5TH CITY SONGS

CHICAGO IS A WONDERFUL PLACE - 1

Chicago is a wonderful place,
The West Side's where we live,
Chicago is a wonderful place,
The West Side's where we live.
So sing all you people,
Life is here to love.
So sing all you people,
Life is here to live.

I LIVE IN 5TH CITY - 2

I live in 5th City
The West Side is my home
I live in 5th City
Won't leave it alone.

Refrain:

We're gonna build it for Chicago
We're gonna give it to the World
We're gonna build it for Chicago
We're gonna give it to the World.

Out here in 5th City
We are all at work
Building for the future
A task we will not shirk.

Refrain:

People of 5th City
The task they understand
Creating a new life style
We'll take to every land.

Refrain:

People of 5th City
Are black and that is great
Gonna give our blackness to the World
And the World will celebrate.

Refrain - (gradually fading)

MARCHING SONG OF THE IRON MEN - 3

Deep within the hearts of Black men
Charred by bitterness and pain
By three hundred years of slavery
Of injustice, fear, and shame
Burns the spark of human dignity
Which history will claim
As the destiny of man.

Men of iron, we stand together
Men of iron, we stand together
Men of iron, we stand together
For the dignity of man.

From the blackness of the West Side
Now the spark bursts into flame
Rushin' outward from Fifth City
From Chicago whence it came
Spreading forth to every city
Every nation to proclaim
The dignity of man.

Men of iron, we march together...
For the dignity of man.

See the vision of a life style
Stretch before the eyes of man
From Brazil, to France, to China
From the Congo to Iran
Where all men can life in freedom
Claim their power and their plan
Full humanness for all.

Men of iron, march on together...
Toward the destiny of man.

FREE, FREE, FREE TO DECIDE - 4

Free, free, free to decide
What this world is going to be
This imperative is ours to be
Free, free, free to decide.

THE FIFTH CITY IRON MEN COVENANT

We the Iron Men of 5th City commit ourselves to the reformulation of 5th City on behalf of all men. We bring to this task the gifts of our blackness and our urbanity. To this end we commit ourselves to;

1. Wear the Black Beret to symbolize the new breed of concerned men.
2. Meet one night every week for planning and working in stakes and guilds.
3. Recruit and train two hundred Iron Men.
4. Gather knowledge and do research for the rebuilding of 5th City.
5. Take the 5th City model to the world.

THINK FOR OURSELVES

One of the first things I think young people, especially nowadays, should learn is how to see for yourself and listen for yourself and think for yourself. If you form the habit of going by what you hear others say about someone, or going by what others think about someone, instead of searching that thing out for yourself and seeing for yourself, you will be walking west when you think you're going east, and you will be walking east when you think you're going west. This generation, especially of our people, has a burden, more so than any other time in history. The most important thing that we can learn to do today is think for ourselves.

It's good to keep wide-open ears and listen to what everybody else has to say, but when you come to make a decision, you have to weigh all of what you've heard on its own, and place it where it belongs, and come to a decision for yourself; you'll never regret it. But if you form the habit of taking what someone else says about a thing without checking it out for yourself, you'll find that other people will have you hating your friends and loving your enemies. This is one of the things that our people are beginning to learn today--that it is very important to think out a situation for yourself. If you don't do it, you'll always be maneuvered into a situation where you are never fighting your actual enemies, where you will find yourself fighting your own self.

- what recall
- when last time found self ~~not~~ thinking for self.
