

NORTHWEST HILLS TOWN MEETING

May 7, 1980
Delta Drive Library
Jackson, Mississippi

In the area of PUBLIC RECREATION, the fact that it is difficult to communicate with persons in responsible positions, it is hard to get attention, indicates the underlying challenge we face is SUPPORTING A COMMUNITY ORGANIZATION.

In the area of STREET IMPROVEMENTS, the fact that the city repairs are inadequate, calling the city has not produced results, indicates the challenge we face is ORGANIZING.

In the area of COMMUNITY ORGANIZATION, the fact that there are no funds indicates the underlying challenge we face is BUILDING INTEREST AND FINDING A LOCAL MEETING PLACE.

In the area of VOTER REGISTRATION, the fact that there is apathy indicates the underlying challenge we face is GETTING PEOPLE TO CHANGE THEIR VOTING PRECINCT THAT RELATES TO WHERE THEY CURRENTLY LIVE.

In the area of COMMUNITY TRANSPORTATION, the fact that there is an unsurety about how many people would use the city bus system, no petitions have been circulated, indicates the underlying challenge we face is GETTING A REQUEST FROM NORTHWEST HILLS FOR A BUS STOP.
