MARCH ONWARD NOW

Oh we awaken the human vision  
March onward now to the cry of all history.  
Resurgent spirit is now emerging  
Giving form to the new community.

We are engagers of human caring,  
March onward now in the task to set people free,  
Local passion bursts forth in power,  
Giving form to the new humanity.

We are proclaimers of life's abundance,  
March onward now placing hope in the mystery,  
The human drama reveals the wonder,  
Giving form to new possibility.

The world before us, the future open  
March onward now to create the new century,  
Human structures that forge a life style,  
To give form and release new destiny.
