WHAT IS THE COUNCIL?

THE COUNCIL IS DESIGNED AS A STRUCTURE TO INTENSIFY OUR AWARENESS OF OUR VISION OF THE FUTURE (CONTEXT), OUR METHODS FOR CREATING THE FUTURE (ACTION), AND OUR STANCE TOWARD THE WORLD AND HOW WE IMPACT THE COMMUNITY RELATIVE TO OUR VISION AND METHODS (STYLE).

THE  
COMMON  
CONTEXT

The first day of the Council is devoted to developing and rehearsing our common vision, images, and pictures of the future and where we stand at the present in relation to that vision.

THE  
COMMON  
ACTION

The second day is out to develop and create the necessary practical ways and means of creating our vision of the future in relation to our present situation thru proposals, objectives, tactics, and timelines for our corporate & individual sector work.

THE  
COMMON  
STYLE

The third day is to intentionalize and symbolize our decision to take on the task of operating out of the common vision and methods and celebrating that decision.
