him again
King forever, ceasing never
Over us all to rein

O Star of wonder, star of night
Star of royal beauty bright
Westward leading, still proceeding
Guide us to Thy perfect light

Frankincense to offer have I
Incense owns a Deity nigh
Prayer and praising, all men raising
Worship Him, God most high

Star of royal beauty bright
Westward leading, still proceeding
Guide us to Thy perfect light

We've gotta go out and build Fifth City,
We've gotta build it by ourselves;
Ain't nobody here goin' to build it for us;
We've gotta go out and build Fifth City by ourselves.

Oh, you can't blame it on the devil,
Oh, you can't blame City Hall;
You can't blame the way life is,
You gotta go out and build Fifth City by yourself.

Can't depend on Mr. Do-Good,
Can't depend on city gold;
Oh, we can't depend on Mr. Charley;
We've gotta go out and build Fifth City by ourselves.

We're going to build it with our blackness,
Goin' to build it with our soul; .
Oh, we're going to build it with our power,
We've gotta go out and build Fifth City by ourselves.

We're goin' to build it in Chicago,
As a Sign to all mankind;
Of the power of the people,
Who decide to give their lives to change the world.

WE’VE ONLY JUST BEGUN

We've only just begun, to live, white lace arid promises,
A kiss for luck and we're on our way.
Before the rising sun, we fly, so many roads to choose,
We start out walking and learn to run, and yes, we've just begun.

Sharing horizons that are new to us'
Watching the signs along the way
Talking it over just the two of us.
Working together day by day . . .

And when the evening comes, we smile, so much of life ahead.
We'll find a place where there's room to grow.
And yes, we've just begun.

WHAT A WONDERFUL WORLD

WHAT A WONDERFUL WORLD

Written by Louis Armstrong 1968
To sing along, go to
<http://www.playingforchange.com/episodes/what-a-wonderful-world/>

I see trees of green,
Red roses too.
I see them bloom,
For me and you.
And I think to myself,
What a wonderful world.

I see skies of blue,
And clouds of white.
The bright blessed day,
The dark sacred night.
And I think to myself,
What a wonderful world.

The colors of the rainbow,
So pretty in the sky.
Are also on the faces,
Of people going by,
I see friends shaking hands.
Saying, "How do you do?"
They're really saying,
"I love you."

I hear babies cry,
I watch them grow,
They'll learn much more,
Than I'll ever know.
And I think to myself,
What a wonderful world.

Yes, I think to myself,
What a wonderful world.
Oh, yeah!

WHEN HOPE FLIES

When hope flies on the wings of your yearning,
And your fondest desires still linger on;
When hope flies on your dreams of the future
And the world that you wanted you're sure will come
Then hope dies and the vision of longings
Lies empty in the nothing that's there.
Yet hope comes on the wings of tomorrow,

WHEN I SURVY THE WONDEROUS CROSS

When I survey the wondrous cross,
On which the Prince of Glory died,
My richest gain I count but loss,
And pour contempt on all my pride.

Forbid it, Lord, that I should boast,
Save in the death of Christ, my god;
All the vain things that charm me most,
I sacrifice them to his blood.

See, from his head, his hands, his feet,
Sorrow and love flow mingled down;
Did e'er such love and sorrow meet,
Or thorns compose so rich a crown?

Were the whole realm of nature min,
That were an offering far too small;
Love so amazing, so divine,
Demands my soul, my life, my all.

WHERE CROSS THE CROWDED WAYS OF LIFE

Where cross the crowded ways of life,
Where sound the cries of race and clan,
Above the noise of selfish strife,
We hear Thy voice, O Son of man!

In haunts of wretchedness and need,
On shadowed thresholds dark with fears,
From paths where hide the lures of greed,
We catch the vision of thy tears.

From tender childhood's helplessness,
From woman's grief, man's burdened toil,
From famished souls, from sorrow's stress
Thy heart has never known recoil.

The cup of water given for thee
Still holds the freshness of thy grace;
Yet long these multitudes to see
The sweet compassion of thy face.

O Master, from the mountainside,
Make haste to heal these hearts of pain;
Among these restless throngs abide,
O tread the city's streets again.

Till sons of men shall learn thy love
And follow where thy feet have trod;
Till, glorious from thy heaven above,
Shall come the city of our God!

WHISPERING HOPE

Soft as the voice of an angel
Breathing a lesson unheard
Hope with a gentle persuasion
Whispers her comforting word
Wait till the darkness is over
Wait till the tempest is done.
Hope for the sunshine tomorrow
After the shower is gone.

Whispering hope,
O how welcome thy voice
Making my heart
In its sorrow rejoice.

If in the dusk of the twilight
Dim be the region afar
Will not the deepening darkness
Brighten the glimmering star?
Then when the night is upon us
Why should the heart sink away?
When the dark midnight is over
Watch for the breaking of day.

Hope, as an anchor so steadfast
Rends the dark veil for the soul
Whither the Master has entered,
Robbing the grave of its goal;
Come then, O come, glad fruition,
Come to my sad, weary heart
Come, O Thou blest hope of glory
Never, O never depart.

And whistle a happy tune so no one will suspect I'm afraid.
While shivering in my shoes I strike a careless pose
And whistle a happy tune, so no one ever knows I'm afraid.
The result of this deception is very strange to tell
For when I fool the people I fear. I fool myself as well.

I whistle a happy tune and every single time
The happiness in the tune convinces me that I'm not afraid.
Make believe you're brave and the trick will take you far,
You may be as brave as you make believe you are.
(*Whistle*)
You may be as brave, as you make believe you are.

WHITE CHRISTMAS

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the tree tops glisten
And children listen
To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all
Your Christmases be white

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the tree tops glisten
And children listen
To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases
May all your Christmases
May all your Christmases
May all your Christmases be white

I'm dreaming of a white
Christmas with you
Jingle Bells
All the way, all the way

WHO WILL DARE?

Chorus:

Who will dare create the new future?
Who will dare respond to the need?
All the world looks 'round for a new sign
The cry for one to risk the deed.

I know that people are responding
Across the villages and towns
They're making claims and new decisions
That turn despair around.

I see men and women working,
Youth and children by their side.
A sense of hope IS now emergmg,
No way to stop the swelling tide.

I see communities deciding
The future does belong to them.
By corporate effort they are striving
To build the world again.

Final Chorus:

Who will dare create the new future?
Who will dare respond to the need?
All the world looks round for a new sign
So come along with me
Pick up this destiny
So come along and build the sign.

WHY IS THE WONDER SO TRUE

New people bearing
Hopes built together,
These are the ways to share
Out of the someness
Into the oneness,
This is the deed to dare.
Why is the wonder so true?

Chorus:
Profoundly connected,
Our whole life expected,
The planet is beckoning you.

Living life fully,
Living in wholeness,
Create the story to
Reveal the glory
In the new century.
Over and over a new day begins,
Why is the wonder so true?

Chorus

Taking our learnings
Into a new age
Daring to take the lead.
Offering guidance
Into commitment,
Responding to earth's new needs.
Over and over a new day begins,
Why is the wonder so true?

Final chorus:
Profoundly connected,
Our whole life expected
The planet is beckoning to
All of us caring as one,
Our wholeness transforms the new.

Ilete baraka kwetu
Haki iwe ngao na mlinzi
Natukae na undugu
Amani na uhuru
Raha tupate na ustawi

Amkeni ndugu zetu
Tufanye sote bidii
Nasi tujitoe kwa nguvu
Nchi yetu ya Kenya
Tunayoipenda
Tuwe tayari kuilinda

Natujenge taifa letu
Ee ndio wajibu wetu
Kenya istahili heshima
Tuungane mikono

WITH A SONG IN MY HEART

With a song in my heart, I behold your adorable face,
Just a song at the start, but it soon is a hymn to your grace,
When the music swells I'm touching your hand
It tells that you're standing near, and
At the sound of your voice heaven opens its portals to me.
Can I help but rejoice that a song such as ours came to be?
But I always knew I would live life through
With a song in my heart for you.

WITHOUT A SONG

Without a song ,
The day would never end,
Without a song

The road would never bend;
When things go wrong,
A man ain't got a friend,
Without a song.

The field of corn would never see a plow;
That field of corn would be deserted now;
A man is born But he's no good no how
Without a song.

I got my trouble and woe,
But sure as I know the Jordan will roll,
I'll get along as long as a song is strong in my soul.

I'll never know what makes the rain fall.
I'll never know what makes the grass so tall.
I only know there ain't no love at all-
Without a song.

WOBURN LAWN

In Woburn Lawn the flowers grow.
And the mountains soar up to the skies.
Though the road is twisting, rough and steep.
Vision shines in the people's eyes.

Refrain:
For we know and say. we're on our way,
We have to work for many a day,
But our hearts are strong.
We know we can't go wrong.
We'll build a village where we're proud to stay.

We'll terrace the hillsides and pave the roads.
Build up our income and markets, too.
We'll teach our children all we know.
So they can see the vision through,

Now our people prosper as they see.
A fuller life for all to share.
And from Jamaica our hands go out
To all the world to show our care.

WOMEN OF COMPASSION

When I walked in the doorway
Another new assignment
Feelin’ kinda lonely-
Feelin’ kinda strange~
Then around the corner
Came open arms to hold me
Words to enfold me close
“It’s good to have you home”

Chorus:
To a woman of compassion
Life given in mission
Feeling out the heart beat
Of universal pain.
You have a way of embracing
New life demanding
Healing with the word of life
Those who come your way.

When the task got heavy
And I was all for quittin'
My eyes started turnin' red
My feet turned to stone:
Then a voice in my darkness
Gentle and reproving
Recalled my life. revealed the now
Said that I'm the one
.

Chorus

As I listened to the stories
Of other nations' journeys
I knew her deepest longings
Of life for local folk.
As we share time together
Grow with each other
We’ll paint a bold new vision
Of the future just begun.

Chorus:
Come together now; work as one
Come together now; work as one
Come together now; work as one
All together; work is done.

There was a time when neighbors cared
Oh, where are the things that we once shared
The time has come again to work as one
All together; work is done.

Chorus

At the crossroads; we must decide
We must be aware; we cannot hide
The time has come again to work as one
All together; work is done.

WORLD AWAITS, THE

Life calls for us to be creative,
Times call for us to forge the new.
Some say that cities are outdated,
That's not true.

We see the city as the future,
Bridging the way for all the world,
Giving our lives for this location,
Now.

Chorus:
The world awaits,
The world awaits,
What we do right here.
Maplewood's the sign for all the future,
Building renewed community.

We are the ones who have occasion,
To name the future that will be.
Pointing to signals of tomorrow,
All will see.

We are the ones who know excitement,
Grasping what is reality.
Showing that life can be each moment.

YOU ARE MY SUNSHINE

Refrain:

You are my sunshine, my only sunshine
You make me happy when skies are grey
You'll never know dear
How much I love you.
Please don't take my sunshine away.

The other night dear, as I lay sleeping
I dreamed I held you in my arms.
When I awoke dear I was mistaken,
So I hung my head and I cried.

I'll always love you and make you happy,
If you will only say the same.
But if you leave me to love another,
You'll regret it all someday.

You told me once dear you really loved me
And no one else could come between.
But now you've left me and love another,
You have shattered all my dreams.

YOU FILL THE DAY

Refrain:

You fill the day with your glory and your power,
You fill the night with your quiet and your deep love.

Run with your head up in the wind,
Run with your head up in the wind, the wind:
Your head held high, your soul an open door,
And breathe the wind that makes you free,
And breathe the wind that makes you free.

Stand with your face up in the sun,
Stand with your face up in the sun, the sun:
Your head held high, your soul an open door,
And feel the warmth that makes you free,
And feel the warmth that makes you free.

Lie with your face up in the rain,
Lie with your face up in the rain, the rain:
Your head held high, your soul an open door,
And drink the rain that makes you free,
And drink the rain that makes you free.

Walk hand in hand with one you love,
Walk hand in hand with one you love, you love:
Your head held high, your soul an open door,
And hold the hand that makes you free,
And hold the hand that makes you free.

YOU’LL NEVER WALK ALONE

When you walk through a storm hold your head up high
And don't be afraid of the dark
At the end of the storm is a golden sky
And the sweet silver song of a lark.

Walk on through the wind, walk on through the rain
Though your dreams be tossed and blown
Walk on, walk on with hope in your heart
