1. Breakfast for the Order is the symbolic meal of the day and requires appropriate attention to details of table set and service.
2. Breakfast is a full service meal, which means always a plate, "whether you need it or not," and a full complement of flatware.
3. Breakfast set teams set up evening before which allows time to deal with any last minute contingencies, as well as enables all to attend Daily Office
4. All items such as condiments, jelly, butter, juice which can be served early go on table before other food serving begins.
5. Plan ahead and provide serving spoons on table for all serving dishes.
6. Inobtrusive "silent monk" image for serve teams indicates avoidance of walking down center aisle of House Church during singing of "passing food to second island" when it is possible to reach it by walking yourself.
7. Serve team responsibility extends through the meal and includes being sensitive to the need to refill coffee pots, serve last minute guests, or deal with ineffective distribution.
8. To enable adequate distribution "before it's too late," divide pots of food imaginably ahead of time, i.e. "we have 3 pans of potatoes and each one needs to serve 8 islands," then distribute accordingly.
9. Eye appeal is a crucial dimension of serving food, and includes attractive platter arrangement, using appropriate size serving dishes for food items and wiping spilled food off sides of dishes before serving.
10. Plan placement of islands in advance to avoid necessity to pass food across islands or rows.
11. Spice islands (sugar, cream, salt and pepper) are returned to the kitchen after every meal and restocked before serving the next meal.
12. Priors assign a "gun" to each team who has total responsibility for the gracious service of the total meal.
13. House Church meals are designed to have all food on table before the Common Meal begins, necessitating set and serve teams to plan time accordingly.
14. No food serving is done during the rituals; from beginning of accountability, to end of prayer and introduction of guests.

THE DESIGN

The Symbolic Order begins the experiment by holding a daily hour of prayer for the next year. After a quarter of reflection on its form and content, Research Centrum constructs a breviary that would permit colleagues to participate in the devotion at the appointed time wherever they might be located. This breviary might be distributed on January 1, 1975 in conjunction with the celebration symbolizing the launching of the ecumenical parish experiment around the globe. Recommendations for revision might be made during the prior's meetings of Quarter IV and a final form of the breviary devised during the GRA in July, 1975.

THE CONTENT

The content of the initial experiment in prayer is brief and simple: each day at 6:00 P.M. a bell is rung throughout the building and persons gather at the appointed place. The liturgist calls the group to consciousness with a versicle and reads a Psalm. The second liturgist then reads a collect on one of the Pressure Points of society, and members of the group who are moved by the Spirit offer prayers of Intercession. The group is then sent out with a benediction.

THE OPERATING PRINCIPLES

The following operating principles are recommended for the initial phase of the experiment:

- 1) that each Religious House and Centrum Nexus perform the exercise set forth in this manual at 6:00 P.M. local time thereby insuring that every hour of every day someone in the Order is in prayer over the mission;
- 2) that a Prayer Room be set aside for this exercise in every location and that it be decorated with appropriate representations of the mission of sociologically loving the world;
- 3) that a first and second liturgist be assigned for each day and that attendance by others be voluntary;
- 4) that the New Jerusalem Bible be used for the Psalm reading;
- 5) that the first liturgist rehearse the Psalm reading aloud before the exercise begins;
- 6) that periodic reflection be held throughout the quarter and that results be sent to Global Research Centrum, Chicago Nexus for refinement of the corporate experiment (contextual spins and readings for reflection are included in this manual to catalyze creative brooding);
- 7) that a "Prayer Wheel" similar to the one in this manual become part of the decor of each Prayer Room;
- 8) that each collect be used for a week at a time.

EVENING PRAYERS

Two minutes before the hour of six, at the beginning of the chimes, the liturgist shall start the prayer walk, ringing the bell. Promptly at six, he shall ring the bell once to begin the evening prayers.

THE VERSICLE

L1: Lift up your hearts!
C: We lift them up unto the Lord!

THE PSALM

L2: Let us hear the appointed Psalm of the day.
Here let the appointed Psalm of the day be designated and read.

THE GLORIA

L1: Glory be to the Father, and to the Son, and to the Holy Ghost.
C: As it was in the beginning, is now and ever shall be,
World without end. Amen.

THE COLLECT

L2: Let us pray.
Here let the appointed Collect for the day be designated and read.

THE INTERCESSION

L1: Let whosoever is moved by the Spirit lead the People of God
assembled here in prayers for the world, the church and our
common cause.

*Here let the prayers of the body be offered, concluding with prayers by
the first liturgist.*

THE BENEDICTION

L1: The Lord is with you.
C: And with thy spirit.
L1: Amen.
C: Amen.

Here the bell shall be rung once to conclude the evening prayers.

COLLECTS FOR THE HOUR OF PRAYER

COLLECT FOR SOCIAL MORALITY

O Thou Mysterious Power which posits in every age an understanding of what it means to be responsible for the world, we beseech Thee in this time of turmoil to grant us vision and courage in the task of recreating forms of responsibility so that all men might do Thy will. We pray in the name of the first among many brothers to be responsible, even Jesus Christ our Lord. AMEN.

COLLECT FOR DELIBERATIVE SYSTEMS

O Thou who in infinite wisdom and love gives man the creative power of free will, we pray for the decision-making processes of our globe and the various forms given to these processes that local man might engage his will in the creation of the new society. We pray in the name of him who called all men to freedom, even Jesus Christ our Lord. AMEN.

COLLECT FOR COMMUNITY GROUPINGS

O God and Father of the family of man who has cared for Thy people in every time and place, we pray for the re-creation of the social fabric necessary to sustain Thy people: schools, churches, social clubs and hospitals, that they might care for this world and all mankind. We pray in the name of the one who has called men to create the sociological forms of love, even Jesus Christ our Lord. AMEN.

COLLECT FOR INCLUSIVE MYTH

O Thou Final Mystery of life who has called man into consciousness and sustained him in every age through symbols and forms of religion, we pray for the re-creation of symbols and piety disclosing Thy greatness and power that mankind might live in the fullness of life. We pray in the name of the one who became Thy symbol of possibility for all men, even Jesus Christ our Lord. AMEN.

COLLECT FOR BUREAUCRATIC SYSTEMS

O Lord who art the creator and sustainer of all social inventions, we pray for those structures of our world that are charged with giving form and direction to the consensus of our age that they may effectively engage local man in the shaping of his destiny. We pray in the name of the great envisioner, even Jesus Christ our Lord. AMEN.

COLLECT FOR BASIC ROLES

O Thou almighty One who sustains the community of mankind through the expenditure of Thy people, we pray for all who experience the collapse and ambiguity of all social roles that these roles which give life to mankind may be recreated in our time. We pray in the name of Him who is all things to all people, even Jesus Christ our Lord. AMEN.

COLLECT FOR FORMAL METHODS

O Thou almighty One who calls Thy people to self-consciousness and responsibility, we pray for methods that will expand men's images and return to them their destiny that they may more effectively serve Thy world. We pray in the name of the One who called all men to be their freedom in total obedience, even Jesus Christ our Lord. AMEN.

COLLECT FOR ANTICIPATED NEEDS

O Lord our Father who gives every man the possibility of envisioning the future, we pray for clear eyes and open hearts that we might respond to the needs of all men as we move into the future. We pray in the name of Him who saw clearly even Jesus Christ our Lord. AMEN.

COLLECT FOR KNOWLEDGE ACCESS

O Thou who has created Thy people with a desire to know and understand Thy works in history, we pray for the structures that inform us of our world that they may respond more comprehensively and thus enhance local man's participation in this new age. We pray in the name of Him who, seeing all, yet loves all, even Jesus Christ our Lord. AMEN.
