

Shame upon those who seek to hide
 their purpose
 too deep for the Lord to see,
 and who, when their deeds are
 done in the dark,
 say, 'Who sees us? Who knows of us?'
 How you turn things upside down,
 as if the potter ranked no higher than
 the clay!
 Shall the thing made say of its maker,
 'He did not make me'?
 Shall the pot say of the potter, '
 'He has no skill'?
 The time is but short
 before Lebanon goes back to grassland
 and the grassland is no better than
 scrub.

Spirit moving into Washington Court House sector via Wilmington micro as grad picks up "iron man" stance and decides to be sector co-ordinator.

Internal: Able to assign two more people in so as to work more extensively with raising up dormant leadership in Cinn. sector. Job hunting was as exciting as ever with great possibilities raised for working with headstart and community reformulation.

Contradiction: In the shift from the teaching quarter to evaluation time, resisting the temptation to lay our burdens down and rest before embarking on the next phase.

Religious House: Kansas City

External: Topeka RS-I: 24 registered; 17 expected; 25 showed up! Hallelujah! Spring course registrations begin coming in mail (we don't even have brochures back from printer yet.) Clergy Guild outgrows their meeting room--either they have to quit bringing those wives and friends--or we've got to find a new location for them! Completion of teaching quarter sees new penetration record: 414.

Internal: Charles Moore drops in and plants quiet bomb which gives us permission to embrace our Establishment stance, that we might better intensify the task of being the Transestablishment. Celebration at ending of teaching quarter--Regional colleague who lost the bet on the Topeka course put up the money and a Tulsa colleague (who hadn't seen the movie) dropped in our conversation on The

Last Picture Show. Discontinuous time-line in house allows time for Global Visioning and Contextual lectures -- "Which of the 324 Regions will you be buried in?"

Contradiction: Getting handle on exploding possibilities resulting from the Lord's saying, "Yes" to us all quarter. In the face of need for more troops trained in LCE, Cadre formation, recruitment, etc., etc., how do we train the kitchen crew to fire machine guns and continue simultaneously to feed the troops?

On that day deaf men shall hear
 when a book is read,
 and the eyes of the blind shall see
 out of impenetrable darkness.
 The lowly shall once again rejoice in the
 Lord,
 and the poorest of men exult in the Holy
 One of Israel.
 The ruthless shall be no more, the arrogant
 shall cease to be;
 those who are quick to see mischief,
 those who charge others with a sin
 or lay traps for him who brings the wrongdoer
 into court
 or by falsehood deny justice to the righteous
 all these shall be exterminated.

Experimentation with Bi-sector combinations for modules expands troop involvement and breaks loose sector parochialism. Latest Bi-sector Ecclesiola witnessed new faces and recent grads embarking on the journey from RS-1 participant to Iron colleague.

Internal: Weekly house Ecclesiola proving to be key strategy in enticing and nurturing "on the fence" colleagues to see possibility of picking up new demands in metro. Gogarten contextualizes that demand. Began a sector module workshop to create module for new quarter to be shared by colleagues in other Metros.

Contradiction: Upon discovering that the Piqua module could not be about its task because the car intended for its use was in another metro we were confronted with re-working our "simple rational car model" in order to meet the needs of complicated demands for its use.

Religious House: Cincinnati March 10-16

External Concentrated effort on PLC recruitment using massive penetration construct presents new dilemma on other side of exciting clergy about local church experiment - that of enabling them to say "yes" to the PLC while being very clear about the frightful possibilities of embracing the task of creating the future for the next 40 years. New module assignments create mad scramble to update battleplans, organize pertinent data, find lost file folders and decide to trust colleagues to treat the geographic area as seriously as before passing them on to new module leaders. Breakthru with module dynamic is in getting metro leader to be module head.

Internal: Struggle with Gogarten has reached new depth of excitement and intensity. And have found new ways to articulate despair as gift.
