YEARLY CONTRADICTIONS/STRATEGIC OBJECTIVES
PROCEDURES

RATIONAL OBJECTIVE: To state the contradictions in the galactic church and the strategic objectives for the local auxiliary for the year.

EXISTENTIAL AIM: To experience the fact that the Tactical System deals with "my" local situation.

CONTEXT

Review the six year timeline of the Local Church Project. The year's contradictions and strategic objectives are written on the system, complex and subcomplex levels. Each complex includes six tactics. For example, the complex Schooling In Internal Discipline is composed of tactics 2,7,4,5,6, and 3. There are three sub-complexes within each complex. The yearly contradictions, strategic objectives encompass all 36 tactics while the quarterly contradictions, strategic objectives are written only on the tactics actualized within a given quarter. Care to state the contradictions and strategic objectives "on target" will enable the radical thrust of the system in every local church.

STUDY SYSTEM

1. Set the context for contradictions/strategic objectives by studying tactical materials.
 - a. Study the Inclusive Contradictions/Strategic Objectives charts.
 - b. Review Master Index, Section III Tactical Systems.
2. Study System Contradictions and Strategic Objectives for Cadre, Congregation, and Parish as disclosed through study and reflection on the Master Index ¶ 61ff (cadre), ¶ 67ff (congregation), and ¶ 73ff (parish).

CONGREGATION ANALYSIS

1. Review Congregational Analysis in Local Auxiliary units.
2. Note areas where congregational analysis relates to system contradictions/strategic objectives

SYSTEM CONTRADICTION STRATEGIC OBJECTIVE

- TOTAL GALAXY
1. Brainstorm contradictions/strategic objectives inherent in each tactical system, cadre, congregation, and parish.
 2. Write these in rough sentences.
 3. Brainstorm manifestations of the systems contradiction in the galaxy church.
 4. Gestalt to five.
 5. Locate manifestations, across the galaxy churches, of the total system strategic objective as it is already present.
 6. Each auxiliary write in one sentence how the manifestation of the contradiction is blocking the manifestation of the strategic objective.

YEARLY CONTRADICTIONS/STRATEGIC OBJECTIVES
PROCEDURES

	<p>7. Read several and push at where most helpfully stated.</p>
<p>COMPLEX SUBCOMPLEX CONTRADICTION STRATEGIC OBJECTIVES</p>	<p>LOCAL AUXILIARIES</p> <ol style="list-style-type: none"> 1. Brainstorm contradictions for the year within their local <ol style="list-style-type: none"> a. in each complex church b. in each subcomplex 2. Assign 2 or 3 persons to each complex. Read the prose (sentence on cover page and paragraph on 2nd page) in each tactic book in your assigned complex. 3. Each team articulate the contradictions in their assigned complex and subcomplexes for the year <ol style="list-style-type: none"> a. Push that complex (and subcomplex) contradiction to the "heart of the matter" or to the center of the systems (complex) contradiction (the real contradiction behind the previously stated contradiction. b. Articulate the "heart of the contradiction" for the complex and subcomplex. 4. Read to the Local Auxiliary and discuss (each person taking his own notes) 5. Assign 2 or 3 persons to rewrite the contradictions in light of the discussions. 6. Meanwhile the remainder of the Auxiliary redivides and states the Inclusive Strategic Objectives for the complex and subcomplex. <ol style="list-style-type: none"> a. What are the 15 things that might be done to deal with the contradiction. E.G. ask: What is needed to redirect trends? What is needed to remove blocks to trends? b. What is <u>the</u> strategic objective to be accomplished here that will resolve, remove, or circumvent the contradiction and the strategic objective will be actualized. 7. Read to the whole local auxiliary and discuss. 8. Assign one or two different persons to rewrite the objectives and gestalt to a key phrase for the Inclusive Strategic Objective Chart for each complex (subcomplex) 9. Read to Local Auxiliary and record on Inclusive Strategic Objective chart, drawing a diagonal line to separate the Contradiction and Strategic Objective.
<p>GALAXY REFLECTION</p>	<ol style="list-style-type: none"> 1. Where excited by new clarity on contradictions/s-o? 2. What new insights did you have about your local church?

CONTEXT FOR WAR BOARDS

The War-Board holds the total quarter context before the local auxiliary at all times. Confronted with the War Board at every Sodality meeting forces the Local Auxiliary to think comprehensively.

The War Board is concrete accountability for doing Mod I. The completion of the twelve weeks of cards is exxential if the tactical thrust is to be aimed at the quarter's objectives. Without the War Board the Auxiliary can't ask the Mod I question: Will this whole tactic speak to the objective? The War Board keeps the Auxiliary from programmatic thinking. If there is no Board or it is not present, the Auxiliary finds itself doing 576 individual projects.

The War Board needs to be set up as room decor before the Sodality meeting begins. This is power-action oriented decor. The spirit and study life of the Auxiliary occurs in the presence of this symbol of giving ones life practically for the congregation and the world. The War Board available for practical use during the actualization portion of the Sodality meeting guards the comprehensive vision in the midst of the particular thrust.
