The charts that follow are focused poetry and prose that elucidates 12 vital elements, thoughts and experiences that make the Profound Journey context accessible. The journey into authentic humanness is offered in 12 talks illustrated as a 12 faceted diamond. This highlights the life of profound meaning, whole-hearted living and meaningful engagement.

The first chart - a road map of the 12 talks, is a poetic- life relating description of experience into Profound Humanness. The second chart, similar to the first, utilizes topical descriptive prose of the profound humanness experience. It is offered here as a second approach to help highlight the 12 talks which follow the chart. The chart make this topic more accessible than a traditional, table of contents. The charts easily illustrate the components of internal states of being and their external manifestations.
