## 1. LOCAL MAN SHALL RISE AGAIN

Born in plenty, raised up blind, all turned hollow,  
something there was wrong.  
Human suffering over all the world--three billion  
people die and never live.

Refrain:

All the earth belongs to all. That's the vision  
and the call.

Local Man shall rise again to build the earth,  
the common earth.

Joined the rebels, lost the past. Saw destruction,  
nothing really changed.

Human suffering over all the world--three billion  
people die and never live.

Then a stranger, loved by none, all was gone,  
every hope had died.

Human suffering over all the world--three billion  
people die and never live.

At the center, awful calm, born of spirit, then my  
life was gone.

Human suffering over all the world--three billion  
people die and never live.

From the center we shall stand, in every nation,  
throughout every land.

Building patterns to release the new: dying daily  
that the new may live.

## 2. MARCHING ALL TOGETHER

Chorus:

Marching ahead into history  
Standing tall in community  
Out of the dark, proclaiming  
the light  
Living the sign for all to be.

Are you Kapini? O, yes!  
Are you ready for the journey? O, yes!  
Let's march into the future. O, yes!  
We're marching all together and  
we're ready to go.

Are you ready Malekano? O, yes!

Are you ready Mulowa? O, yes!

Are you ready my brothers? O, yes!

## 3. BUILDING WITH DEMONSTRATION

There is a global movement building  
with demonstration.

They are the signs of hope for  
building the earth together  
Fifth City, Marshall Islands demon-  
strate new human vision  
Town Meeting paves the way for  
building the earth.

No matter what the cost  
The war will not be lost  
Colleagues with history  
We're joining in the  
demonstration

Tell all your friends and neighbors  
It's time to use their labors  
Come join the spirit march  
And build the new earth

#### 4. KAPINI A SIGN

Kapini, a sign of hope to the world.  
Kapini, setting forth in the stillness.  
A full past deep in greatness,  
Now a time of resurgence.  
People working in community  
Hear a voice calling those who care.  
A place of struggle that creates anew,  
Place of glory for all mankind.  
Kapini, a sign of hope to the world.

#### 6. THE NATIONAL ANTHEM

Stand and sing of Zambia, proud and free  
Land of work and joy in unity  
Victors in the struggle for the right,  
We've won freedom's fight  
All one, strong and free

Africa is our own motherland  
Fashion'd with and blessed by God's  
good hand  
Let us all her people join as one  
Brothers under the sun  
All one, strong and free.

One land and one nation is our cry  
Dignity and peace 'neath Zambia's sky,  
Like our noble eagle in its flight  
All one, strong and free.

Chorus:  
Praise be to God,  
Praise be, praise be, praise be,  
Bless our great nation,  
Zambia, Zambia, Zambia.  
Free men we stand  
Under the flag of our land.  
Zambia--praise to thee.  
All one, strong and free.
