SUMMER '70

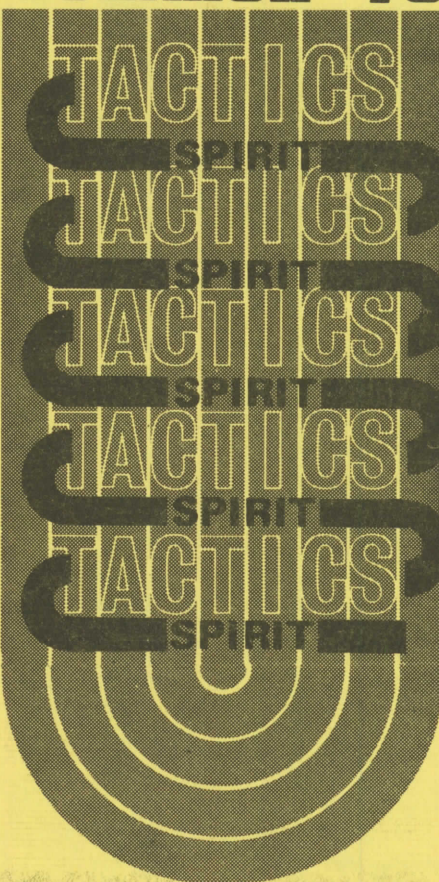

THE FIRE IS NOW!

- The city screams out for new social structures.
- Educational institutions are deeply searching for comprehensive curricula.
- Youth struggles with a new corporate style.
- Pastors are demanding enabling, relevant church structure.
- Workers cry out for economic humanness.
- Black men are asking:
Now that we have a symbol,
what next?
- Families search for
futuric models of relatedness.

The local congregation
is the only key that
will unlock the future
of mankind.

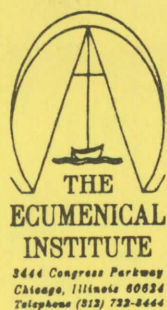

Only churchmen
together can forge
out the answers.

SUMMER '70
is planned
to do just that.

JULY 5 - AUGUST 2

Tactical Operation				
Spirit Formulation				

Tactical operations have power only when galvanized by spirit.

Therefore the New Religious Mode must be grounded in community life to power the coming into being of the New Social Vehicle.

Your experience and wisdom are required if the job of weaving spirit and tactic is to be done.

YOUR DECISION

Prerequisite: Decision to be the Church.

Cost:

Individual \$190
Married Couple \$320

The nominal charge covers room, board and tuition for the four weeks.; the pre-registration fee is \$20, non-refundable after June 10. The anticipated large number of participants makes it impossible to offer a children's program this summer. The Ecumenical Institute's urban campus is located on Chicago's West Side at 3444 Congress Parkway; telephone 312/722-3444.
