WESLEY: THE SPIRIT OF BONDAGE AND OF ADOPTION

MAN'S SPIRIT JOURNEY TO FAITH

Spirit of Bondage and Adoption		The Three Fold State of Man's Journey		Wesley's Sermon -Examine Selves!	
Natural Man		Man under Law		Man under Grace	
INTRO: 3 states	Man's situation & his illusion	Man's illness revealed & the crisis	Word of possib & faith decision	Imperative & Means of Grace	
ADDRESS 6	SIN 14	DESPAIR 24	FAITH 32	ALTER CALL 41	
3 states in mans spirit jrnj to faith:	Man is in illus. abt. his real sit. he thinks he can secure future-he's slave to that illusion	When his illus is revealed he tries to escape the way life is and find signif & justification--but there is no escape and that is despair. In Despair, he raises the Ultimate "?"--How can I live before this?	He then has the possibility to taking a new relationship to that which gives him his life as it is. The new relationship is the Son-Father relat.	The "means of Grace" is self examination & continual decis. to relate to that final reality as Father.	

The Journey to faith is 3 fold-from illusion about the way life is, to realization of situation and despair and then to the affirmation or the decision to be the one who is forgiven.
