## SIXTH GRADE TREK STATEMENT OF INTENT

We, the Sixth Graders of the Global Order, call into being the seventh sixth grade trip of travel, adventure, growth and a time of dying to the old and being born to the new.

Coming from all over North America and the globe, approximately 30 to 40 6th grade Order Youth with faculty will come and leave Chicago on June 18th to participate in the Sixth Grade Trek. This trek is a rite of passage, which is about transiting from childhood to young adulthood. We are embarking upon this trek to symbolize that we can care for ourselves and our neighbours, no longer relying on our neighbours to care for us. This adventure will take place on a ranch in Montana, where we will encounter the wilds of life through wild animals and rugged territory. We will be living in a primitive style where we will have no electricity, no plumbing, a tent for our roof, the rocks and dirt for our floor, and only our creativity for our resources.
