1ST DAY:

THE FIG

I swear by the FIG and by the olive
By Mount Sinai,
And by this inviolate soil!
That of goodliest fabric we created man,
Then brought him down to be the lowest of the low;

Say who believe and do the things that are right,
for theirs shall be a reward that faileth not.

Then, who after this shall make thee treat the
Judgement as a lie?

What! is God not the most just of judges?

The Koran

2ND DAY:

I have dug wells
and drunk the waters of a foreign land
and with the soles of my feet I have dried
up all the streams of Egypt.
Have you not heard long ago?
I did it all
In days gone by I planned it
and now I have brought it about
making fortified cities tumble down
into heaps of rubble.
