BLUE SKIES Blue skies smiling at me, nothing but blue skies do I see Blue birds singing a song. nothing but blue birds all day long. Never saw the sun shining so bright, Never saw things going so right. Noticing the days hurrying by. When you're in love, My! how they fly. Blue days, all of them gone. Nothing but blue skies from now on.

GIBSON TOWN LOVE SONG Tune: Lyda Rose Gibson Town, our small southern town What is the future that you hold? Railroad town. once hustlin' around With pioneers so bold. What's in store, For the world as you come alive. And people see You can make your dreams arrive Oh, Gibson Town. with new plans abound. A vision grounded in the pain Stories told. and people made bold. A leader once again We will build A rural town for Mankind to see. We will fill A special role in history. Oh, Gibson Town, we're making a pledge To work together more and more. To build you up. make you shine. The future's open door. So here is our love song. And isn't it tine. Imagine it! Gibson, a sign. And people keen to strive, To fill the pot. to better their lot, Tune: Sweet and Low sing simultaneously Gibson Town, Gibson Town. People are waiting, The world around. Are you ready? Oh, Yes we're ready To build a new town So all the world can see A new tomorrow. Gibson Town, Gibson Town, People are watching. The world around. Are you ready! Oh. yes we're ready To build a new town Right now!

FIFTH CITY LOVE SONG Tune: And I Love You So And I love you so, that people ask me how, How I've lived till now, I tell them I don't know. People say I've changed. that they don't understand, Ever since the day, the day I took your hand. First refrain: And yes, I know how lonely life can be. The shadows follow me, and night won't set me free. But I don't let the evening get me down, Now that you're around me. And you love me too; your thoughts are just for me. You make my heart alive and set my spirit free. The book of life is brief, but once a page is read All of love is there; this is my belief. Repeat first refrain You are City Five, Chicago's old Westside, Where Iron Men first were born to build a global sign. Oh yes I know you've changed, and some do not believe This world has a new day since courage set you free. Second refrain And yes, we've known this world's great agony, The billions still denied their hopes and destiny. But we will go wherever they may be, Till all communities live free. I've lived with you so long, no other love have I, Your pain is all my own, your buildings, streets and

cries. Soon I may pass away, but love will still remain, The Iron Man standing tall, that all the world may gain.

THU CHAL CHAL CHAL CHAL RAY (Nava Gram Praras Sing) Refrain: Thu chal chal chal chal ray Thu chal chal chal chal ray Thujeko banana hai Ek naya kal ray Thu chal chal chal chal ray Jo jagega woh payega Jo soyega woh khoyega Ye bat kai such ye bat atal Tujh ko banana hai Ek naya kal ray Yeh duniya himat walon ki Yeh duniya meherat walon ki Thune khoya bahu kuch abto sambhal Tujh ko banana hai Ek naya kal ray Kismat ka rona royega Sukha jiwan ka woh khoyega Anmolye din anmol ye pal Tujh ko banana hai Ek naya kal ray Woh chinta kya jo naam na ho Hai chinta magar jo kaam no ho Hai kaam hi naam hai kaam hi dhaam Tujh ko banana hai Ek naya kal ray

SONG SUNG BLUE Song sung blue - everybody knows one Song sung blue - every garden grows one Me and you are subject to the blues now and then But when you take the blues and make a song, You sing them out again, sing them out again. Song sung blue - weepin' like a willow Song sung blue - sleepin' on my pillow Funny thing but you can sing it with a cry in your voice And before you know it start to feelin good You simply got no choice, simply got no choice. Song sung blue - everybody knows one. Song sung blue - every garden grows one. Me and you are subject to the blues now and then But when you take the blues and make a song You sing them out again, sing them out again, Sing them out again.

MORE More than the greatest love the world has known: This is the love I'll give to you alone. More than the simple words I try to say; I only live to love you more each day. More than you'll ever know, my arms long to hold you so, My life will be in your keeping, waking, sleeping, laughing, weeping. Longer than always is a long, long time, But far beyond forever you'll be mine. I know I never lived before and my heart is very sure No one else could love you more.

DAY BY DAY Day by day. I'm falling more in love with you. And day by day, my love seems to grow, There isn't any end to my devotion. It's deeper dear. by far than any ocean. I find that day by day you're making all my dreams come true. So come what may, I want you to know I'm yours alone and I'm in love to stay. As we go through the years day by day.

BLUE MOON Blue Moon, you saw me standing alone, Without a dream in my heart, without a love of my own Blue Moon, you knew just what I was there for. You heard me saying a prayer for someone I really could care for. And then there suddenly appeared before me, The only one my arms will ever hold. I heard somebody whisper, "Please adore me." And when I looked. the moon had turned to gold! Blue Moon, now I'm no longer alone, Without a dream in my hear, without a love of my own.

I'LL BE SEEING YOU I'll be seeing you in all the old familiar places That this heart of mine embraces all day through, In the small cafe, the park across the way, The children's carousel, the chestnut tree, the wishing well. I'll be seeing you in every lovely summer's day, In everything that's light and gay, I'll always think of you that way. I'll find you in the morning sun and when the night is new, I'll be looking at the moon, but I'll be seeing you.

JUST A CLOSER WALK WITH THEE Chorus: Just a closer walk with thee! Grant it Jesus. is my plea. Daily walking close to thee - let it be, dear Lord, let it be. I am weak. but thou art strong; Jesus keep me from all wrong. I'll be satisfied as long as I walk, let me walk close to thee. Through this world of toil and snares, if I falter, Lord, who cares? Who with me my burden shares? None but thee, dear Lord. none but thee. When my feeble life is o'er, time for me will be no more. Guide me gently, safely o'er, to thy kingdom shore, to thy shore.

THE ROSE Some say love it is a river That drowns the tender reed. Some say love it is a razor That leaves your soul to bleed. Some say love it is a hunger An endless aching need. I say love it is a flower And you its only seed. It's the heart afraid of breaking That never learns to dance It's the dream afraid of waking That never takes the chance. It's the one who won't be taken Who cannot seem to give And the soul afraid of dyin' That never learns to live. When the night has been too lonely And the road has been too long And you think that love is only For the lucky and the strong. Just remember in the winter Far beneath the

bitter snows Lies the seed that with the sun's love In the spring becomes the rose.

CALLED TO CARE Tune: I Just Fall in Love Again Journey, all life is journey, Or is it only turning round and round and round? Dawning, it happens now and then Suffering is revealed and Opening gates to spirit's realm. Chorus: Yet here we are, living life anew. Dark Night is seen through And those who care are blessed again. So here we go, We live our life brand new And as we do We move as one For we've been called to care Living, we're fully living Or are we all upon the sea of dreams alone? Endless, it all is so absurd For though we're so alive It feels we only fight the wind. Chorus Myst'ry, it's all a myst'ry For we are all engulfed in caring for this world. . . Silence, enclosed in Being's arms, Dying's now our life, Because we give it all in faith. Last chorus adds: We move as one For we've been called to care.

BELIEVE Tune: The Sloop John B Chorus: Believe that the time has come. This world's going to live as one And people are ready now To create a new way. New Spirit alive New dream on the rise One world together Create the new day. Everybody can see A new way that it can be, But so many things just seem to get in the way. The chains that bind us are strong. The road to liberty long Toward one world together New earth, a new day. Listen and you will hear The future is coming clear And everybody alive has something to say. We share a bit of the load, Walking down the same road, Working together, New earth, a new day.

SUDTONGGAN: PAGLAUM Tune: Silatan Sudtonggan hataas ang pag-la-um Ki-na-i-ya-han napuno sa gugma Tu-go-ti ang iyang mange damgo Ma-ka-ba-ton-sa ka-tu-man ang dayon. Taliwala sa iyang kalisdanan Pangandoy: iyang kasulbaran Paglaum sa iyang lomolupyo Ma-sak-si-han iyang ka-us-wa-gan. Repeat second verse

EVERY TIME I FEEL THE SPIRIT Chorus: Every time I feel the spirit movin' in my heart. I will pray (Repeat) Upon the mountain, when my Lord spoke, out of his mouth came fire and smoke. Looked all around me, it looked so fine', till I asked my Lord it all were mine. Oh, I have sorrows and I have woe. and I have

heartache here below; But while God leads me' I'll never fear, for I am sheltered by his care.

NEVERTHELESS Maybe I'm right and maybe I'm wrong, Maybe I'm weak and maybe I'm strong, But nevertheless I'm in love with you. Maybe I'll win and maybe I'll lose, Maybe I'm in for crying the blues, But nevertheless I'm in love with you. Somehow I know at a glance the terrible chances I'm taking; Fine at the start. then left with a heart that is breaking. May I'll live a life of regret, Maybe I'll give much more than I get, But nevertheless I'm in love with you.

BREAKING UP IS HARD TO DO See words at end of document

SENTIMENTAL JOURNEY Ev'ry rolling stone gets to feel alone When home, sweet home is far away. I'm a rolling stone who's been so alone Until today. Chorus: Gonna take a sentimental journey Gonna set my heart at ease, Gonna make a sentimental journey To renew old memories. Got my bag, I got my reservation, Spent each dime I could afford. Like a child in wild anticipation, Long to hear that "All Aboard." Seven, that's the time we leave, at seven. I'll be waiting up for Heaven, Countin' ev'ry mile of railroad track that takes me back. Never thought my heart could be so "yearny." Why did I decide to roam? Gotta take this sentimental journey, Sentimental journey home

DAY BY DAY Day by day. I'm falling more in love with you. And day by day, my love seems to grow, There isn't any end to my devotion. It's deeper dear. by far than any ocean. I find that day by day you're making all my dreams come true. So come what may, I want you to know I'm yours alone and I'm in love to stay. As we go through the years day by day.

YOURS Yours till the stars lose their glory. Yours till the birds fail to sing, Yours to the end of life's story, this pledge to you dear, I bring. Yours in the grey of December, here or on far distant shores. I've never loved anyone the way I love you. How could I - when I was born to be just yours?

ALL THE WAY When somebody loves you it's no good unless he loves you All the way. Happy to be near you when you need someone to cheer you All the way. Taller than the tallest tree is, that's how it's got to feel: Deeper than the deep blue sea is, that's how deep it goes if it's real. When somebody needs you it's no good unless he needs you All the way. Through the good or lean years and for all

the in between years. Come what may. Who knows where the road will lead us?
Only a fool would say. But if you let me love you it's for sure I'm gonna love you
All the way. All the way

TILL Till the moon deserts the sky, Till all the seas run dry Till then I'll worship
you. Till the tropic sun grows cold, Till this young world grows old My darling I'll
adore you. You are my reason to live: All I own I would give Just to have you
adore me. Till the rivers flow upstream, Till lovers cease to dream Till then, I'm
yours, be mine.

I'LL BE SEEING YOU I'll be seeing you in all the old familiar places That this
heart of mine embraces all day through, In the small cafe, the park across the
way, The children's carousel, the chestnut tree, the wishing well. I'll be seeing
you in every lovely summer's day, In everything that's light and gay, I'll always
think of you that way. I'll find you in the morning sun and when the night is new,
I'll be looking at the moon, but I'll be seeing you.

A NEW LIFE Chorus: Spinning my life a new story Giving a face to the pain
Seeing through all of the weakness Filling my whole life with passion Filling the
future with glory Surging within me. a new life. The world is on my shoulders, it
weighs too much to bear Still, cries of suffering expose my wounded care
Boundlessly claiming from me, taking more than I had offered. Life's
complications plague me, nothing is easily done, Each new frustration driving
deeper the resolve So easy to give up. but only over my dead body. My life slips
through my fingers, I share the sense of doom. My longing finds a home in
setting spirits free. Living beyond the border. meaning bleeding from each
moment.

AT THE CENTER TRANQUIL Tune: Shenandoah Universe, illumination, all
unknown, absurd assurance Everywhere is found life's meaning, and I, I am the
way at the center tranquil. There's no hope, yet all is hopeful, then no cares,
there are no problems No enemies no earthly foes, and I, I am the struggle at
the center tranquil. Pulsing exhilaration, everything's become a blessing
Embraced by joy a dance of rapture, and I, I am the stillness at the center
tranquil. Gloriously condemned to die: life is new, a great resurgence Community
with all the faithful and I, I am forever at the center tranquil.

Breaking Up Is Hard To Do - Lyrics from original song chosen to sing from memory by the group that night.

Don't take your love away from me
Don't you leave my heart in misery
If you go then I'll be blue
'Cause breaking up is hard to do
Remember when you held me tight
And you kissed me all through the night
Think of all that we've been through
And breaking up is hard to do
They say that breaking up is hard to do
Now I know
I know that it's true
Don't say that this is the end
Instead of breaking up I wish that we were making up again
I beg of you don't say goodbye
Can't we give our love another try?
Come on, baby, let's start anew
'Cause breaking up is hard to do
Now I know
I know that it's true
(Don't say that this is the end)
Instead of breaking up I wish that we were making up again
I beg of you don't say goodbye
Can't we give our love another try?
Come on, baby, let's start anew
'Cause breaking up is hard to do
Comma, comma, down dooby doo down down
Comma, comma, down dooby doo down down
Comma, comma, down dooby doo down down
Comma, comma, down dooby doo down down
