RISE UP AND WORK

Heartaches Labor and Pain will soon
soon be over (3 times)
No more, no more fears it'll soon be over
Then we will ~~work~~ shout hallelujah
Pace has won.

We've all worked hard to make Pace a better
Pace a better place (3 times)
We've all worked very hard to make Pace
Pace a better place (3 times)
Then we'll shout hallelujah
Pace has won.

Sooner or later we'll all join together
join - join together (3 times)
Then we'll rise - rise up and work
oh rise, rise up and work (3 times)
Then we'll shout hallelujah
Pace has won. (twice)

BAD BAD DELTA PACE

Bad, Bad Delta Pace
Started out bad but it's a brand new place
Started out very very slow
But now it's on the go.

Bad, bad Delta Pace,
Not a big town but a nice place
We worked very hard to meet our goal
Now we got things on the road.

Bad, Bad Delta Pace
Started out bad but it's a brand new place
Started out very very slow
But now it's on the go.

TITLE: THE GENERATION OF PACE

During the past Pace was called Arnold. It was a lumbering district with a population of about 2 500 people. Pace was once a town with full services such as a pharmacy, service station, and a transportation system. As these things began to go out of existence jobs became scarce and people left to make better livings for themselves in other cities.

Due to the concern of the citizens of Pace it has begun to make progress. We have nearly completed the Delta Pace Preschool (Day Care Center) and a car bridge. We have completed our playground, laundromat, walk bridge and the preschool provided jobs for about ten (10) citizens of Pace. In the future we are hoping and trying to establish a sewage system, a community shopping center, a service station and a swimming pool.

We would like to have cable T. V., a dentist and a doctor. With all these hopes and determinations, Pace will be a better and a happier place in which we are hoping our former residents will return to make Pace their permanent home.
