

UPTOWN 5

GUILD PLANNING WEEK-END
1976/1977

UPTOWN 5
CHICAGO

SEPT. 25, 1976

GUILD PLANNING 1976/77

CONTRADICTIONS

A fragmented
vision of the
community gives
rise to the
conviction that
tomorrow can
only be the
same as yesterday.

Community
structures reinforce
negative image of
self and community.

Minimum engagement
in care and
maintenance of
one's own dwelling
place, feeds rootless
mindset.

Individual
survival style
eats up creative
energy for caring
for others.

GUILD PLANNING
1976/77

PROPOSALS

1	2	3	4	5	6
<p>We, the citizens of Uptown 5, in order to <u>encourage economic development</u> propose local economic planning.</p>	<p>We the citizens of Uptown 5, in order to <u>powerfully dramatize</u> life's <u>significance</u>, propose the saturation of the community with images of hope and greatness.</p>	<p>We, the citizens of Uptown 5, in order to <u>enlarge consensus</u> <u>action</u>, propose that we catalyze community through holding a significant number of geographically distributed Town Meetings (community forums)</p>	<p>We, the citizens of Uptown 5, in order to <u>implement united community improvements</u> propose a series of week night meetings to stimulate a realization of Uptown 5 responsibility toward creating a desirable environment.</p>	<p>We, the citizens of Uptown 5, in order to <u>release human creativity</u> propose a community skills improvement program.</p>	<p>We, the citizens of Uptown 5, in order to <u>promote community enjoyment and togetherness</u>, propose the formation of a community cultural affairs committee to organize and initiate inter-cultural and community celebrations and festivals.</p>
