A Dinner Party:  
A Celebration of Appreciation of  
Our Life Together

The evening's event and ambiance is designed to have the Council stand present to our preciousness as a body of people; the foundations of our movement; and delight in mission.

We will sing, tell stories, and recollect events, recalling the corporate journey, humour and seriousness of Those Who Care.

The format of the evening will be:

Welcome  
Dinner  
Act I  
Interlude  
Act II  
Interlude  
Act III

Please use this booklet throughout the day to record your rememberings of the key events, people, and places that comprise our history.
