| MOOD                    | <p>The spirit mood of 5th city was gestalted from data gathered in the vertical categories into the 3 top categories.</p> <p>Each of the boxes was weighted according to the number of responses in each (designated by height of lines in relation to each other).</p> <p>It was found that only as individuals saw themselves in terms of community and articulated their depth concerns (operating image and existential question) was there a shift in mood from impotent despair to hopeful anticipation, w/ cautious apprehension holding a tension.</p> |                                     |                        |

BASIC CONTRADICTIONS IN 5<sup>th</sup> CITY

|  |  |
|--|--|
| <p>SPIRITUAL<br/>DIMENSION</p>         | <p>1 actualization not possible w/o self-cons. dealing w/spirit dimension<br/>2 significant movement in 5<sup>th</sup> City has been result of spiritual nurture<br/>3 spirit / social dimensions are inseparable<br/>4 loc. cong. structure necessary to develop/sustain secondary leadership</p>     |
| <p>COMMUNITY<br/>LEADERSHIP</p>        | <p>1 not enough trained leaders<br/>2 inadequate depth training model<br/>3 how give context to participate in rapid in depth training<br/>4 lack continuing spirit nurture structures (loc. cong.)</p>  |
| <p>5<sup>th</sup> CITY<br/>FUNDING</p> | <p>1 need to establish legitimacy as receiver of funding<br/>2 funding must be related to the readiness of leaders for add'l responsibility<br/>3 hold tension betw. 'doing 5<sup>th</sup> City' and sufficient funds to actualize an agency<br/>4 need internal 5<sup>th</sup> City funding model</p> |
| <p>NATIONAL<br/>MOOD</p>               | <p>1 new mood of despair in total nation<br/>2 too much to be done / can't do anything<br/>3 nat'l mood intensifies 5<sup>th</sup> City mood of bewilderment about humanness itself<br/>4 concrete programatic solution is only possibility</p>  |

# S T O R Y

| CONGREGATION            |   |   | RELIGIOUS                      |   |   |
|-------------------------|---|---|--------------------------------|---|---|
| WHY?                    |   | WHY?<br>NOW!  | WHY?                           |   | WHY?<br>NOW!  |
| NEED<br>FOR<br>TROOPS   | Provides bodies<br>Relates to grass roots<br>Forms secondary leaders                              | Stage now set for actualization   | DEPTH<br>OF<br>CONTEXT         | Corporate essential to mission<br>Ground in depths essential<br>Concurrence since inception of mission    | Missional cooperation needed for actualization not possible outside of Word |
| NEED<br>FOR<br>TRAINING | Broadens world view<br>Provides spiritual tools<br>Claims classical wisdom                        | Increased complexity requires increased numbers and intensity of training | BREADTH<br>OF<br>CONTEXT       | History-long world-wide<br>Visioning allows to move<br>Relates parties to all of life                     | Religious context necessary to moving ahead with cooperative actualization  |
| NEED<br>FOR<br>NURTURE  | World's cruciform context<br>Discipline: holds against task<br>P.T. of all holds against decision | Social and spirit dimension finally inseparable                           | PARTICULARITY<br>OF<br>CONTEXT | Church forgotten and underground<br>No identity embedded in culture<br>Church powerful image-making force | Clarity of black church that community reformulation necessary              |

The dynamics of social change and the signs of the times require that the congregation dynamic grounded in the religious be actualized.

This chart depicts the internal goals of leadership development that training programs for the parish, congregation, cadre, or order would be aimed at, and programmatic solutions at the levels of knowing, doing, and being to accomplish the interior goals.

# Leadership Informal Training

12. 5th City PSU  
12/69

|                       |                    |                       |                      |                   |
|-----------------------|--------------------|-----------------------|----------------------|-------------------|
| Forced Responsibility | Create Situation   | Clarify demand        | Present possibility  | Push for Decision |
| Social life           | one to one         | External explosions   | Stake celebration    | "New" Festivals   |
| Exposure              | Westside           | loop                  | national             | global            |
| Visitations           | visit House Church | Sunday Dinner in Home | Tuesday Night "beer" | Loop visitations  |

THIS CHART LAYS OUT THE JOURNEY OF NECESSARY EXPERIENCE FOR THE DEVELOPMENT OF LEADERSHIP

| RATIONALE FOR ACTUALIZATION OF STRUCTURES |  |  |   |
|---|--|--|---|
| FOCUS                                     |  | GIVENS   |   |
| COMMUNITY INVOLVEMENT                     | ADULT ENGAGEMENT                       | LIMITED STAFF  | LIMITED TRAINING                          |
| Must deal with felt need                  | Mission must be carried on by adults   | Must be able to turn over leadership to community                          | Limited staff to train troops             |
| Must touch everyone                       | Need trust of adults 1st               | Must be able to <del>turn over</del> Keep training Program ahead of Staff. | Limited time for participation            |
| Must sight secondary leadership           | Only deal with children to free adults | Can only utilize trained people who are not out for money                  | Need formal model for leadership training |

This rationale bears in mind the thrusts that must be focused on for the actualization of 5<sup>th</sup> City and the given situations which must be dealt with.
