(Data missing: Wichita, Rapid City, Billings)

Criteria for selection as of December 1975:

1. That the organization have national, regional, and local structures which will provide an interfacing of efforts at the respective levels.
2. That it be constructed in such a manner that local sponsorship and endorsement of GCF can be channeled upward to national endorsement.
3. That it have chapters in a maximum number of locations.
4. That it have given evidence of its structural effectiveness through the national scope of its membership and the impact of its local programs.
5. That these 20 networks would ostensibly represent or have access to every person in a given community.
6. That there would exist the high probability of an intersection of these nets within a given local community.
