COMMENTS

Dear Parents -
This week is basically a get acquainted time for students - with teacher, with each other, and the room. I will be sure all children receive all the info whether they come full or part-time.
The All About Me booklet will be used through the year so the children will not be bringing it home just yet. Please remember, hairbrush, toothbrush, wet ones + clothes. Love

Dear Parents,
 A word about field trips - we will be going to Buckingham's Apple Farm on Thurs. Oct 2. We ask that the children be here promptly at 9 AM. Only Thurs. Children will go. I take the children on one field trip a month and I schedule them on different days of the week so everyone gets a chance to go at some time. The volunteer and I will each drive so everyone will be in seat belts.

J. Dover

COMMENTS

Dear Parents,
 Can you believe its February?
 It seems like we just opened Christmas presents.
 We had a good time at the vet's. Feb 12 + 13th we will celebrate Valentine's Day - 21 valentines (2 teachers included) sign their name but leave envelope blank.
 Feb 20th parent conferences all day. No pre-school that day.
 J. Dove
 Still have chicken pox in room.

PARTS OF A TOOTH

ABC Facts About Our Teeth

- A** assistant to the dentist keeps records and makes appointments.
- B** brushing helps keep cavities away.
- C** cavities make our teeth hurt.
- D** dentist keeps our teeth healthy.
- E** enamel is the white covering on our teeth.
- F** foods such as apples and carrots help keep our teeth clean.
- G** gums hold our teeth in place.
- H** Hygienist cleans our teeth and takes X-rays.
- I** injury sometimes cause us to lose a tooth.
- K** Kick the habit of in-between meal snacking.
- L** loose teeth need to come out to make way for our second set.
- M** mirror can show the dentist our teeth.
- N** nerve tell us something is wrong with a tooth.
- O** Orthodontist helps us if we need braces.
- P** plaque is a film that covers our teeth. It needs to be brushed away.
- Q** quickly brush after meals to remove plaque.
- R** repair early - less expensive, easier on patient.
- S** sugar is our teeth's worst enemy.
- T** teeth help us to chew, smile and look good.
- U** using a worn-out toothbrush is almost as bad as not brushing at all.
- V** visit your dentist by age two.
- W** wood was used for the first false teeth.
- X** X-rays tell the dentist where the cavities are.
- Y** you need to care for your own teeth.
- Z** Z If you snoo-z-z-z-e, you lose. See your dentist twice a year.

Play a game with your child. Point to a letter. Have your child name letter and its color - then you read the phrase.

COMMENTS

Dear Parents,
 We had for many reasons,
 a very difficult day on
 Friday. I am sure your
 child came home feeling
 somewhat upset - for this
 I am sorry. We are all going
 to try harder in the future.
 This should be a fun week
 and I have volunteers to
 help everyday. Thanks for
 your understanding.
